

uncertainty. That is why the bill takes steps to ensure parents are not automatically denied a PLUS loan simply because they're struggling with the same mortgage troubles facing so many other families in the country.

This amendment is consistent with the spirit of our bill because it recognizes that families also may be grappling with medical bills. And as the chairman explained, sometimes you are hit with a bill, and that shows up as a liability which would put you out of reach of getting another loan, and, in fact, you may not have that liability. And until that is clarified, you are held in abeyance. And students can't wait.

So this is a very important amendment that the gentlelady has presented. I thank Representative CASTOR for her amendment. It makes the bill better.

I yield back the balance of my time.

Ms. CASTOR. I would like to thank, again, the gentlemen from California for their work on this legislation and their work on behalf of students and parents across this country.

I urge adoption of the amendment.

I yield back the balance of my time.
