

players, and many personal records were set for the number of runs scored, bases stolen, and game shutouts. The UF Women's softball team played with class and won with grace, and their teamwork, tenacity, and gamesmanship deserve to be recognized. This certainly is a team to be remembered, and this is just another reason why it is great to be a Florida Gator.

HONORING SCLC AND REVEREND  
DR. S. L. HARVEY

**HON. WILLIAM J. JEFFERSON**

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2008*

Mr. JEFFERSON. Madam Speaker, on February 14, 1957, a little more than 51 years ago, the Southern Christian Leadership Conference, SCLC, was founded in New Orleans, LA. It is returning to New Orleans today for its 50th Annual Convention, to celebrate its founding and to mark the progress it has made over the years.

On the date of its founding, Dr. Martin Luther King, Jr., Reverend A.L. Davis, Reverend Avery Alexander, Reverend Simmie Harvey, and others meet at New Zion Baptist Church located on 3rd Street in New Orleans to organize the SCLC. Of those present on that date, Dr. Simmie Harvey is the only living organizer. Additionally for the past 33 years, he has led the Louisiana Chapter of the SCLC as its President.

Reverend Dr. S.L. Harvey was educated at the Tensas Parish High School in St. Joseph, Louisiana, Utica Institute in Utica, Mississippi and Union Baptist College and Theological Seminary where he received both his Master's Degree in Theology and his Doctor of Divinity.

Reverend Dr. Harvey was present at the planning of the march in Washington, DC., where Dr. King delivered his "I Have a Dream" speech. Reverend Harvey is a living legend and Drum Major for Justice for all people. He continues to carry the torch for freedom that Dr. King and other founders of the SCLC lit in 1957.

As we celebrate the life and work of the SCLC, it is impossible to do so without celebrating Dr. Harvey's life and work at the same time. The two are inextricably intertwined. We thank God for him. I am proud to join the U.S. Congress and our nation in honoring him.

INTRODUCTION OF THE GREEN 301  
ACT

**HON. EARL BLUMENAUER**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2008*

Mr. BLUMENAUER. Madam Speaker, today I am introducing the Trade and Environment Enforcement Act, also known as the Green 301 Act. This bill expands the Section 301 provisions of the Trade Act of 1974 to encompass environmental effects.

Under the Trade and Environment Enforcement Act, the Trade Representative must identify those foreign country trade practices causing negative environmental impacts to human, animal, or plant life or health, or the

conservation of exhaustible natural resources in the United States, the foreign country, a third country, or internationally. Once those practices have been identified, the Trade Representative must issue a report to Ways and Means and to Senate Finance with its findings.

After the Trade Representative issues its report, it must engage in consultations with foreign governments to resolve the negative practices it identifies with in the report and seek to negotiate an agreement between the United States and the foreign country providing for the mitigation, reduction, or elimination of the identified negative environmental impacts. If no agreement is reached, then the trade representative is authorized to take all appropriate and feasible action authorized under Section 301.

Additionally, the Trade and Environment Enforcement Act permits petitions and consultations under this process from interested parties, including environmental organizations and the business community, to expand the types and scope of the Trade Representative's environmental review.

A PRAYER FOR AMERICA

**HON. BOB ETHERIDGE**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2008*

Mr. ETHERIDGE. Madam Speaker, I rise today to pay tribute to Reverend Bill Goodnight of First Presbyterian church of Lillington, NC. On the 230th birthday of this great Nation, Reverend Goodnight expressed his patriotism with a most fitting prayer. His prayer embodies the values on which the United States of America was founded. These are the same values that we as Americans still hold near and dear to our hearts today, I would like to share this prayer with my colleagues and my fellow Americans.

"Eternal God we come before you on this birthday of our nation 230th birthday of our Nation. We come with praises upon our lips for your love and mercy, which makes itself know throughout the earth. We come with praises for your mighty creative energy that hung the stars and spun the planets and for your still small voice that speaks in the silence of the canyons and booms out across the oceans waves. For those with eyes to see and ears to hear your spirit is seen dancing upon our golden meadows, your song is heard in the cry of the bald eagle, your presence is felt in the deepest canyon and the highest mountain . . .

Yet we confess eternal creator that we have too often sought your blessing without begging for your transforming power that calls us into a nation of servanthood in this and every hour. We confess that we are quick to proclaim that you are on our side without checking to make sure that we are on your side.

Therefore, we celebrate with thanksgiving this Fourth of July, not only the great provisions of this land but your patience toward us when we forget that to whom much is given much is expected. We thank you for your protection from pestilence and the horrors of famine known to much of this world. We thank you for a stable government which works to guarantee our freedoms and provides us with protection against those who would do us harm. We are particularly grateful this night for our leaders that are here

with us as a reminder that by your will we truly are a government of the people and by the people.

Our strongest petitions this night we reserve those brave men and women who have obeyed the orders of their commander in chief and have stepped into harms way in distant land, particularly Afghanistan and Iraq. We cry for the widows, widowers, and orphans left in the wake of the current conflict on both sides of this war. Let not our tears be empty but grant to us the fortitude and resolve as a community that we might nurture those who have sacrificed so much on our account. May those who have risked so much in fulfilling their military obligations find us a united community in support of them and their dependents. May we walk with them and their loves ones on the road of life offering the well-deserved hand of friendship and fellowship. We know that nothing can make up for what we have sent them to endure, but may our overwhelming gratitude and respect offer them comfort.

Help us to live our lives with grateful hearts, teach us how to be there for each other when tragedy strikes, and give us plenty of opportunities to rejoice with one another when good comes our neighbor's way.

In closing, we ask not only your blessing upon us but for your guidance and inspiration that we might reflect and be a source for the world of the blessings we seek for ourselves. Alleluia Amen."

Madam Speaker, Reverend Goodnight is an exemplary figure of patriotism, leadership, dedication, and commitment to this great Nation.

COMMEMORATING THE 25TH ANNIVERSARY OF THE SPACE FOUNDATION

SPEECH OF

**HON. SHEILA JACKSON-LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 9, 2008*

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise today in support of H. Res. 1312, "Commemorating the 25th anniversary of the Space Foundation". I would like to thank my colleague DOUG LAMBORN of Colorado for putting forth H. Res. 1312. I urge my colleagues to join me in supporting this legislation, and to commemorate the 25 years that the Space Foundation has spent endeavoring to advance our knowledge and understanding of space.

This deserving piece of legislation will (1) recognize the contributions made by the Space Foundation; and (2) commemorate the Space Foundation's 25 years of excellence and support to the Nation.

This resolution not only draws attention to the Space Foundation's many years of excellence and service, but it also recognizes the profound effect that a group of nonpartisan, pioneering individuals has had in helping to inspire, enable, and propel humanity to greater heights. For as a great pioneer, Neil Armstrong, once said, "That's one small step for man; one giant leap for mankind."

The Space Foundation has played a significant positive role in exploring, advancing and developing our understanding of space. The nonprofit foundation has done this by embracing all aspects of space including commercial, civil, and national security. In the current national and commercial environment in which
