HONORING HALL-OF-FAME UNIVERSITY OF ARIZONA MEN'S BASKETBALL COACH LUTE OLSON

HON. GABRIELLE GIFFORDS

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 24, 2009

Ms. GIFFORDS. Madam Speaker, I am honored to recognize Robert Luther "Lute" Olson, the former men's basketball head coach at the University of Arizona.

In his long and illustrious collegiate career Lute Olson amassed a record of 780-280 in 34 seasons, including a 589-187 mark in his time at Arizona. He holds the all-time record for Pac-10 victories with 327. He is also one of only 17 coaches with over 1,000 victories, spanning a career as a high school, junior college, and college head coach.

On March 29, 1983, Coach Olson became the head coach at Arizona after successful runs at Long Beach State and the University of Iowa, the latter of which he guided to the 1979 Big Ten title and the 1980 Final Four. Few could have predicted the meteoric rise of the program he turned around from a 4-24 record in 1983. Just 2 years later, he guided the team to the NCAA tournament and began the Nation's longest active streak for NCAA tournament appearances, currently at 24 consecutive seasons.

Lute Olson transformed the University of Arizona and the Tucson desert into a college basketball oasis. In his 24 seasons he won one national championship, reached 4 Final Fours, and won 11 Pac-10 titles, solidifying the program as a perennial title contender and bringing national prestige to both city and school.

At the top of his game, Coach Olson took the Wildcats on an improbable run to the 1997 national title, including victories over three No. 1 seeds, a feat not achieved before or since. For these accomplishments, he was inducted into the Naismith Memorial Basketball Hall of Fame on Sept. 27, 2002.

Lute Olson's successes were not limited to the hardwood. As a high school teacher in Mahanomen, Minnesota, he taught six classes, was head coach of the basketball and football team, and assistant coach on the baseball team. He went to become a junior high counselor in Colorado, high school coach in Southern California and entered the collegiate ranks in 1972.

Along the way, as a teacher and coach, Lute Olson has encouraged students to live healthy, work hard and pursue their dreams. He has inspired and encouraged students across the country, in Tucson, and at the University of Arizona. Many young people have benefited from his guidance and are proud to call him their mentor.

I am pleased to acknowledge and thank Coach Olson for his great leadership and outstanding contributions to our community.

RECOGNIZING ALCALDESSA ELIZABETH KEMP

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 24, 2009

Ms. WOOLSEY. Madam Speaker, I rise today, along with my colleague, MIKE THOMPSON, to recognize Elizabeth Kemp, who has been named the City of Sonoma's 2009 Alcaldessa, or Honorary Mayor.

The title, "Alcalde" or "Alcaldessa" when referring to a woman, is the Spanish word for "Mayor." During the Spanish colonial period in California, the Alcalde was the primary civil authority. In modern times in the City of Sonoma, it is an honorary title and the contemporary Alcalde or Alcaldessa presides over ceremonial events for the city.

Alcaldales and Alcaldessas are nominated by the community and are representative of individuals with a long record of volunteer work. Ms. Kemp is no exception to this rule.

Ms. Kemp attributes her community activism to her early years in London during WW II. That experience led her to be aware of the needs of others and to an understanding that anyone's circumstances can change in a matter of minutes. She emigrated from England when she was 21 and has lived in Sonoma since 1969.

In 2000, Ms. Kemp recognized that many migrant workers had no place to live and were sleeping under bridges. She helped to organize one temporary camp, then joined with Vineyard Workers Services to create two more camps that are open during harvest. She currently serves as President of the Board of Directors of Vineyard Workers Services.

Ms. Kemp initiated the Brown Bagger program in 2004. The program prepares and distributes more than 180 nutritious lunches each week to the homeless and others who are unable to purchase food. This past summer, Ms. Kemp organized a group of volunteers to provide bag lunches to students who normally receive free lunches at school when school is in session and to their younger siblings. As a member of the Board of Directors of Sonoma Overnight Support, Ms. Kemp has also been involved in the development of the first permanent homeless shelter in Sonoma.

And, lest we think her interests are only parochial, Ms. Kemp is an active member of Friends of Turkana, a local group that raises funds for two medical missions in East Africa.

Madam Speaker, Elizabeth Kemp is a beloved and vitally important member of the community and it is appropriate that we acknowledge her today as Sonoma's Alcaldessa for 2009.

EARMARK DECLARATION

HON. MICHAEL K. CONAWAY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 24, 2009

Mr. CONAWAY. Madam Speaker, pursuant to the House Republican standards on earmarks, I am submitting the following information for publication in the CONGRESSIONAL RECORD regarding Member requested funding that was included as part of H.R. 1105, the Omnibus Appropriations Act of 2009.

In the Bureau of Reclamation, Water and Related Resources—Rural Water account, \$109,000 for improvements to an irrigation canal in Tom Green County, Texas was included on my behalf. The entity to receive funding for this project is the Tom Green County Water Control Improvement District No. 1, which operates and maintains the canal and can be reached at P.O. Box 488, Veribest, Texas, 76886. The canal is 16 miles long and runs northeast from the city of San Angelo, Texas. The funding will be used to complete repairs and upgrade the canals water control systems to help better distribute and conserve water, as recommended in a 2007 report by the Bureau of Reclamation.

In the Army Corps of Engineers, Investigations account, \$406,000 for a study in the Lower Colorado River Basin of Texas was included on my behalf. The entity to receive funding for this project is the Lower Colorado River Authority which can be reached at P.O. Box 220, Austin, Texas, 78767. The study area is bounded by the Guadalupe, Lavaca, and Colorado-Lavaca river basins on the west, and the Brazos and Brazos-Colorado basins on the east. This study is investigating water resource problems, needs, and opportunities, to determine whether improvements for flood risk management, ecosystem restoration and protection, water quality, water supply and allied purposes have a Federal interest. The funding will be used to complete the Williamson Creek study and continue other interim feasibility studies within the basin.

In the Army Corps of Engineers, Operations and Maintenance account, \$842,000 for the O. C. Fisher Dam and Lake, Texas was included on my behalf. The entity to receive funding for this project is Army Corps of Engineers Fort Worth District. The project is located in Tom Green County, on the North Concho River, near the City of San Angelo, Texas. The funding will be used to for operations and routine maintenance.

In the Army Corps of Engineers, Operations and Maintenance account, \$2,000,000 for Proctor Lake, Texas was included on my behalf. The entity to receive funding for this project is Army Corps of Engineers Fort Worth District. The project is located in Comanche County on the Leon River, about eight miles northeast of the city of Comanche, Texas. The funding will be used to for operations, routine maintenance, and to replace and repair piezometers.

In the Army Corps of Engineers, Operations and Maintenance account, \$1,373,000 for Hords Creek Lake, Texas was included on my behalf. The entity to receive funding for this project is Army Corps of Engineers Fort Worth District. The project is located in Coleman County about 13 miles west of the city of Coleman, Texas. The funding will be used to for operations, routine maintenance, and to upgrade hydraulic pumps and controls for flood gates.

In the Cooperative State Research, Education, and Extension Service (CSREES) account funding in the amount of \$206,000 for Animal Fiber Research. The entity to receive funding for this project is Texas A&M University. The project is located at 7887, U.S. Highway 87N, San Angelo, Texas, 76901. The funding will be used to increase profitability of the sheep and goat industries in the United States and Texas while providing U.S. consumers and the military with high-quality ani-

mal fibers and meat at internationally competitive prices. Emphasis will be placed on improving wool quality and increasing wool production and also on multi-state collaborations in which sheep and goats will be used to improve rangeland environments through prescribed grazing of invasive species.

In the Cooperative State Research, Education, and Extension Service (CSREES), Special Research Grants account funding in the amount of \$946,000 for the Center for Food Industry Excellence. The entity to receive funding for this project is Texas Tech University, located in Lubbock, Texas. The funding will be used to conduct systematic development and evaluation of production, processing, and preparation methods of food products (from farm to table) to achieve a safer and more nutritious food supply.

In the Cooperative State Research, Education, and Extension Service (CSREES) account, to provide partial funding in the amount of \$693,000 for Center for North American Studies. Funding for this project will go directly to Texas A&M University in College Station, Texas. This funding will assist in the continued development of the center. The focus is to further expand activities in education and training, research policy analysis, and cooperative study as related to trade issues.

In the Cooperative State Research, Education, and Extension Service (CSREES), Special Research Grants account, funding in the amount of \$1,730,000 for the International Cotton Center. The entity to receive funding for this project is Texas Tech University, located in Lubbock, Texas. The funding will be used to support several research projects investigating means of increasing the profitability and sustainability of cotton and other natural fiber production through the development of new uses for cotton fiber among others.

In the Cooperative State Research, Education, and Extension Service (CSREES) account, funding in the amount of \$3,220,000 for the Efficient Irrigation program (both research and extension arms). The entity to receive funding for this project is Texas A&M University. The funding will be used to provide resources for research, training, education, and technical assistance to agricultural and municipal water system operators, teaching them about irrigation system efficiency and about reducing biological and chemical hazards through alternative treatment of water and wastewater.

In the Agriculture Research Service (ARS) account, to provide partial funding in the amount of \$515,000 for the Great Plains Sorghum Improvement and Utilization Center. Funding for this project will go directly to Kansas State in Manhattan, Kansas. This funding will be used to continue to integrate the efforts among the three institutions to develop a series of multi-institutional and multidisciplinary teams that bring together new technologies and knowledge that focus on improvement of profitability in each stage of sorghum production, processing and marketing.

In the Department of Education, Higher Education account, to provide funding in the amount of \$285,000 for Midland College in Midland, TX for technology upgrades, including purchase of equipment. The funding would be used to for the purchase of new computers, specialized software and multi-media projector equipment as part of the ongoing technology upgrade program. The Advanced

Technology Center (ATC), operated by Midland College, offers a wide range of programs that are used by students from elementary schools, high schools and colleges seeking to learn computer and other technical skills, by workers upgrading their skills to retain their jobs or get new ones, by businesses who are training employees, and by individuals.

In the Department of Education, Higher Education account, to provide funding in the amount of \$95,000 for the Midland Independent School District, located at 615 W. Missouri Ave., Midland, TX for a teacher training initiative in conjunction with Texas Mathworks.
