

his community and I congratulate him on the milestone of his 90th birthday.

HONORING THE 75TH ANNIVERSARY OF LOCAL 318 OF THE INTERNATIONAL UNION OF OPERATING ENGINEERS

**HON. JERRY F. COSTELLO**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mr. COSTELLO. Madam Speaker, I rise today to ask my colleagues to join me in honoring the 75th anniversary of Local 318 of the International Union of Operating Engineers, headquartered in Marion, IL.

1932, our Nation was mired in the depths of the Great Depression. Prices were low. The average new car cost \$610 and you could fill up the tank for 10 cents a gallon. However, few could afford the car or the gas as employment was over 23 percent nationally with over 13 million Americans having lost their jobs since the beginning of the Depression in 1929. It was in this time of economic distress that Local 318 was founded in Harrisburg, IL.

Local 318 covers 14 counties in the southernmost area of Illinois and is comprised of 900 skilled operators. Their commitment to providing the highest quality of labor to their hundreds of signatory contractors extends to a strong training program, both at the apprentice level and upgrades for Journeymen as well.

The members of Local 318 are also contributing members of their respective communities and, through their local, they support a number of area charities and provide a scholarship fund to support their dependents who attend college.

With union membership struggling in many areas of the country, Local 318 boasts a 98 percent union membership for their covered trades. This speaks well of the benefits that the members realize through their union membership and also the increased productivity for the contractors who use the skilled workers of Local 318.

In 1996 Local 318 moved its headquarters to Marion, IL. They continue to provide quality representation for their members and, through their training and community involvement, they are a positive example of organized labor in southern Illinois.

Madam Speaker, I ask my colleagues to join me in congratulating the leadership and members of Local 318 of the International Union of Operating Engineers as they celebrate their 75th anniversary.

TRIBUTE TO ELEANOR MCGOVERN

**HON. STEPHANIE HERSETH SANDLIN**

OF SOUTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Ms. HERSETH SANDLIN. Madam Speaker, I rise today to introduce legislation honoring the life of Eleanor McGovern by officially designating the post office in her home town of Woonsocket, South Dakota, as the Eleanor McGovern Post Office.

The wife of Presidential nominee and United States Senator George McGovern, Eleanor

made headlines of her own while campaigning solo across the country for her husband. Eleanor engaged crowds on the campaign trail with her eloquence and frequently participated in network television and radio discussions concerning national and international policy. Her high profile helped transform public perception of the role and value of women in politics.

Aside from politics, Eleanor worked as a tireless advocate for children and families. She served on the boards of directors for Dakota Wesleyan University, the Psychiatric Institute Foundation, the Child Study Association, the Erickson Institute of Chicago and Odyssey House of New York. She founded the Martha Movement and was a development officer for the Child Development Associates Consortium. Eleanor and her family also established the McGovern Family Foundation in Washington, DC, to raise funds for alcoholism research.

Madam Speaker, I urge all Members to support the passage of this legislation that honors the life of Eleanor McGovern.

IN RECOGNITION OF RABBI  
JEROME DAVIDSON

**HON. GARY L. ACKERMAN**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mr. ACKERMAN. Madam Speaker, I rise today in recognition of the retirement of Rabbi Jerome Davidson after nearly 50 years of dedicated service to the community of Great Neck, New York.

Rabbi Jerome Davidson is no ordinary rabbi. He has successfully fused his life as a religious leader and a Jewish mentor together with his commitment to a life of civic engagement and Tikkun Olam, or repairing the world. Throughout his years of service, Rabbi Davidson has effectively transcended the walls of Temple Beth-El of Great Neck in Nassau County, New York, establishing himself as an inspirational leader for both his congregation and community.

Jerome Davidson joined Temple Beth-El, a member congregation of the Union for Reform Judaism, as an assistant rabbi in 1958, and became its senior rabbi in 1971. Rabbi Davidson soon impressed the congregation with his dynamic sermons, driven enthusiasm and compelling sense of humor. Rabbi Davidson's brilliance and erudition were key in shaping the congregation's future. The educational opportunities presented by the Temple's comprehensive library and historical museum were central to Rabbi Davidson's success in teaching his congregants. Under his devoted tutelage, Temple Beth-El grew to become a thriving beacon of Jewish life in Great Neck; an arena of countless Bnai Mitzvah, weddings, other life-cycle events and social affairs.

Rabbi Davidson also laid the foundations of a successful Religious School and Early Childhood Education Center that addressed the needs of the diversified and growing congregation. Rabbi Davidson's exceptional creativity and boundless imagination confirmed Temple Beth-El, with its impressive membership of over 1200 families, as one of the most innovative and energetic Reform congregations in America. His uncoupled wisdom and

unbridled inspiration served as a source of strength and encouragement in the aftermath of a devastating fire that struck the Temple in 1991.

Rabbi Davidson's steady rise to Jewish national iconography is no surprise considering the unique leadership qualities he demonstrated in serving Temple Beth-El. Rabbi Davidson's service as President of the Synagogue Council of America, as well as past president of the Rabbinic Alumni Association of Hebrew Union College—Jewish Institute of Religion only cemented Rabbi Davidson as a true Jewish leader.

Madam Speaker, Rabbi Davidson's commitment to Reform Judaism informed and complemented his involvement in pluralism and social justice. Rabbi Davidson's multiple terms as President of the Great Neck Clergy Association, and his groundbreaking efforts in developing interfaith dialogue, have served to better the lives of those around him, successfully realizing his lofty goals of building a community of tolerance and understanding. Rabbi Davidson's exemplary interfaith achievements, coupled with his involvement as a founding member of the American Jewish World Service, led the New York Board of Rabbis to honor him "Rabbi of the Year" in 1994.

More recently, Rabbi Davidson has been a trailblazer in formally welcoming the gay and lesbian community into Jewish life. He has likewise advocated for religious pluralism in Israel. Today, Rabbi Davidson continues to serve on the faculty of the Hebrew Union College—Jewish Institute of Religion and as a member of its Board of Governors. Rabbi Davidson also serves on the Advisory Board of the Tanenbaum Center for Interreligious Understanding, and is deeply involved in a plethora of other local and national Jewish organizations. Rabbi Davidson's adept ability for translating his values into action by positively affecting the world around him is truly an inspiration to all of those whose lives he has touched.

Madam Speaker, the accolades bestowed upon Jerome Davidson for his almost 50 years of outstanding service to the Long Island community are well deserved. I ask all of my colleagues to join me in honoring Rabbi Jerome Davidson for his outstanding work and wishing him many more years of success as he becomes Rabbi Emeritus of Temple Beth-El of Great Neck, New York.

TRIBUTE TO 1ST LT. KEITH  
HEIDTMAN

**HON. JOE COURTNEY**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mr. COURTNEY. Madam Speaker, today I rise in tribute to an American patriot and fallen Connecticut son. A native of Norwich, 1st Lt. Keith Heidtman was killed in Iraq on Memorial Day, May 28, 2007 while piloting a helicopter north of Baghdad.

I spent Memorial Day in Iraq with the troops and witnessed firsthand the dangers they face every minute. To later learn that the day of my visit would also be the same as Keith's passing was particularly painful.

Keith was a 2001 graduate of Norwich Free Academy where he was an all-conference

baseball player, talented basketball player, and honor student. He then attended the University of Connecticut where he participated in ROTC, graduating cum laude in 2005 with a bachelor's degree in resource economics.

After graduation, Keith joined the army. At the top of his class, he chose to attend the United States Army Aviation Warfighting Center where he became a helicopter pilot. He was deployed to Iraq in December as part of Task Force Lightning.

Keith Heidtman represents the promise of America. A talented and dedicated young man, he laid down his life to serve his country. While his smile may no longer brighten the lives of those around him, the memory of his life shall always endure. Young men and women are serving our Nation with honor and distinction every day. They are on the frontlines, defending those in need of help. There is no job nobler. Keith understood this great responsibility and volunteered for service to protect his country and its citizens, strangers and family members alike.

At his funeral, I was moved by the incredible outpouring of support demonstrated by his friends and community. Hundreds of people came to pay their respects and salute this American hero.

I recently had the chance to meet Keith's mother and stepfather, Maureen and Arthur, at their home in Norwich. After meeting them it was clear to me where Keith developed his penchant for service—his mother. As an employee for the Connecticut Department of Children and Families, Maureen has dedicated her life to helping those in need. Keith carried on her legacy in the U.S. Army where he bravely served his country and made the ultimate sacrifice.

Madam Speaker, please join me in honoring 1st Lt. Keith Heidtman and his service to our great Nation. Keith and his sacrifice will forever be remembered by me, a mourning Connecticut, a grateful Nation, and family members who will never forget.

HONORING DR. MANUEL LOPEZ'S  
80TH BIRTHDAY

**HON. LOIS CAPPS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mrs. CAPPS. Madam Speaker, today I rise to pay tribute to Dr. Manuel (Manny) Lopez as he celebrates his 80th birthday. Dr. Lopez has served the Oxnard community as a doctor, an activist, a community volunteer and as an elected official. I am pleased to recognize Dr. Lopez on this special day.

Born in Oxnard in 1927, Dr. Lopez attended local schools through high school, attended Ventura Community College and went on to attend UC Berkeley for his undergraduate education and as a student of optometry. He returned to his community and has practiced Optometry in Oxnard since 1962.

Before serving on the Oxnard City Council for 12 years and then serving as mayor for 14 years, Dr. Lopez was involved with the Oxnard Planning Commission, the Housing Authority, the Redevelopment Agency, the Community Relations Commission and the Economic Development Commission. While serving as a Member of the Council and as mayor, Dr.

Lopez represented the city on a number of local and regional committees dealing with such issues as transportation planning, wastewater treatment, local airport policy and agricultural land preservation. He has also participated in many community groups such as the Oxnard Chamber of Commerce, the Hispanic Chamber of Commerce, the Oxnard Optimist Club, the Oxnard Boys and Girls Club and many others.

As a result of his dedication to his community, Dr. Lopez was chosen as the 1991 Oxnard Distinguished Citizen of the Year and, in 1992, he received the Patrick Henry Award. In 2006 Dr. Lopez was the Grand Marshal of the Oxnard Christmas Parade. It is my honor, Madam Speaker, to recognize and commend Dr. Manuel Lopez for his ongoing service to his community on this joyous occasion of his 80th Birthday.

IN CELEBRATION OF NATIONAL  
MINORITY CANCER AWARENESS  
WEEK

**HON. CHARLES B. RANGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mr. RANGEL. Madam Speaker, I rise today to recognize National Minority Cancer Awareness Week. This week of awareness gave us the opportunity to highlight the issues and concerns that minority cancer patients and their families face on a daily basis. It is important that we acknowledge the challenges present for minorities who suffer with cancer so that we can take the necessary steps to alleviate these barriers.

Cancer patients endure chemotherapy, radiation therapy, surgical operations and other forms of medical treatment to fight the numerous types of cancer. The medical community continues to conduct research to find cures for cancer and develop more effective ways to treat individuals struggling with the disease. Unfortunately these medical advances are out of reach for many minorities dealing with cancer. The American Cancer Society has documented that the advances in cancer prevention, early detection, and treatment has evaded minority groups:

Minority populations often face numerous obstacles receiving equal access to prevention, early detection, and quality treatment and tend to receive lower quality health care than white patients even when insurance status, income, age, and severity of conditions are comparable.

Racial and ethnic minorities may lack health insurance, earn lower incomes, and experience language barriers, racial bias, and stereotyping which can affect interactions between patients and physicians and contribute to miscommunication or delivery of substandard care.

Eighteen percent of African Americans and 35 percent of Hispanic/Latinos are uninsured, while only 12 percent of whites lack health insurance.

I applaud the American Cancer Society and the American Cancer Society Cancer Action Network for bringing national awareness to the issues faced by minority cancer patients and for their efforts in celebrating National Minority Cancer Awareness Week.

IN RECOGNITION OF SERGEANT  
BRANDON HADAWAY

**HON. MIKE ROGERS**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mr. ROGERS of Alabama. Madam Speaker, Sergeant Brandon Hadaway, 25, of Valley, Alabama, died on May 30, 2007, in Afghanistan. Sergeant Hadaway was assigned to the 3rd Battalion, 82nd General Support Aviation Brigade, 82nd Airborne Division stationed in Fort Bragg, North Carolina.

Sergeant Hadaway was serving on his third tour when his helicopter took fire from enemy combatants. He was a proud graduate of Valley High School and will be dearly missed in his community. As a testament to his sacrifice, the City of Valley has already declared a flag day in his honor.

Words cannot express the sense of sadness we have for his family, and for the gratitude our country feels for his service. Sgt. Hadaway, like other brave men and women who have served in uniform, died serving not just the United States, but the entire cause of liberty. Indeed, like those who have served before him, he was a true American.

We will forever hold him closely in our hearts, and remember his sacrifice and that of his family as a remembrance of his bravery and willingness to serve our nation. Thank you, Madam Speaker, for the House's remembrance at this mournful occasion.

FREEDOM FOR ANTONIO RAMÓN  
DÍAZ SÁNCHEZ

**HON. LINCOLN DIAZ-BALART**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 11, 2007*

Mr. LINCOLN DIAZ-BALART of Florida. Madam Speaker, I rise today to speak about Antonio Ramón Díaz Sánchez, a prisoner of conscience in totalitarian Cuba.

Mr. Díaz Sánchez, an electrician by profession, is a member of the Christian Liberation Movement and a peaceful pro-democracy activist who desires to exercise his basic human rights and who supports freedom, democracy and the Rule of Law for the people of Cuba. Unfortunately, the nightmare that is the totalitarian regime continues to oppress the men and women of Cuba, especially those who work to shed light on the vicious crimes committed against the Cuban people by the tyrant.

In March 2003, as part of the tyrant's condemnable crackdown on peaceful, pro-democracy activists, Mr. Díaz Sánchez was arrested simply for expressing his opinions. Mr. Díaz Sánchez was subjected to a sham trial where he was "sentenced" to 20 years of confinement in the infernal totalitarian dungeons of the brutal regime.

Mr. Díaz Sánchez has continued to advocate for freedom and justice while locked in the hellish squalor of the dictatorship's gulag. He has participated in various hunger strikes to draw attention to the horrific conditions that political prisoners are subjected to in the gulag. He is routinely denied medical treatment although he currently suffers from painful colitis and has been denied a biopsy for a rapidly growing tumor on his prostrate.
