TRIBUTE TO THE 100TH
ANNIVERSARY OF HENES PARK

HON. BART STUPAK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 6, 2007

Mr. STUPAK. Madam Speaker, I rise today to commemorate the 100-year anniversary of the dedication of an important landmark in my hometown of Menominee, Michigan. Henes Park serves today as an important place of respite for the citizens of Menominee and an anchor of the community where local residents can enjoy the outdoors.

In 1906, local Menominee businessman John Henes paid \$1,000 for a 43-acre wooded peninsula called Poplar Point at the north end of the city's bay shore. Mr. Henes, a German immigrant and local entrepreneur, kept his plans for a public park secret for another year until he officially offered the area to the city council for use as a park and beach.

During the early 20th century, most of Menominee's shoreline was occupied by docks, lumber piles, warehouses and homes. As such, local Menominee officials were enthused by the idea of a park along the shore.

Landscape architect Ossian Cole Simonds of Chicago was hired by the newly appointed park commission to design the park. At the time, Simonds was considered a pioneer of "natural landscaping" and his design of the park employed viewpoints, paths, and buildings to frame and highlight the natural environment. There are many walkways throughout the park, some still in use and others now overgrown. The original park design placed great emphasis on providing nature trails. Simonds' design laid out eight nature trails that were named after great names from literature like Longfellow, Byron, Shakespeare and Homer. Those eight trails still exist today.

During the summer of 1907, construction on the park began as workers started building roads and cleared rocks from the beach to provide a picnic site. One of the unique elements of the park's original design was a "bog park," a piece of low ground that was selected to hold a variety of water flowers.

After a busy summer of work on the park, formal dedication ceremonies were conducted in October of 2007. The Mayor of Menominee, Charles Spies, in accepting the park for the community, commented on how local entrepreneurs contributed to the park's construction, saying, "It is very gratifying to have among us men, who by beneficent and material acts, show that the welfare, a prosperity and beautifying of our city is one of their chief desires and in which they find their great pleasure and satisfaction."

U.S. Senator William Alden Smith of Michigan was the featured speaker at the event. He described the space as, "A park that will for-

ever be the property of every man, every woman and principally every child in this city and one where beauty, recreation and rest will be synonymous. . . ."

The Menominee community immediately embraced Henes Park, extending the city's local street car line to the park. Family outings at Henes Park became commonplace among residents of Menominee. Local organizations used the park to hold various special events. Residents of Marinette, Wisconsin, Menominee's sister-city just across the river, also took advantage of Henes Park.

The community's appreciation and love of Henes Park only grew stronger through the years. In 1932, 9 years after Mr. Henes' passing, a monument was dedicated at the park commemorating the 25th anniversary of Mr. Henes donating the park to the city.

Today's Henes Park offers a swimming beach with lifeguards, a playground, picnic spots, and fine views across the bay to Door County. Behind one of the park's pavilions is a pond with lily pads, fish, and frogs. While the park has evolved since its design 100 years ago, the overall aesthetics of the original plan remain, allowing citizens to enjoy the outdoors and local environment without disturbing the natural layout of the area.

Madam Speaker, as a resident of Menominee, I am personally very fond of Henes Park. My wife, Laurie, and I regularly take long walks there and the park is home to some of our fondest memories.

Henes Park provides an anchor for the local community, a place for children and young people to play and an opportunity for local citizens of all ages to convene with nature. Perhaps most importantly, 100 years since its founding, the park remains as Senator Smith described it, the property of every man, woman and child of Menominee and a place where beauty, rest and recreation meet.

On Sunday, September 9, 2007, the citizens of Menominee will come together to show their appreciation for Henes Park and to pay tribute to John Henes for his contribution 100 years ago. On this tremendous occasion, I would ask that you, Madam Speaker, and the entire U.S. House of Representatives join me in honoring this park and all those who helped to design it, build it and maintain it for future generations.

TRIBUTE TO THE GLADSTONE
MAJOR GIRLS ALL-STARS SOFT-
BALL TEAM

HON. BART STUPAK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 6, 2007

Mr. STUPAK. Madam Speaker, I rise to honor a group of young women from my district. The Gladstone Major Girls All-Stars softball team placed third in this year's Little League World Series and, in doing so, brought great pride to Gladstone and to all of Michigan's Upper Peninsula, U.P.

The Gladstone Major Girls softball team went undefeated in the 2007 regular season, before battling their way to be Michigan state champions. After winning the Michigan State championship, the team won the Central League Championship by defeating Poland, Ohio during the Central Regional Championship.

The Gladstone team's demeanor following its win against Poland's team demonstrated the Gladstone girls' dignity and sportsmanship. After winning the game, the Gladstone team began to take a victory lap around the outfield. As they approached the right field, where the Ohio team was gathered with their coaches, the Gladstone team pulled their seated opponents to their feet to participate in their victory lap. While the young women from Gladstone were excited to celebrate their victory, they also made a point of ensuring that their opponents could join in the celebratory run around the outfield.

After clinching their victory in Ohio, the Gladstone Major girls drove from Michigan to St. Louis, where they boarded a plane to fly to Portland, OR. In Portland, they represented the Central Region in the Little League World Series of Softball at Alpenrose Stadium.

The team enjoyed a bye in their first round of the World Series, and for their second game took on the team from Ramstein U.S. Air Force Base in Germany. The Gladstone team continued to exhibit the skill and determination they showed throughout the regular season, winning the game 15–0.

While Gladstone continued to play valiantly, they would lose 2–0 to their next opponent,
