

institutions of higher learning nationally to implement community service into its core curriculum, and was the first in Pennsylvania to require community service of all its students. For the second year in a row, the College was named to the President's Higher Education Community Honor Roll with Distinction for General Community Service. In 2005, Cabrini became the first college in the country to sign an agreement with Catholic Relief Services to support the organization's global outreach program.

As a founding member of the Southeastern Pennsylvania Consortium for Higher Education (SEPCHE), Dr. Iadarola helped procure more than \$20 million from private and government sources for the eight-school consortium.

Dr. Iadarola serves on the U.N. Commission on Disarmament Education, Conflict and Peace; on the board of the Association of Independent Colleges and Universities; and on the board of Pennsylvania Campus Compact. In 2001, she was named "One of the 30 Most Powerful People on the Main Line" by Main Line Life Magazine, and in 2006, she was named a Woman of Distinction by the Philadelphia Business Journal and the National Association of Women Business Owners.

Her extraordinary tenure as president is more than double the national average for private-college presidents, as measured by the American Council on Education.

**HONORING CARROLL HIGH SCHOOL
FOR WINNING THE GIRLS UIL 5A
STATE SOCCER CHAMPIONSHIP**

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Mr. MARCHANT. Madam Speaker, I rise today to extend my congratulations to the 2008 Carroll High School girls' soccer team. On Saturday, April 12, 2008 they earned the UIL 5A State Championship title and finished their season with an impressive 24-4-4 record.

On the afternoon of April 12, 2008, in Round Rock, Texas, the Carroll High School girls soccer team was determined not to let the past few years of history repeat itself. Under Head Coach Matt Colvin and his staff, the Lady Dragons posted an amazing 24 shut-outs during the season. In the playoff opener the Lady Dragons shutout the 2005 state champions in regulation before winning in overtime with a score of 2-1. Utilizing the amazing strength of the Carroll defense, the Lady Dragons went on to shut out their next five opponents in the playoffs by an 8-0 margin.

Leadership, discipline, and accountability were the driving forces that took the Lady Dragons to the pitch every match. The team's resilience, fortitude, and determination to overcome challenges helped propel the Lady Dragons to an amazing season capped off with 2-1 victory in the state title match.

The Lady Dragons have proven themselves to be gifted not only on the soccer field but in the classroom. The team exemplifies the enthusiasm and determination it takes to succeed in academics and athletics.

It is a distinct honor to represent Carroll High School in Congress, and I congratulate

the players, coaches, fans and family members who made the 2008 season such a memorable one.

**CELEBRATING ISRAEL'S 60TH AN-
NIVERSARY AND THE STRONG
TEXAS-ISRAEL RELATIONSHIP**

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Mr. SESSIONS. Madam Speaker, I rise today to celebrate Israel's 60th Anniversary and to recognize the strong partnership between my home State of Texas and Israel. Israel has made tremendous strides since its establishment in 1948—and today it is a strong security and trading partner with the United States. Israel's growing business sector has benefited the United States as a whole and the State of Texas.

Because of this growing partnership, the Texas-Israel Chamber of Commerce was established in Richardson, Texas. Texas is Israel's third largest U.S. trading partner—exporting over \$1 billion in goods in 2007. The State's low taxes, affordability and strategic trade location make Texas a great place for Israeli companies to do business. Additionally, Texas's reputation as a leader in telecommunications, energy and security technologies make the State very attractive to Israel. With the second highest number of companies on NASDAQ and strong investment incentives, Israel is equally attractive to U.S. investment. Israel boasts an extremely high level of skilled engineers and is the world leader in medical device patents.

Through the State's Department of Agriculture, the Texas-Israel Exchange program has encouraged the development of business relationships and joint technology research for agriculture and natural resources.

The strong ties Texas shares with Israel are reflective of our Nation's valued friendship with the Jewish community. I am grateful for the bonds our two countries share and I will continue to work to strengthen our relationship for the next generation.

**INTRODUCING NATIONAL APHASIA
AWARENESS MONTH RESOLUTION**

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Mr. MARKEY. Madam Speaker, I rise to introduce legislation to designate June as National Aphasia Awareness Month. Aphasia is a disease that causes the loss of the ability to produce and/or comprehend language. It can also impair a person's ability to read and write. Each case is different depending on the severity of the stroke or brain trauma. This condition is a result of damage to the left hemisphere of the brain. The main cause of aphasia is stroke, but other causes of aphasia include blows to the head, gunshot wounds, and brain tumors. Strokes are the third leading cause of death and disability in the United States today, and the effects of aphasia are borne not only by the victim but also by the victim's family and friends.

Currently there is research being done on how to help people with aphasia enjoy a better quality of life. Aphasia does not cause any kind of disability in thinking or learning but can affect expressive and receptive language, as well as impair a person's ability to read and write. People who suffer from aphasia are able to function in everyday life, but they need assistance and attention. Moreover, further research is needed to improve our understanding of how to identify the risk factors that cause aphasia, prevent the occurrence of aphasia and improve the ability to function of those with the disease.

There are currently about one million cases of aphasia in the United States, and about 80,000 people are afflicted with the disease every year. By working with vocational specialists, speech-language pathologists and family and friends, many of those with aphasia may be able to obtain some sense of normalcy and regain some of their skills.

I am introducing this resolution as I did last year to support the goals of National Aphasia Awareness Month with the hope that it will bring more attention to this disease and give a voice to those who suffer from aphasia who often cannot speak for themselves. Last year when we honored June as National Aphasia Awareness Month it meant a great deal to the groups and doctors working on preventative measures and conducting new research for this disease.

This resolution recognizes June 2008 as National Aphasia Awareness Month in hopes of drawing more attention to this illness and in hopes that more recognition will highlight the importance of research and compassion for the daily struggle faced by those affected by aphasia.

**HONORING THE HARFORD DAY
SCHOOL DESTINATION IMAGINA-
TION TEAM**

HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Mr. RUPPERSBERGER. Madam Speaker, I rise before you today to honor Harford Day School's Destination ImagiNation, DI, team, who recently won first place in the "Chorific Improv" competition at the statewide Destination ImagiNation competition and is headed to the national finals this month in Tennessee.

Destination ImagiNation is a place where kids take what they know and what they excel at and learn to apply it to solve challenges, working cooperatively with a team and pushing the limits of imagination. Destination ImagiNation is a community-based, school-friendly program that builds the participants' creativity, problem-solving, and teamwork in enjoyable and meaningful ways. Teams of five to seven members work together to apply critical thinking and their particular talents to solve a Team Challenge. A Destination ImagiNation Team Challenge is a challenge that is solved over a period of 8 weeks. Each Team Challenge is designed to be open-ended and solvable in many ways and on many levels.

The Harford Day School DI team participated in the Chorific Improv Problem this year. The criteria for the Team Challenge focused on improvisational acting, story development,

theater arts, team work, and sound design. Their challenge was to create a 6-minute improvisational skit about an ordinary, randomly selected chore in just 30 minutes at the Tournament. In addition, they had to integrate a randomly selected famous person into their skit.

The Team's chore was to brush the dog. They created a cardboard dog on a leash, and their setting was a train on which they were riding to a dog show. In their skit, they had to overcome two randomly selected obstacles, which in their case meant the only brush they had was their mother's brush, and the bristles were falling out. Erasmus Darwin was the famous person the Team needed to incorporate into their skit. As he was a poet and a scientist, the team member playing Darwin's character made up a poem to recite. As the scientist, they had their mother's brush evolve into a dog brush and they used the fire from the train engine to melt the bristles in place.

Harford Day School is a private school located in Bel Air, Maryland, which serves students from pre-kindergarten through the eighth grade. The school's team members include Ally Wright, Drew Devanney, Tommy Oursler, Charlotte Molali, Livy Ayd, Sammy Bowen, and Will Bolton. The team is led by managers Donna Peck and Marcy Sparks.

Madam Speaker, I ask that you join with me today to honor Harford Day School's Destination ImagiNation team. Their high scores at the Maryland statewide competition ensure their reputation as a team to be reckoned with in the national finals. It is with great pride that I congratulate the members of the Harford Day School DI team on their success in the statewide competition, and wish the team luck as they progress to the national finals.

HONORING SAINT AUGUSTINE FOR
THEIR 140TH ANNIVERSARY

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Ms. NORTON. Madam Speaker, I ask my colleagues to join me today in recognizing the 140th Anniversary of Saint Augustine.

Saint Augustine Church is the oldest Black Catholic church in the Nation's Capital. As the Mother Church of Black Catholics, Saint Augustine Church continues in the tradition, in which it was founded, as a strong Black Catholic institution which witnesses in faith the Living God, His Son and the Holy Spirit. Saint Augustine will continue to be a center which recognizes, proclaims and preserves our Black Roman Catholic Heritage. It will expand and improve activities to advance the education of our children; to continue work in evangelization, liturgy, music, ecumenism and in efforts towards the achievement of a spiritual, economic and social development of all people.

Saint Augustine Parish traces its heritage to 1858 and the efforts of a group of dedicated emancipated Black Catholics. Faced with a society that was not yet willing to put off the last vestiges of slavery and a church that, at best, tolerated the presence of Black people in its congregation, these men and women founded a Catholic school and chapel on 15th Street under the patronage of Blessed Martin

de Porres. In what is perhaps a touch of historical irony, this school was operating 4 years before mandatory free public education of Black children became law in the Nation's Capital.

After operations were briefly interrupted by the Civil War, a new church was built and dedicated to Saint Augustine in 1876. From its beginning, Saint Augustine was the parish of Black Catholics in Washington, DC.

From its earliest years the school was staffed by the Oblate Sisters of Providence, the oldest religious order of Black women in the United States.

The parish continued to grow and flourish with a strong commitment to education and good liturgy. In February 1928, under the pastorship of Father Alonzo aids, the parish purchased the site of the Washington Home for Children at 1715 15th Street, NW., intending it to be the new home of Saint Augustine Parochial School. The school, a rectory and a convent were soon built and the construction of a new church begun. Most of the parish activities and operations were moved to the 15th and S Streets location, while the original church building at 15th and M Streets was maintained and used until 1946, when it was sold by the Archdiocese of Washington.

One of Saint Augustine's neighbors was a large Catholic parish, Saint Paul, whose original membership was primarily of Irish and German descent. With the rise of integration and shifting urban demographics, membership at Saint Paul dwindled steadily until 1961, when Archbishop Patrick O'Boyle decreed that the parishes of Saint Paul and Saint Augustine would be united.

In 1979, the Saints Paul and Augustine parish, through the parish pastoral council, staff and the Archbishop of Washington, made a decision to sell the Saint Augustine property at 15th and S Street. The old Saint Paul buildings at 15th and V Streets would be renovated to house the consolidated schools and other ministries of the parish.

On November 12, 1982, Archbishop James Hickey decreed that the parish of Saints Paul and Augustine, served by the Church at 15th and V Streets NW, would again be called the parish of Saint Augustine. With 2,000 registered members and 3,000 who call it their home church, Saint Augustine is now one of the largest parishes in Washington, DC.

Saint Augustine's proud history continues. In November 1989, Father John F. Payne, OSA, was ordained and named as the first African American associate pastor assigned to the Saint Augustine Parish. In January 1991, Father Russell L. Dillard was installed as the first African American pastor in Saint Augustine's history. Father Dillard was elevated to Reverend Monsignor in May 1991. Father Lowell Case, SSJ, was appointed Pastoral Administrator in February 2003. On February 5, 2005, Father Patrick Smith was installed as Pastor of Saint Augustine Parish.

Now in its 147th year, Saint Augustine Roman Catholic Church and its parish continue to grow, learn, and rejoice in God's love.

IN REMEMBRANCE OF DONALD
"ACE" HANNA

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Mr. KUCINICH. Madam Speaker, I rise today in remembrance of Donald "Ace" Hanna, and to honor a life spent in service to his country, his community, and his family.

Donald Hanna, son of Elmer and Margaret Hanna was a U.S. army veteran and dedicated community member. He is survived by his wife, Trish and was a loving husband, brother, father, uncle, and friend to many in the community, with whom he shared his love, stories, guidance and care. Mr. Hanna enjoyed a close and unique bond with each of his eleven siblings, Francis, Ken, Gil, Marge, Diane, Jerry, Marilyn, Ralph, Karen, Ray and Elmer. He was a dedicated family man and spent much of his time with his wife and only daughter, Christine Zeh-Coyne, whom he will be affectionately remembered by.

Madam Speaker and colleagues, please join me in remembering and honoring the life of Donald "Ace" Hanna, for his dedication to his country, family and friends.

CONGRATULATING WINONA, MINNESOTA ON BEING NAMED MINNESOTA'S HONORARY CAPITAL FOR A DAY

HON. TIMOTHY J. WALZ

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 13, 2008

Mr. WALZ of Minnesota. Madam Speaker, it is with great pleasure that I congratulate the City of Winona on being selected to serve as the Honorary Capital of Minnesota on May 16, 2008.

This year, Minnesota celebrates 150 years of statehood. Over 10,000 Minnesotans participated in selecting cities to serve as Capital for a Day throughout the week of May 11-18 to commemorate Minnesota's Sesquicentennial.

I am very pleased that Winona was chosen for this honor. A river city located in the beautiful bluff country along the Mississippi, Winona was settled in the early 1850s and throughout its early history served as a major port, shipping wheat from southern Minnesota and products from its thriving lumber industry.

Downtown Winona is rich in history, with over 100 buildings listed with the National Register of Historic Places that contribute to the culture of the downtown district.

A number of institutions of higher education also have their home in Winona, including St. Mary's University, Minnesota State College Southeast Technical, and Winona State University, the first public teacher training college located west of the Mississippi.

Today, from the heights of Sugarloaf to the Mississippi River, Winona is a vibrant community in which many local events honor its history.

I am pleased to join the State of Minnesota in congratulating Winona, Minnesota on this occasion. And I wish them continued growth and success for the next 150 years.
