STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. BUNNING:

S. 3226. A bill to rename the Abraham Lincoln Birthplace National Historic Site in the State of Kentucky as the "Abraham Lincoln Birthplace National Historical Park"; to the Committee on Energy and Natural Resources.

Mr. BUNNING. Mr. President, I would like to introduce a bill to rename the "Abraham Lincoln Birthplace National Historic Site" in the State of Kentucky as the "Abraham Lincoln Birthplace Historical Park."

In 1809, Abraham Lincoln was born at Sinking Spring Farm, near Hodgenville, Kentucky, making him the first President to be born outside the original Thirteen Colonies. A century later, in 1916, the Abraham Lincoln Birthplace National Historic Site was established to protect over 100 acres of this enshrined area.

In 1811, the Lincoln family moved from Sinking Spring Farm to Knob Hill Farm, Kentucky, until Abraham Lincoln was nearly 8 years old. At the age of 51, Abraham Lincoln wrote, "My earliest recollection is the Knob Creek place." While at Knob Hill, Abraham Lincoln learned to talk and assume household duties, helping his family gather wood and water. It was also at Knob Hill, during his boyhood years, where Lincoln first saw African Americans being taken south along the Louisville-Nashville Turnpike, part of the old Cumberland Road, to be sold as

slaves. Only 50 years later, Abraham Lincoln would successfully lead his Nation through its worst crisis to abolish slavery.

There is an inspiring climb from modest beginnings to the highest office in the land, along with a relentless spirit through the most distressing time in the history of our Nation, which opens us to the life of Abraham Lincoln.

As someone who is proud to share the same birth State with Abraham Lincoln, I believe there is a credible desire in Kentucky to continue the education and promotion among our citizens, particularly the young, to understand and appreciate his righteous leadership. It is difficult to name another person who has displayed the qualities and character of the U.S. as much as Abraham Lincoln.

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 607—DESIGNATING JULY 10, 2008, AS "NATIONAL SUMMER LEARNING DAY"

Ms. MIKULSKI (for herself, Mr. LUGAR, Mr. OBAMA, Mr. KENNEDY, Mr. ROCKEFELLER, Mr. CARDIN, and Mr. FEINGOLD) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 607

Whereas all students experience a measurable loss of mathematics and reading skills when they do not engage in educational activities during the summer months;

Whereas summer learning loss is greatest for low-income children, who often lack the academic enrichment opportunities available to their more affluent peers;

Whereas recent research indicates that 2/3 of the achievement gap between low-income children and their more affluent peers can be explained by unequal access to summer learning opportunities, which results in low-income youth being less likely to graduate from high school or enter college;

Whereas recent surveys indicate that low-income parents have considerable difficulty finding available summer opportunities for their children;

Whereas structured enrichment and education programs are proven to accelerate learning for students who participate in such programs for several weeks during the summer;

Whereas students who participate in the Building Educated Leaders for Life ("BELL") summer programs gain several months' worth of reading and mathematics skills through summer enrichment, and students who regularly attend the Teach Baltimore Summer Academy for 2 summers are 1/2 year ahead of their peers in reading skills;

Whereas the Summer Youth Program Fund in Indianapolis, Indiana, the first community collaborative fund for youth programs in the United States, serves as an example for other urban communities by providing summer learning opportunities for young people;

Whereas thousands of students in similar programs make measurable gains in academic achievement;

Whereas recent research demonstrates that most children, particularly children at high

risk of obesity, gain weight more rapidly when they are out of school during the summer;

Whereas Summer Learning Day is designed to highlight the need for more young people to be engaged in summer learning activities and to support local summer programs that benefit children, families, and communities;

Whereas a wide array of schools, public agencies, nonprofit organizations, universities, museums, libraries, and summer camps in many States across the United States, will celebrate annual Summer Learning Day on July 10, 2008: Now, therefore, be it

Resolved, That the Senate—

(1) designates July 10, 2008, as “National Summer Learning Day”, in order to raise public awareness about the positive impact of summer learning opportunities on the development and educational success of the children of the United States;

(2) urges the people of the United States to promote summer learning activities, in order to send young people back to school ready to learn, to support working parents and their children, and to keep the children of the United States safe and healthy during the summer months; and

(3) urges communities to celebrate, with appropriate ceremonies and activities, the importance of high quality summer learning opportunities in the lives of young students and their families.

SENATE RESOLUTION 609—RECOGNIZING THE NEED FOR RAPID RECAPITALIZATION OF THE KC-135 AERIAL REFUELING FLEET THROUGH RE-COMPETITION OF THE UNITED STATES AIR FORCE'S KC-X SOLICITATION

Mrs. MURRAY (for herself, Mr. BOND, Mr. ROBERTS, and Mrs. MCCASKILL) submitted the following resolution; which was referred to the Committee on Armed Services:

S. RES. 609

Whereas aerial refueling tankers are the backbone of the worldwide airpower capability of the United States;

Whereas the United States Air Force fleet of KC-135 aerial refueling tankers is aging and needs to be recapitalized; and

Whereas recapitalization of the KC-135 medium-sized aerial refueling tanker is the top acquisition priority of the United States Air Force: Now, therefore, be it

Resolved, That the Senate—

(1) encourages the United States Air Force to quickly re-compete the KC-X solicitation on the terms the Government Accountability Office (GAO) recommended in its June 18, 2008, decision;

(2) recognizes that a rapid, thorough, and fair re-competition under the terms of the original KC-X request for proposals is the

best way to provide the United States Air Force with next-generation aerial refueling tanker capability in a timely manner;

(3) recognizes that the KC-X solicitation is the first phase of a three-phased strategy for recapitalizing the tanker fleet, and that the KC-X solicitation should be based on a full and transparent competition to select a single aircraft design; and

(4) supports the recommendation of the Government Accountability Office that “the Air Force reopen discussions with the offerors, obtain revised proposals, re-evaluate the revised proposals, and make a new source selection decision, consistent with this decision.”
