ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). Two minutes remain in the vote.

□ 1916

Mr. BOCCIERI changed his vote from “no” to “aye.”

So (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. GUTIERREZ. Madam Speaker, I was unavoidably absent from this Chamber today. Had I been present, I would have voted “yea” on rollcall votes 100, 111, and 112.

HONORING DR. GREGORY FREYDMAN

(Mr. McCLINTOCK asked and was given permission to address the House for 1 minute.)

Mr. McCLINTOCK. Madam Speaker, I rise to honor the memory of Dr. Gregory Freydmann of California.

Dr. Freydmann spent most of his life seeking freedom for his family, and finally fulfilled that dream at the age of 72 when he legally immigrated to the United States from the Soviet Union. He had been a renowned oncologist there and had risked his livelihood and his liberty to speak out against Soviet abuses.

Having seen firsthand the misery that tyranny inflicts on its people, Dr. Freydmann devoted himself to learning English, studying the American system of government, and passing on his appreciation of American founding principles to his children and to his grandchildren. He proudly became a U.S. citizen at the age of 77.

The highlight of his life was spending his final years in freedom with his beloved wife, Polina, secure in the knowledge that through a lifetime of struggle, he had secured the blessings of liberty for his posterity.

May he now rest in peace.

NATIONAL SCHOOL BREAKFAST PROGRAM

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Madam Speaker, I rise to recognize the importance of the National School Breakfast Program and to express my support for the resolution by the gentledady from Wisconsin that we passed this evening.

The 100 percent Federally funded school breakfast programs, particularly where breakfast is served in the classroom, have shown to increase student attentiveness, academic performance, and decrease tardiness and disciplinary referrals.

Classroom breakfast programs are important because they reduce the stigma of receiving free or reduced price breakfasts and increase participation in school breakfast programs. In my district, the Troy City School District has adopted a grab-and-go program where kids can get their breakfast right in their hallways and bring it into the classroom to eat with their peers. These schools, particularly School 2, 12 and 14, and the Carroll Hill School, have all seen their breakfast participation numbers rise to 50 to 60 percent of all students in their schools, where the average elsewhere in New York State is only 20 percent.

I hope that we can do around the country what Troy City School District has done in my congressional district. In these tough economic times, we need to ensure that more students are taking advantage of school breakfast programs, and breakfast in the
