

wood, it's JOHN PETERSON who is up there in the weekends selling those products, talking to people about them because he understands them.

JOHN PETERSON is a grassroots politician. He understands the issues from the grassroots up, and this Congress is better today because of people like JOHN PETERSON, because of JOHN PETERSON, because of his knowledge of the issues. He is going to be missed significantly here in Congress because of that aspect of his knowledge on his grassroots issues and rural America and energy.

I want to make sure that I thank my colleague Mr. ENGLISH for organizing this Special Order tonight to thank JOHN PETERSON and also to say thanks and congratulations to JOHN and his wife Sandy who are celebrating a wedding anniversary.

As I said, I'm going to miss JOHN PETERSON personally. I know my colleagues will miss him in the Pennsylvania delegation, and I believe that America will miss JOHN PETERSON because of his advocacy of issues that are so, so important to America and especially to rural America.

So, with that, I thank the gentleman.

Mr. ENGLISH. Mr. Speaker, I think the remarks we've heard from the various Members of our delegation are a great tribute to the versatility and tenacity of Representative PETERSON, and I think give everyone an appreciation, whether they are from his district or have never met him before, of why he's going to be missed and the large hole that he leaves in this institution.

I must tell you, I have some small experience in filling JOHN PETERSON's shoes. When we did reapportionment in 2002, I had the opportunity to take over some territory from JOHN PETERSON. What I quickly discovered was that in terms of personal representation he had set the bar very, very high. There are few communities in that vast district that he wasn't a regular visitor to, that he wasn't accessible to, that he wasn't familiar with, that he didn't have a personal contact with local leaders in the community. That is going to be a challenge to his successor, and it's going to be a challenge to every Member of our delegation who tries to fill his role in our Pennsylvania leadership.

I want to thank you, Mr. Speaker, for the opportunity to provide this tribute, and I thank all of the Members of our delegation for participating.
