ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). Members are advised there are 2 minutes remaining to vote.

□ 1708

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Ms. NAPOLITANO. Mr. Speaker, on rollcall No. 447, had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Mr. GALLEGLY. Mr. Speaker, I was unable to make the following rollcall votes on June 7, 2007:

H.R. 65, The Lumbee Recognition Act. On the Motion to Recommit with Instructions, I would have voted "yea."

H.R. 65, The Lumbee Recognition Act. On passage, I would have voted "nay."

PERSONAL EXPLANATION

Mr. ISSA. Mr. Speaker, had I been present for votes on the evening of Thursday, June 07, 2007, I would have voted in favor of the Republican Motion to Recommit H.R. 65, and against final passage of H.R. 65, the Lumbee Recognition Act.

LEGISLATIVE PROGRAM

(Mr. BLUNT asked and was given permission to address the House for 1 minute.)

Mr. BLUNT. Mr. Speaker, I take this time for the purpose of inquiring about next week's schedule.

I yield to the gentleman from Maryland for an update on next week's schedule.

Mr. HOYER. Mr. Speaker, I appreciate the gentleman yielding and appreciate his question.

On Monday, the House will meet at 12:30 p.m. for morning hour business and 2 p.m. for legislative business. We will consider several bills under suspension of the rules.

On Tuesday, the House will meet at 9 a.m. for morning hour business and 10 a.m. for legislative business. We will consider additional bills under suspension of the rules. A complete list of those bills will be announced by the close of business tomorrow.

On Wednesday and Thursday, the House will meet at 10 a.m., and on Friday, the House will meet at 9 a.m.

We will consider the following fiscal year 2008 appropriation bills: Homeland Security, Military Construction-Veterans' Affairs, Energy and Water Development, and Interior and Environment.

Members should be advised that the official photo of the 110th Congress will be taken on Tuesday.

In concluding my comments, the appropriation bills that I read, Homeland Security, Military Construction-Veterans' Affairs, Energy and Water Development, and Interior and Environment, will be completed next week.

Let me reiterate that. They will be completed next week. I am hopeful we can complete them by the close of business on Friday, but they will be completed next week.

Mr. BLUNT. Mr. Speaker, I thank my friend for the time and his response. Just in response to that, I do know that the Appropriations chairman today said that Members would expect to be here on Saturday if those four bills are not done prior to Saturday. Is that the leader's view as well?

Mr. HOYER. What the chairman and I have discussed is that we are going to

complete these four bills next week. As the gentleman knows, as a result of the supplemental taking up a substantial amount of time of the committee and of the committee's chairman and the committee staff, we are behind in our schedule. It is our intention, as the gentleman knows from my previous statements privately and publicly to him and in the colloquy, that we will complete 11 of the 12 appropriation bills prior to June 29 when we are scheduled to take the July 4 work period break. The Defense bill has been decided to be done mid-July. Other than that, these bills will be done.

In order to accomplish that objective, our schedule will be directed not so much at time as work. And we will complete the work. So I say to my friend, Saturday is a possibility. The chairman has said Saturday is a possibility. I am hopeful that will not be necessary. I am hopeful that the subcommittee chairs and the ranking members will be able to work together, as was done last year in terms of schedule and time, so that we can complete our work by Friday at a relatively early hour. I am hopeful we can do that.

Mr. BLUNT. Is it the gentleman's view, I guess I am repeating what you are saying, I want to be sure I have this right, that you still intend to have 11 bills done by 3 weeks from tomorrow?

Mr. HOYER. Yes, sir.

Mr. BLUNT. June 29. And however many days it takes to get that done, that is your intention?

Mr. HOYER. That obviously is an average of a little less than four bills per week the 3 weeks that are available to us. We have four bills scheduled next week. We will not have the Defense bill scheduled. Labor and Health may be the biggest bill thereafter that we will consider prior to June 30.

Mr. BLUNT. I thank my friend for that. The calendar is one thing. I hope that the calendar doesn't suggest that we are rushing through these bills in any way. Of course, for the time I have been in the House, and I believe the time my good friend from Maryland has been in the House, the appropriations bills have come to the floor under an open rule. The general exception for that has been, again, under both sides of the leadership, the Legislative Branch bill, which, for its own reasons, often has a structured rule.

Does the gentleman anticipate that we will still have the open rules that have been the tradition of the House on these bills?

Mr. HOYER. I do anticipate that, and I would look forward to having discussions with the gentleman at the end of next week, Thursday or Friday. Hopefully that is feasible. We hope it will be feasible.

As you know, last year, as I reiterated, there were time agreements between the chairman and the ranking member that allowed us to effect reasonably efficient consideration under the open rules that were then in place.
