

EARMARK DECLARATION

HON. ADRIAN SMITH

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 4, 2009

Mr. SMITH of Nebraska. Madam Speaker, pursuant to the House Republican standards on earmarks, I am submitting the following information regarding earmarks the Third Congressional District will receive as part of the Consolidated Appropriations for Fiscal Year 2009.

Requesting Member: Congressman ADRIAN SMITH

Bill Number: H.R. 1105

Account: Small Business Administration, Salaries and Expenses

Legal Name of Requesting Entity: University of Nebraska Kearney

Address of Requesting Entity: 905 West 25th Street, Kearney, Nebraska, USA

Description of Request: Provide an earmark of \$100,000 for the University of Nebraska World Trade Center. The funding would be used to provide market research to businesses, facilitate participation in trade shows, organize trade missions, conduct international trade education for businesses, and offer business services that directly support trade for clients. This program will be a one-stop resource for businesses at various stages, from exploring opportunities to forming export and import agreements with trade partners. The Small Business Administration has recognized that support for entrepreneurship is critical to economic growth, as reflected in SBA's guiding principles of supporting entrepreneurs through a network of local resource partners and empowering the spirit of entrepreneurship in every community. This project will provide specific support for growth-oriented small businesses that need access to larger markets, a particular challenge faced in non-metropolitan areas. Because impact is closely tied to the geographic distribution of resources, this project will achieve federal interests by locating a resource partner in a critical region.

Requesting Member: Congressman ADRIAN SMITH

Bill Number: H.R. 1105

Account: Transportation and Community and Safety Preservation

Legal Name of Requesting Entity: Nebraska Department of Roads

Address of Requesting Entity: 1500 Highway 2, Lincoln, Nebraska, USA

Description of Request: Provide an earmark of \$570,000 for a new interchange located on Interstate 80 at Cherry Avenue, which is located approximately three miles east of Kearney's only interstate exit. This project will provide efficient access from Interstate 80 to the large industrial and commercial area on the northeaster part of the city and relieve traffic congestion along 2nd Avenue. Currently, regional and national truck traffic serving these businesses must pass through the center of Kearney, causing delays and safety concerns. A new interchange and connecting roadway will encourage economic development and investment in this part of the country at a time when rural areas are experiencing difficult economic times.

Requesting Member: Congressman ADRIAN SMITH

RECOGNIZING NEWTON-CONOVER HIGH SCHOOL'S STATE FOOTBALL TITLE

HON. PATRICK T. McHENRY

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 4, 2009

Mr. McHENRY. Madam Speaker, I would like to recognize the Red Devils of Newton-Conover High School for winning the North Carolina state football championship. The Red Devils, led by head coach Nick Bazzle, met the Tarboro Vikings in the University of North Carolina's Kenan Stadium for the state 2A title.

Roughly 5,000 fans from Catawba County traveled to Chapel Hill to cheer on the Red Devils to the school's first state football championship. The hard work and dedication that these young men have put into the Newton-Conover football program paid off with an impressive 51-28 victory in the title game.

The enthusiastic support shown by the students, Principal Kevin Campbell, and the community has made this football season a historic one for Newton-Conover High School. I commend them for their efforts—and a great victory!

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 4, 2009

Mr. COBLE. Madam Speaker, pursuant to the House Republican standards on earmarks, I am submitting the following information regarding earmarks I received as part of H.R. 1105, the Omnibus Appropriations Act, 2009.

Requesting Member: Congressman HOWARD COBLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: Burlington-Alamance County Regional Airport

Address of Requesting Entity: 3441 North Aviation Drive, Burlington, North Carolina 27215

The airport is located in the heart of North Carolina's premier area of growth and development along the Interstate 40/Interstate 85 corridor between Raleigh-Durham-Chapel Hill and Greensboro-High Point-Winston-Salem. While completion of significant airport enhancement projects such as the installment of a High Intensity Runway Lighting System and the strengthening of the existing runway to support 120,000-pound aircraft have been successful in increasing corporate air traffic, safe operations of these aircraft are marginal on the airport's existing 5,000-foot runway. This project received \$1,000,000 in Fiscal Year 2004 and \$980,000 in Fiscal Year 2008.

This area is rapidly urbanizing and opportunities to preserve and develop recreational resources in the future will be limited. The High Point Greenway provides high quality healthy living resources to the citizens of High Point and Guilford County, as well as to tourists from across the world who visit the City. Some of those tourists include people who visit High Point for the International Furniture Market, which is the largest home furnishings trade show in the world, and is the largest biannual event in the state to which an average 140,000 people from more than 100 countries attend.

Address of Requesting Entity: 124 West Elm Street, Graham, North Carolina 27253

Specifically, funds will be used to convert its current VHF emergency communications system to an 800 MHz emergency communications system between January 1, 2009 and July 1, 2009. The reason for converting to the 800 MHz emergency communications system is based on two primary needs: safety and interoperability. Under the current VHF system, there are areas within the county that are without coverage which causes a safety issue for many of our system users and health and/or safety issues for those in need of emergency services. There are times when the users are unable to communicate with anyone. Because many of the users in Alamance County are on different VHF systems, there is also a lack of interoperability between users. Currently, only the City of Burlington, the Town of Elon, and the Town of Gibsonville Guilford/Greensboro's 800 MHz system.
