

But God directed him to the Christian ministry, and God has done great and wondrous things through his servant Clarence Sexton.

Temple Baptist Church is now one of the greatest churches in this Nation, But I am even more impressed by the work of Crown College, of which Dr. Sexton is Founder and President, and its many outstanding students and graduates.

I am fortunate that I can call Pastor Clarence Sexton my friend, as he also is to so many others. I want to congratulate him on his 40 years in the ministry, and I know he will continue to do great things in the years ahead.

This Nation needs more men like Reverend Clarence Sexton, of the great Temple Baptist Church in Powell, Tennessee.

IN HONOR OF ROBERT C. HOLTON,  
SR.

**HON. SANFORD D. BISHOP, JR.**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. BISHOP of Georgia. Madam Speaker, I rise today to honor Robert C. Holton, Sr., of Grady County, Georgia, whose achievements merit our recognition. He is recognized for his 53 years of service to his family, church, and his community.

The residents of Grady County, Georgia, should be proud to have called Holton a neighbor and a friend. Robert C. Holton, Sr., was born on April 30, 1943, to Mrs. Goodie Bell Williams Holton and the late Mr. Henry Holton, Sr. In following the tradition of his parents, Holton tirelessly served God through Jerusalem P.B. Church, which later became Mt. Zion P.B. Holton. For 53 years, Holton served as a deacon and trustee. After graduation, Holton attended Monroe Area Vocational Technical School in Albany, Georgia, where he received a certificate in general auto mechanics.

Far too many stories are told about the elite and their charity; however, today I would like to recognize the story of an ordinary man who gave extraordinarily of himself. It was in Grady County, Georgia, where Holton began his unprecedented commitment to his immediate community. As the founder of Vision & Wisdom and Family Homes Building, Inc., Holton provided affordable housing to needy families. However, this was not enough for Holton, Sr., as he committed 22 years to the chairmanship of the Francis Western YMCA. Also, Holton served in the Thomasville/Thomas County Chamber of Commerce for over 20 years.

Unfortunately, Holton's tragic death came as a shock; he died during an automobile accident on his usual weekend trip. So on this 26th of July, I commend Robert C. Holton, Sr. for his tangible commitments to the State of Georgia. May his work ethic and commitment continue to define our State.

IN RECOGNITION OF PFC JAMES J.  
HARRELSON

**HON. MIKE ROGERS**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. ROGERS of Alabama. Madam Speaker, Private First Class James J. Harrelson, age

19, a native of Dadeville, Alabama, was killed on July 17, 2007, in Baghdad. PFC Harrelson was assigned to B Company, 2nd Battalion, 16th Infantry Regiment, 1st Infantry Division based in Fort Riley, Kansas.

PFC Harrelson was a graduate of Dadeville High School, where he was a member of the student council and a talented athlete. He had been serving in Iraq since May of this year.

Words cannot express the sense of sadness we have for his family, and for the gratitude our country feels for his service. Pvt. Harrelson, like other brave men and women who have served in uniform, died serving not just the United States, but the entire cause of liberty. Indeed, like those who have served before him, he was a true American.

We will forever hold him closely in our hearts, and remember his sacrifice and that of his family as a remembrance of his bravery and willingness to serve our nation. Thank you, for the House's remembrance at this mournful occasion.

RECOGNIZING THE HONORABLE  
R.L. LEWIS

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. MILLER of Florida. Madam Speaker, it is an honor for me to rise today to recognize Mr. R.L. Lewis for 23 years of dedicated public

service. Mr. Lewis, a member of the Milton City Council, is a highly-regarded figure whose contributions to the advancement of the city of Milton are immeasurable.

A native of northwest Florida, R.L. is the son of R.V. and Louise Lewis. After graduating from T.R. Jackson High School in 1957, R.L. attended Pensacola Junior College and later went on to serve in the United States Army for 2 years. When R.L. returned to Milton, he began his career with a local division of Monsanto Company, a multinational agricultural biotechnology corporation, from which he retired in 1995.

In addition to being the first African American to serve on the Florida Highway Patrol Auxiliary in northwest Florida in 1972, R.L. was also the first to serve on the Milton City Council. He was first elected in 1984 and has been reelected in every subsequent election.

As city councilman, R.L. currently serves as the chairman of the Public Works Committee and a member of both the Parks and Recreation Committee and the Insurance Committee. For the past 40 years, he has been employed as a funeral advisor with Lewis Funeral Home. He also serves as chairman of the deacon board at Mt. Zion Primitive Baptist Church and chairman of Milton-Keyser Cemetery Committee.

Through his leadership and dedication, R.L. has honorably and spiritually served the northwest Florida community. He is a longtime member of the NAACP and former member of numerous other church and civic organizations. These include: West Florida Planning Board, Islam Shrine Temple No. 182, Florida League of Cities Nominating Committee, and Review Board for Law Enforcement.

Despite all of his professional success, R.L. would be the first to say he would not have accomplished so much without the support of his loving wife, Paulette Larkins Lewis.

Madam Speaker, I would like to offer my sincere congratulations to a man who has served as a role model to us all, a true servant to the Milton community. I am thankful for his exemplary service and leadership in northwest Florida and recognize him for 23 years of dedicated public service on the Milton City Council.

RECOGNIZING THE THIRD ANNI-  
VERSARY OF HOUSE CONCUR-  
RENT RESOLUTION 467 DECLAR-  
ING GENOCIDE IN THE DARFUR  
REGION OF SUDAN

**HON. TRENT FRANKS**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. FRANKS of Arizona. Madam Speaker, three years after the U.S. Congress passed a resolution officially recognizing the genocide in Darfur, the crisis continues today unabated. We continue to hear credible reports of armed attacks on aid workers, food convoys, and civilians by the government-supported Janjaweed militia. While assistance from UN troops is critical given the limited African Union resources, President Bashir has prevented such assistance from taking place. Madam Speaker, with 2.5 million people murdered in Southern Sudan, 450,000 killed in the Darfur region, 35,000 women and children

enslaved, more than 270,000 refugees, and four million people internally displaced as a result of the policy of genocide, the regime of President Bashir must be held accountable.

As we commemorate the third anniversary of this resolution, let us not forget that this crisis is only part of a larger policy of the government led by Omar al Bashir that has been ongoing for over twenty years. This policy of arabization and islamization began with the Bashir government's war against the people of the South, which spread into Darfur, and is now moving into the Nuba Mountains.

Madam Speaker, the Bashir government has shown blatant disregard for implementing the Comprehensive Peace Agreement (CPA) which ended their civil war against the South, providing only more evidence that they do not take peace seriously and cannot be negotiated with. If the CPA fails, I have no doubt that the Bashir government will not only completely wipe out the people of Darfur, but every other part of Sudan that does not fit into their racist and inhuman agenda for the country. Madam Speaker, this corrupt and merciless regime has absolutely no regard for the intrinsic value of innocent human life, and it must be held to account if there is to be any hope for lasting peace in Sudan.

Madam Speaker, the U.S. Government has taken the leading role in resolving the conflict in Sudan, from negotiating the end of the civil war to providing more humanitarian aid than any other country, and calling the international community to seriously address the genocide in Darfur. However, without support from China which now has significant oil interests in Sudan, and from other UN and Arab League member states that refuse to hold Bashir responsible for his policies of genocide, the crisis cannot be resolved.

Today, Madam Speaker, as we once again commemorate the resolution declaring the horrific atrocities continuing to occur in Sudan, may we resolve to do everything in our ability to hasten the day when the sunlight of freedom shines on every one of those precious human souls.

P.T. WRIGHT AND US-VISIT

**HON. MICHAEL T. McCAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. McCAUL of Texas. Madam Speaker, I rise today to recognize an extraordinary leader, public servant and person, Mr. Phlemon Thomas Wright, known to his friends as "P.T." After 34 years of outstanding service to the American people, P.T., currently the acting deputy director of the Department of Homeland Security's (DHS) US-VISIT program, is retiring from the Federal Government.

P.T.'s retirement is a great loss to DHS. At the same time, his many years of dedicated service are a true testament to his commitment to protecting our country.

His most recent work with the US-VISIT program has made this initiative one of the great successes in our efforts to strengthen American homeland security. It is now the world's most innovative and integrated biometrics-based program. This is in no small part due to leaders like Mr. Wright. Through his oversight and management of day-to-day

operations, the program remained focused on accomplishing its overall mission objectives and successfully deployed biometric screening capabilities to all U.S. air, sea and land border ports of entry.

US-VISIT's operational success has depended in large part on the program's ability to educate international travelers. When the program began, there was great concern about the potential effects that this biometric screening would have on the flow of travel into our country. Now, because of the program's success and the outreach of leaders like P.T., many who were early critics are now ardent supporters of the program.

Mr. Wright understood that active engagement with border stakeholders was critical in creating a foundation of trust and familiarity upon which to build positive long-term relationships. He tirelessly traveled Southwest border communities, including many in the Lone Star State, to inform and educate border constituents as US-VISIT expanded to cover a wide array of border management developments and initiatives. P.T.'s in-depth knowledge of the land border environment made him a credible voice. His candor and conviction won him respect with border community leaders. And most importantly, P.T. gave border communities a voice in Washington as US-VISIT rolled out.

In addition to his outreach efforts along our borders, P.T. has traveled across the world to demonstrate the advantages of biometrics as a powerful tool to improve the integrity of our immigration and border management system, to make us safer, and to facilitate legitimate travel and trade. Thanks to leaders like P.T., US-VISIT is on a path to continue to be a world leader in the innovative use of biometrics for identity management, transforming the world into a place in which legitimate international travel is convenient, predictable and secure, and frankly difficult, unpredictable and intimidating for those traveling for the wrong reasons.

P.T. Wright began his career with the former U.S. Customs Service in 1973, and he has served with distinction in a number of key positions at the Departments of the Treasury and Homeland Security. In his management roles with U.S. Customs and Border Protection in Dallas/Fort Worth, Texas; El Paso, Texas; Nogales, Arizona; and Washington, DC, P.T. was intricately involved in the development of customs policies for cargo examination and processing, drug interdiction and traveler processing.

It is fitting that P.T.'s accomplishments and leadership were recognized last year with the prestigious Presidential Rank Award for Meritorious Executive for his extraordinary contributions to our Nation's welfare and security during his extensive U.S. border management career.

Mr. Wright has done more than manage government operations successfully; he has become beloved by his colleagues within US-VISIT and throughout the Federal Government. His sincerity, infectious sense of humor, and leadership will be missed. He leaves some big, Texas-sized shoes behind to be filled. I commend P.T. for his commitment to excellence and his dedication to our country, and wish him the best in his future endeavors.

INTRODUCTION OF H.R. 3188

**HON. JERRY WELLER**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. WELLER of Illinois. Madam Speaker, I rise today to introduce legislation that will correct an inequity in our welfare system. Under the current system, married couples enrolled in the Temporary Assistance for Needy Families program face a penalty simply because they are married. My legislation, the TANF Marriage Penalty Elimination Act, would require that all families are treated equally.

Madam Speaker, while the welfare reforms enacted in 1996 were by and large a tremendous success, they included an unintended consequence that my legislation seeks to correct.

Under current law, States receive block grant funding to help low-income parents train for and find jobs. The States are required to engage 50 percent of single-parent families, but 90 percent of two-parent families.

This law unintentionally discourages our society's most basic institution of marriage. My legislation would require that States engage 50 percent of all families on welfare in work preparation programs, eliminating the two-parent work rate that today constitutes a marriage penalty.

My legislation follows previous bi-partisan efforts to eliminate the separate and higher two-parent work rate for welfare. In each welfare reform reauthorization bill passed by this House in recent years, language eliminating this marriage penalty was included. Democratic versions of this legislation included the same provision. But for technical reasons, this provision was not included in the welfare reform reauthorization legislation that the President signed into law in 2006 as part of the Deficit Reduction Act. The National Governors' Association and the Administration have expressed support for ending the higher two-parent work rate, as this bill would do.

I urge my colleagues to support this legislation which would allow all States to provide more consistent and effective services to all families on welfare without the unintended penalties imposed on married couples.

PROCLAMATION HONORING THE  
100TH ANNIVERSARY OF THE NATIONAL  
GEOSPATIAL-INTELLIGENCE AGENCY'S BROADCAST  
WARNING DESK

**HON. CHRIS VAN HOLLEN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2007*

Mr. VAN HOLLEN. Madam Speaker, August 19, 2007, will mark 100 years since the U.S. Navy Hydrographic Office issued its first broadcast of a navigational warning. This event began its mission of broadcasting information concerning hazards to navigation to ships at sea during an age when limited communication methods and the lack of an international system made receiving this information difficult. In recognition of this 100th anniversary of broadcasting safety of navigation information, we honor all who have contributed to broadcasting maritime safety information.
