

(4) provide assistance and training to law enforcement agencies, State and local governments, nonprofit organizations and other individuals involved in the criminal justice system in matters related to missing adults; (5) provide assistance to families in locating missing adults; and (6) assist in public notification of missing adults and victim advocacy. The bill authorizes \$4 million annually for fiscal years 2008 through 2018.

D. MY PAST AMENDMENTS ON ELDER JUSTICE BILLS

In similar elder legislation, namely the Elder Justice Act and the Elder Abuse Victims Act, I co-sponsored amendments with Ms. MAXINE WATERS of California to provide funding to State, Local, and non-profit programs to locate missing elderly. Specifically, my amendment would allow a voluntary electronic monitoring pilot program to assist with the elderly when they are reported missing. In these particular bills, my amendment would allow the Attorney General, in consultation with the Secretary of Health and Human Services, to issue grants to states and local government to carry out pilot programs to provide voluntary electronic monitoring services to elderly individuals to assist in the location of such individuals when they are reported missing.

I also offered an amendment in the elder justice acts that would have allowed the elderly to wear a bracelet so it would make it easier to find a lost elderly patient in the event that he or she was lost. This amendment was accepted and successfully reported out of the House Judiciary Committee last term. If I were provided the opportunity, I would have offered my amendment again and would have required that H.R. 632 contain provisions that would allow for the use of a bracelet pilot program. The bracelet pilot program would allow elderly, at their election, to wear a bracelet that would be used in helping to locate them when they are lost. The bracelet will be unlike existing programs because the bracelets will be electronic and themselves would facilitate finding a missing elderly person.

While this amendment language was accepted and successfully reported out of the House Judiciary Committee, my language was not included in the H.R. 632. Although my language has not been included in this present version of the bill, I still believe that the bill is important.

Elder Legislation Is Important.

Elder legislation such as the legislation before us today and the prior elder bills that I mentioned are important. As elder Americans enter their twilight years, we must do more to protect and ensure their safety. Nothing reminds me more of the necessity of this kind of legislation than my very own experiences in Houston, Texas. A few years ago, the family of Sam Kirk, a native of Houston, Texas, called me to help look for him. Mr. Kirk was elderly and suffered from dementia. He had wandered off and could not be located for several days. His family looked for him for many days but could not find him. In an act of desperation, they called on me to lend my services to help them find him. I helped his family look for him and we found him. When we found Mr. Kirk, he was dead. He died of dehydration. We searched for hours and days to find him. It would have been easier and may have saved a life if there was a bracelet or an electronic monitoring program as I have long championed in previous versions of this bill. Even without my language, legislation that

helps America find and take care of its lost and missing elders is extremely important.

A PROCLAMATION HONORING THE
175TH ANNIVERSARY OF STEINER
CHEESE

HON. ZACHARY T. SPACE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mr. SPACE. Madam Speaker:

Whereas, Steiner Cheese is the oldest operating cheese maker in southeastern Ohio having celebrated its 175th anniversary this year; and

Whereas, Steiner Cheese was founded by a young Swiss man named Jacob Steiner in 1833. Steiner, who immigrated in search of opportunities in America, brought with him little more than a family bible and an old copper Swiss Cheese kettle, and

Whereas, Mr. Steiner began to make artisan cheeses and word of his cheese making ability spread throughout southeastern Ohio's farming communities reaching dairy farmers and creating a vibrant cheese making industry; now, therefore, be it

Resolved that along with the residents of the 18th Congressional District, I commend the Steiner Cheese company for 175 years of creating high quality cheeses—keeping true to the tenets of quality handed down by Jacob Steiner. I also commend them on playing an integral role in southeastern Ohio's burgeoning cheese industry and leaving its mark on the economy and people of Zanesville.

NATIONAL NANOTECHNOLOGY INITIATIVE AMENDMENTS ACT OF 2009

SPEECH OF

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 11, 2009

Mr. GINGREY of Georgia. Mr. Speaker, I rise in strong support of H.R. 554, the National Nanotechnology Initiative Amendments Act of 2009. As a former Member of the Science Committee, I am pleased to lend my support to this important legislation brought forward today by Chairman GORDON.

Nanotechnology represents the future of science and information technology. These scientific methods have already been responsible for a number of products that are used everyday in our country like car parts, cosmetics, and first aid dressings.

Furthermore, Mr. Speaker, the future of nanotechnology holds a world of possibility in a number of fields—including health care, which is incredibly important to me as a physician Member of the House.

The National Nanotechnology Initiative is a multi-agency federal program aimed at accelerating the discovery, development, and deployment of nanometer-scale science, engineering, and technology. Since its implementation in 2003, the NNI represents the federal government's commitment to harnessing and developing the world's most cutting edge technology to help keep our country competitive in a technology-based global economy.

H.R. 554 is a bill that builds on the successful aspects of the NNI by making some improvements and modifications while keeping much of the Initiative intact. For example, this legislation strengthens the environment, health, and safety research component of the NNI, and it increases the emphasis on nanomanufacturing research and technology transfer. H.R. 554 acknowledges and addresses the need for enhanced research and education in the field of nanotechnology and provides the framework for K-12 education in nanotechnology that will help future generations stay at the cutting edge of scientific advances.

I am very pleased that this legislation moved through the Science and Technology Committee in a bipartisan manner, much like it did in the 110th Congress. I hope that the Senate will act on this legislation in the near future, so this important legislation can be signed into law by the President.

Mr. Speaker, I am very supportive of H.R. 554 and the possibility that nanotechnology has for the future of science. I urge all of my colleagues to support its passage.

HONORING THE HEROIC ACTIONS
OF THE PILOT, CREW, AND RESCUERS
OF US AIRWAYS FLIGHT
1549

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mr. RANGEL. Madam Speaker, I rise today to recognize and honor the actions of the pilot, crew, and rescuers who risked their lives to save the passengers of Flight 1549 on January 15, 2009.

US Airways Flight 1549 lost engine power and began to fail shortly after its take off from LaGuardia Airport in Queens, headed to Charlotte, North Carolina. The lives of 155 passengers and crew were at risk. Captain Chesley B. Sullenberger III and First Officer Jeffery B. Skiles acted with immense valor and dexterity to land the plane in the best option available, the Hudson River. The actions of both of these men demonstrate that they were cognizant of the lives on and off of the plane and choose to avoid populated areas. Additionally, the skilful control of the aircraft and decisions made by Sullenberger and Skiles allowed for the effective assistance of flight attendants Shelia Dail, Doreen Welsh, and Donna Dent, to prepare passengers for the impact in a short amount of time. In this time, passengers had to prepare for their landing and from all reports they did so with great discipline and concern for each other. Local ferry boats, official police boats and U.S. Coast Guard craft were incredibly quick in their response, rescuing passengers and crew from the near freezing water in minutes. Thanks to the heroic efforts of all parties responsible for the passengers of Flight 1549, 155 passengers and crew survived without serious injury.

As a result of the courageous initiatives taken place by these individuals, I urge that the House of Representatives give recognition and credit where it is due by passing the Resolution introduced by our colleague from New York, JOSEPH CROWLEY. In doing so we applaud Captain Chesley B. Sullenberger III,

First Officer Jeffrey B. Skiles, flight attendants Doreen Walsh, Donna Dent, and Sheila Dail, rescue boats, and private citizens for their quick thinking, and bravery amongst many other heroic actions demonstrated.

A PROCLAMATION HONORING THE
200TH ANNIVERSARY OF THE
FIRST UNITED METHODIST
CHURCH OF DOVER

HON. ZACHARY T. SPACE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mr. SPACE. Madam Speaker:

Whereas, the First United Methodist Church of Dover was founded in 1808 and is celebrating its 200th anniversary this year; and

Whereas, the congregation of First United Methodist Church of Dover began with humble roots, in a series of log cabins in Dover, Ohio, meeting for more than 25 years in the homes of William and Mary Butt, Jacob and Elizabeth Welty, and Christian and Marguerite Deardorff. The congregation slowly grew and in 1833, expanded to a series of community buildings, and

Whereas, the church will celebrate its 200th anniversary with a reenactment of the 1808 founding with present congregants playing the roles of Rev. James Watts, the congregation's first pastor who laid the groundwork for two centuries of faith and dedication to community service, therefore, be it

Resolved that along with the residents of the 18th Congressional District, I commend the First United Methodist Church of Dover for two centuries of dedication and service to the Dover community and recognize their faith in God and determination for worship.

TRIBUTE TO KENNETH P.
ANSTAETT

HON. JEAN SCHMIDT

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mrs. SCHMIDT. Madam Speaker, I rise today to honor the life of Kenneth P. Anstaett, a life-long resident of Clermont County who passed away on Wednesday, February 11th. Mr. Anstaett, known by many as Kenny was born on January 28, 1925 in the Ohio River community of Felicity. Kenny later moved and graduated from Owensville High School in 1942.

After the completion of high school, Mr. Anstaett went on to serve our Nation in the United States Army achieving the rank of captain. He served tours in World War II and the Korean War. But Kenny's civic service did not end after his military career. Kenny was later elected to the Batavia Local School Board of Education, twice serving as president. He also served as president of the Batavia Rotary. As a lifelong and active Republican, he founded the Clermont County Young Republican Club with his wife Virginia. He was also an active member in the local chapter of the Veterans of Foreign Wars Post 3954 and American Legion Post 237.

Kenny Anstaett also owned a small business for roughly 50 years, operating a farm

service equipment company, a Dodge automobile dealership, and a gasoline service station.

Madam Speaker, my thoughts and prayers go out to Kenneth's lovely wife Virginia, four children, and his many grandchildren and great-grandchildren.

TRIBUTE TO GATEWAY COMMUNITY AND TECHNICAL COLLEGE

HON. GEOFF DAVIS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mr. DAVIS of Kentucky. Madam Speaker, I rise today to recognize the achievements of Gateway Community and Technical College.

On December 9, 2008, Gateway Community and Technical College attained Full Regional Accreditation by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) as a Comprehensive Community and Technical College.

With this regional accreditation, Gateway Community and Technical College has attained a longstanding goal of becoming a comprehensive institution.

Over the years, Gateway has distinguished itself through its dedication to the education and workforce development needs of Northern Kentuckians. The institution has maintained a clear mission to higher education and offers the resources, programs and services to accomplish and sustain that mission. The students and faculty deserve recognition for their diligent multi-year efforts that have resulted in the school's recent accreditation.

I applaud Gateway's commitment to excellence in education and their contributions to Kentucky communities. Madam Speaker, please join me in congratulating this Kentucky institution on their recent SACS accreditation.

NEW CO-LEADERSHIP IN
ZIMBABWE

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mr. HASTINGS of Florida. Madam Speaker, I rise today to recognize a new leadership body in Zimbabwe, and reaffirm the need for a global commitment to supporting this country on its long road to recovery and stability.

Yesterday, Zimbabwean President Joseph Mugabe swore in his longtime rival Morgan Tsvangirai as Prime Minister. This political marriage was not made in heaven, but in the midst of social unrest, corruption, fuel shortages and unprecedented levels of unemployment, some see this union as a symbol of long-awaited change. Others however, fear that this co-leadership is in name only, and that Mugabe's nearly three decades of oppressive rule have yet to come to an end.

Under the Mugabe regime, voter bribery and intimidation, violence, press censorship and skyrocketing inflation have become all too familiar. Once hailed as the bread basket of Africa, Zimbabwe is now a nation of impoverished millionaires where 10 million dollars buys a loaf of bread if you are lucky, and where the

vast majority are forced to make do with a few crumbs. Cholera, a disease that has not plagued the United States in nearly a century has spread to every area of Zimbabwe, and claimed thousands of lives because of contaminated food and water.

The Shona tribe of Zimbabwe has a famous proverb: water that can be spoiled can also be purified. Madame Speaker, yesterday also marked the 19th anniversary of Nelson Rolihlahla Mandela's release after 27 years of unjust imprisonment. His freedom signified the beginning stages of the Apartheid era's demise, and Mandela would spearhead reconciliation and equality as the first fully democratically elected President of South Africa.

Although Zimbabwe's fate under the new Administration is uncertain at best, the fact that Mugabe—a man who said that only God could remove him from office—swore in Morgan Tsvangirai as Prime Minister should not go without notice. Whatever the future brings, two things are clear. Years of mismanagement under the Mugabe regime have spoiled Zimbabwe's economy, markets and the everyday livelihoods of its people. And, years of international cooperation will be needed to purge the corruption and violence from Zimbabwe's government, military and industries.

Madam Speaker, Zimbabwe, other African countries and the rest of the world must work to create the incentives and frameworks that are needed to place and keep Zimbabwe on a path to peace, and sustainable development.

THE HISTORY OF SAYING "NO" TO
ECONOMIC RESCUE EFFORTS
HAS BEEN A DISASTER FOR OUR
COUNTRY. JUST ASK HERBERT
HOOVER.

HON. GEORGE MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2009

Mr. GEORGE MILLER of California. Madam Speaker, in response to the gravest economic crisis to face our country in generations, Congress is on the verge of approving President Obama's economic recovery package to save or create between three and four million jobs and put our country on a path toward economic growth. That is a good thing. And it is happening despite the opposition of every one of my Republican colleagues in the House. Their opposition is rooted in the history of saying no to government intervention in times of crisis; they were wrong during the Great Depression and they are wrong today.

The public is being told by critics of this plan, which invests in education, renewable energy, transportation, and health care, that it spends too much money and is not the answer to what ails our economy. The critics say that we would be better off relying on the private sector and tax cuts—the same strategy that got us into this mess in the first place. It was this very same Republican strategy that turned a record budget surplus into a record budget deficit and sent the economy into a nose dive.

When the House approved president Obama's plan last week, not a single Republican in the House of Representatives voted
