

Father, we acknowledge that all blessings come from You. I ask that You give the men and women who serve this great Nation from these desks wisdom, courage, and discernment to make decisions that are honoring to You and right for this country.

Presently, there are soldiers, sailors, airmen and marines deployed around the world in harm's way. Father, I pray that You will keep them safe, give them purpose, guard their hearts from loneliness and despair, and bring them home soon. For their families, I pray that You will comfort them and meet all of their needs. For those who have given their lives in defense of freedom, words cannot express our sorrow and our gratitude. May our actions honor their sacrifice, and may Your peace comfort their families.

Father, for this great Nation, I pray that it will continue, under Your blessing, to stand as a beacon for goodness and a bastion of freedom. May we understand the message of Your scripture: "To whom much has been given, much will be expected."

In Your precious name I pray. Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentlewoman from California (Ms. SOLIS) come forward and lead the House in the Pledge of Allegiance.

Ms. SOLIS led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

GREEN JOBS AND ECONOMIC GROWTH

(Ms. SOLIS asked and was given permission to address the House for 1 minute.)

Ms. SOLIS. Mr. Speaker, it's no surprise that our Nation's economy is struggling. The cities in the 32nd Congressional District that I represent have seen unemployment rates soar to 7.2 percent. Gasoline prices continue to go up above \$3.

In Los Angeles, a family loses a home to foreclosure every hour.

However, the renewable energy and energy efficiency sectors seem to be booming.

In 2006, the renewable energy and energy efficiency sectors generated 8.5 million jobs, nearly \$1 trillion in revenue for the United States. These jobs are good-paying jobs, and they will not be outsourced.

The Green Collar Job Act that was signed into law recently will help train

3 million new workers. Through the program, workers included will be those in underserved communities like mine.

In this time of economic turmoil, we need to invest in America and in our workforce. Let's make sure that Congress appropriates the accorded amount of money so that we can create this stream of jobs that will stay here on our shores.

CONGRATULATIONS TO PRESIDENT BORIS TADIC

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, congratulations to President Boris Tadic and the people of Serbia on his re-election as President of the Republic of Serbia.

President Boris Tadic has been a strong and vibrant leader for the people of Serbia. He has led his people in their bid to become a member of the European Union because he understands that inclusion in the EU would be a strong step toward growing the Serbian economy and advancing the cause of peace and freedom in the region. The Serbian people have an extraordinary history and culture, and I am hopeful the principles of freedom and democracy embodied by the leadership of President Tadic will continue to thrive.

As a proud member of the Serbian Caucus, I look forward to working with my colleagues and our diplomatic partners in Serbia to forge a growing partnership between our two nations. Congratulations to President Tadic and the people of Serbia for building a robust free market democracy which is crucial for our Balkan nations.

In conclusion, God bless our troops, and we will never forget September the 11th.

My deepest sympathies to Annette Lantos, the Lantos family, staff and constituents on the death of Chairman TOM LANTOS. He lived to see Hungary, his birthplace, become a thriving free market democracy.
