

not to repeat them. Through this legislation we will honor the historic footsteps taken by the Cherokee and celebrate our future as we remember the past.

Finally, because of historical significance, H.R. 5335 enjoys broad support not only within Congress, but also with the Cherokee Nation, Eastern Band of Cherokee and associated trail organizations. The legislation is a good example of how Congress can better understand a national event through an accurate portrayal of the people, the places and the actions involved. We can learn a lot from history and in this case, ensure that it will never be repeated.

#### GENERAL LEAVE

Ms. BORDALLO. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Guam?

There was no objection.

Ms. BORDALLO. Madam Speaker, H.R. 3336 was introduced by our colleague from Colorado, Representative DOUG LAMBORN. The bill directs the National Park Service to study how best to preserve Camp Hale near Leadville, Colorado.

Camp Hale operated from 1942 to 1965 as a winter and a high-altitude training venue for the 10th Mountain Division and other elements of the U.S. Armed Forces.

The 250,000-acre camp was also used by the Central Intelligence Agency as a secret center for training Tibetan refugees in guerilla warfare to resist the Chinese occupation.

The lands were returned to the Forest Service in 1966. Today, the camp is part of the White River and San Isabel National Forest. Camp Hale was placed on the National Register of Historic Places in 1992.

Madam Speaker, I urge my colleagues to support passage of this measure, and I reserve the balance of my time.

Mr. YOUNG of Alaska. Madam Speaker, I yield myself such time as I may consume.

I want to thank Congressman LAMBORN for initiating this National Park Service study of Camp Hale so Americans can appreciate the events that occurred during World War II and the Cold War because people forget about the Cold War. A lot of activity went on.

The Tennessee Pass and Camp Hale served as the training site for the 10th Mountain Division, a specialized skiing unit whose heroism during World War II inspired our Nation. Later the site was used for covert training operations

furthering the cause of freedom during the Cold War.

Colorado today benefits from the ski area and the educational opportunities presented by this unique landmark. Listing Tennessee Pass and Camp Hale as a unit of the National Park Service will allow us to learn about and experience this unique piece of history.

Madam Speaker, I urge passage of this legislation and yield back the balance of my time.

Ms. BORDALLO. Madam Speaker, I yield back the balance of my time.
