There being no objection, the Senate proceeded to consider the bill.

Mr. LEAHY. Mr. President, I am pleased that the Senate has acted unanimously today to reauthorize the Bulletproof Vest Partnership Grant Program. This measure marks the fifth time that I have had the privilege of working to reauthorize this life-saving Federal grant program. I first worked with Senator Campbell 10 years ago to author the Bulletproof Vest Grant Partnership Act of 1998, which responded to the tragic Carl Drega shootout in 1997 on the Vermont-New Hampshire border, in which two state troopers who did not have bulletproof vests were killed. The Federal officers who responded to the shooting spree were equipped with life-saving body armor, but the State and local law enforcement officers lacked protective vests because of the cost.

In 2007, as a result of the Bulletproof Vest Grant Program, jurisdictions across the country received over \$28 million in Federal funds, which were used to purchase more than 180,000 armor vests. Between 1999 and 2007, \$234 million has gone to the States and has assisted in the purchase of an estimated 818,044 vests. It gives me a great sense of pride to know that the law we enacted is having a real impact in directly supporting the safety and security of American law enforcement officers.

In May, the Judiciary Committee held an important hearing and learned just how crucial this program has been to our law enforcement officers. Lieutenant Michael Macarilla with the Vermont State Police testified about how valuable this program is to small jurisdictions in Vermont, which often operate on very tight budgets. And Detective David Azur of the Baltimore Police Department testified about his experience of being shot at point-blank range and surviving because he was
