*Friday, March 14, 2008*

Ms. BORDALLO. Madam Speaker, I rise today to recognize and congratulate Mr. Benson Au-Yeung on being named the U.S. Small Business Administration's 2008 Minority Small Business Champion of the Year for Guam.

Benson grew up on Guam and has contributed to our community throughout his life. He was born in Kowloon, Hong Kong where he studied the English language for 13 years. In 1976, his family relocated to Guam. He attended Cathedral Grade School, Bishop Baumgartner Junior High School, and graduated with honors from Father Duenas Memorial School. He then left for a short period to obtain a bachelor of science degree in computer science from the University of Hawaii at Manoa.

Benson returned to Guam in 1986 to devote his time to the family business, a successful local company geared toward the visitor industry. He combined their services with his experience in computer programming and started Soft Pacific, Inc which equips Guam and Saipan businesses with Japanese language computers.

In 1998, Benson expanded Soft Pacific, Inc. and acquired the 3M Graphics Division on Guam. Eventually this acquisition resulted in the development of Benz Sign Supplies, a successful sign supply company on Guam. Benz Sign Supplies provides a variety of signage products to the local market and has widened its clientele to include the overseas market, including the U.S. mainland and Canada.

After 10 years, Benson's small business continues to provide important products and services to our community. DESIGNATING APRIL 2008 AS 'NATIONAL FACIAL PROTECTION MONTH'

**HON. CAROLYN MCCARTHY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, March 14, 2008*

Mrs. MCCARTHY of New York. Madam Speaker,

Whereas 5 million teeth are knocked out each year during sports activities;

Whereas an athlete participating in contact sports has a 10% chance of sustaining a significant oral-facial injury each season;

Whereas studies indicate that approximately one third of all dental injuries and approximately 19% of head and face injuries are sports-related;

Whereas an athlete is 60 times more likely to sustain damage to the teeth when not wearing a protective mouth guard;

Whereas emerging evidence supports that youth athletes wearing full facial protection during baseball, softball, hockey, and lacrosse can significantly reduce their risk of oral-facial trauma;

Whereas the Task Force on Community Preventive Services found that there is insufficient evidence—due to a lack of available research data—to support intervention programs to encourage the use of helmets, facemasks, and mouth guards to reduce oral-facial trauma in contact sports;

Whereas the Task Force on Community Preventive Services has recommended additional research on the effectiveness of intervention programs to encourage the use of helmets, facemasks, and mouth guards;

*Resolved*, That the House of Representatives—

(1) designates April 2008 as 'National Facial Protection Month';

(2) declares it is critical—

(a) to raise awareness about the importance of using proper dental and facial protection during sporting activities;

(b) to conduct additional research to study the effectiveness of intervention programs to encourage use of helmets, facemasks, and mouth guards;

(3) calls on sports health care professionals, parents, and coaches—

(a) to educate athletes about the importance of protective equipment and encourage the use of all protective devices to ensure the athlete's safety;

(b) to recommend using protective equipment that meets the National Operating Committee on Standards for Athletic Equipment (NOCSAE) and that the equipment is clearly identified as being in compliance;

(c) to observe National Facial Protection Month with appropriate ceremonies and activities.

TRIBUTE TO CHARLES C. LANHAM

**HON. SHELLEY MOORE CAPITO**

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, March 14, 2008*

Mrs. CAPITO. Madam Speaker, I rise to honor the career and accomplishments of Charles C. Lanham of Point Pleasant, West Virginia.

For the past 50 years, he has been a leader of various civic and professional organizations addressing the needs of his community and small town banks. A graduate of Marshall University and former member of the Army National Guard, Charles began his banking career in Ripley, WV and later took a job as Vice President of Citizens National Bank in nearby Point Pleasant in 1963. He spent the next 40 years as a leader in local community banks and recently retired from his current post as Director Emeritus of the Ohio Valley Banc Corps.

Despite his prominent banking career, he is revered most for his public service. He has successfully brought results through his leadership and involvement with countless community organizations that address the needs of Mason County. His greatest contribution; however, is his work to bring attention to improving Route 35.

Charles and two of his colleagues, David Hofsetter and Jack Fruth formed the Route 35 Committee to address the dangerous stretch of highway in Mason and Putnam Counties in 1996. For the next ten years, Charles spent countless hours traveling from his home in Point Pleasant to our state capitol and the halls of Congress to advocate funding for this project.

His hard work finally paid off in 2003 when funding was first appropriated to begin the upgrade. The link of highway he so tirelessly worked to improve was named in his honor as the Fruth-Lanham Highway. In 2005, Charles answered another call to public service when he was named Senator of 4th Senatorial District where he could work to further his mission for Route 35.

Charles represents the true calling of public service. It is an honor to work with such a distinguished citizen who has contributed so much to our great state. I'm proud to call Charles Lanham a friend and a fellow West Virginian. I wish him all best in his retirement.

Mr. LINCOLN DAVIS of Tennessee. Madam Speaker, this year, 25,000 individuals from the

automobile industry converged to honor the nominees for Time Magazine's "Dealer of the Year" Award. Today, I'm proud to congratulate Stan McNabb of Tullahoma, Tennessee, on his nomination for the 2008 Time Magazine Dealer of the Year. This prestigious honor is a tribute to his exceptional performance as an auto dealer and his steadfast commitment to community service, and I rise today to recognize Stan's dedication to his trade and to the people of Coffee County.

Robert Weaver, President of the Tennessee Automotive Association, nominated Stan to represent Tennessee as one of the 51 dealers who will compete as finalists for "Dealer of the Year," an award that required a demonstration of successful auto-dealing as well as an ongoing dedication to community service.

Stan, who earned his degree from Middle Tennessee State University, sold cars as a young man at a Chevrolet dealership and quickly discovered that his passion for automobiles could develop into a career. Stan bought his first dealership in 1980, and now owns three businesses in middle Tennessee. In addition, Stan has used his success in business to contribute to the State. As a board member of "Partners for Healing," an organization meant to provide help and support to the working uninsured in Coffee County, Tennessee, Stan exemplifies a charitable spirit that is a model for business owners across the State.

It is a privilege to congratulate Stan McNabb on his nomination for this award, and to recognize him for his success and service.
