

replace the current paper-based and error-prone I-9 process upon which E-Verify is based with an electronic verification system. H.R. 5515 would use the existing new hire registry reporting process already used by over 90 percent of U.S. employers. This bill will create a national employment verification system for new hires that's reliable and efficient.

With E-Verify scheduled to expire this year, now is the time for the Congress to create a new way to move forward that prevents unauthorized employment. I urge my colleagues to co-sponsor H.R. 5515.

HONORING THE UNIVERSITY OF MEMPHIS BASKETBALL TEAM

(Mr. COHEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COHEN. Mr. Speaker, as an alumnus of the University of Memphis Law School and the congressman from the University of Memphis district, I still grieve over the outcome of the game Monday night, but I want to congratulate the University of Kansas for winning the national basketball championship and thank the city of San Antonio for being such a wonderful host.

On behalf of the citizens of Memphis, I want the country to know we love our team. They brought our city together, which needed a unifying force. We are proud that our coach who made that team what it was has been named the National Coach of the Year by the Naismith Society.

Our players played valiantly. We came very, very close to a national championship. We won more games than any team in NCAA history. We will look back upon this year with fondness and appreciation and we will, like General MacArthur, return.

THE HUGO CHAVEZ RULE

(Mr. DREIER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DREIER. Mr. Speaker, it pains me greatly to stand here in the well and report to our colleagues that the Rules Committee late yesterday afternoon reported out what can only be described as the Hugo Chavez rule.

For the first time in the 34-year history of trade promotion authority, we have now decided that we are going to take the action of turning our backs on an agreement that we have made with our closest, most important and strongest ally on the continent of South America.

The Vice President of Colombia has described this action as a slap in the face. Hugo Chavez and the narcoterrorists in Colombia are celebrating this action. It is an absolute outrage that we would do this.

I have to say that this administration 4 years ago embarked on these ne-

gotiations, 2 years ago completed the negotiations, a year and a half ago signed the negotiations. Since August of last year, 265 meetings have been held with Democratic Members by members of the administration, cabinet officials and all, and 27 meetings have been held with the Democratic leadership.

It is time for us to complete this work. It's time for us to strengthen this very important alliance.

I urge my colleagues on both sides of the aisle to vote "no" on the Hugo Chavez rule.

withstanding the operation of the previous question, the Chair may postpone further consideration of the bill to such time as may be designated by the Speaker.

The SPEAKER pro tempore. The gentleman from California is recognized for 1 hour.

Ms. MATSUI. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to my friend, the gentleman from Florida (Mr. LINCOLN DIAZ-BALART).

All time yielded during consideration of the rule is for debate only.

GENERAL LEAVE

Ms. MATSUI. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days within which to revise and extend their remarks and to insert extraneous materials into the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Ms. MATSUI. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, House Resolution 1083 provides an open rule with a preprinting requirement for consideration of H.R. 2537, the Beach Protection Act of 2007.

The resolution provides 1 hour of general debate, controlled by the Committee on Transportation and Infrastructure.

Some of our Nation's greatest treasures are the beautiful beaches that surround our country. So many of us have spent time with our families and friends enjoying our country's picturesque coastlines. Our beaches not only provide a place for relaxation and recreation, they are also a vital economic engine that draws tourists from all over the globe.

As a mother and a grandmother, I want to ensure that our Nation's children are swimming and enjoying our beaches that are safe and free of any harmful contamination. Unfortunately, a recent EPA report found that human health studies over the last 50 years have linked swimming and polluted water with significant adverse health effects. Swimming-related diseases can range from minor gastrointestinal diseases to more serious illnesses such as meningitis or hepatitis.

This is extremely troubling and is a great concern to all of us. According to the National List of Beaches, only 57 percent of the Nation's coastal recreation areas are being monitored.

In my home State of California, 114 of our 356 beaches are not monitored, leaving a huge amount of people at risk. That is why I would like to thank Representative PALLONE for his work on such an important piece of legislation, legislation that builds on the ambitious vision that the 1972 Clean Water Act set forth.

As an original author of the 2000 bill, my friend from New Jersey has long been recognized for his efforts to clean up our Nation's beaches.

I would also like to thank Representative TIM BISHOP for his leadership and work on this issue.
