used as a model for colleges and universities throughout the country by the National Council for Accreditation of Teacher Education.

Another highlight of her tenure at Kutztown was establishing the Philadelphia Masters in Elementary Education Graduate Program. This program helped Philadelphia teachers obtain master's degrees from Kutztown and led to developing similar programs for teachers in Reading and Allentown.

Outside of the classroom, Dr. Geskus was active in several national organizations, including the Middle States Steering Committee, National Council of Teachers of Mathematics and the College of Education.

Madam Speaker, I ask that my colleagues join me today in honoring the distinguished career of Dr. Elsa Geskus and all who commit themselves to teaching others.

HON. JIM JORDAN
OF OHIO
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 21, 2009

Mr. JORDAN of Ohio. Madam Speaker, I rise today to congratulate the University of Findlay Oilers on the occasion of their winning the 2009 NCAA Division II men’s basketball championship. The Oilers defeated the Cal Poly Pomona Broncos for the championship on Saturday, March 28, 2009, in Springfield, Massachusetts.

The Oilers ended their perfect 36–0 season in overtime when senior guard Tyler Evans hit a fade-away three-point shot as time expired, clinching the university’s first ever basketball title. With this win, the Oilers become only the fourth perfect championship team in Division II men’s basketball history. The Oilers are also the most winning team in Division II of the past decade, with a record of 238–46.

I would also like to congratulate Head Coach Ron Kerkamp and his coaching staff for their outstanding commitment to Oilers basketball. Coach Kerkamp was named the 2009 Molten Division II Bulletin Coach of the Year. In addition, senior forward Josh Bostic was named the 2009 Division II Player of the Year.

I am honored to join the chorus of well-wishers as the University of Findlay and the broader community celebrate this remarkable achievement. I join with my colleagues in wishing them all continued success.

HONORING THE SERVICE OF THE VOLUNTEER MEDICAL SERVICES CORPS

HON. JIM GERLACH
OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 21, 2009

Mr. GERLACH. Madam Speaker, I rise today to honor an ambulance corps that is celebrating 65 years of faithfully serving communities in southeastern Pennsylvania.

Volunteer Medical Services Corps of Lower Merion, Narberth, Conshohocken and West Conshohocken provides critical care services in a 49 square-mile area and responds to more than 7,200 calls for help each year.

The dedicated and highly-skilled first responders stand ready to answer calls at all hours, in the sweltering heat of summer and the frigid depths of winter, and on some of suburban Philadelphia’s most heavily traveled highways, including the Schuylkill Expressway and the Blue Route.

Since its founding in 1944, Volunteer Medical Services Corps has remained true to its mission of providing the highest quality care to each patient its members transport with compassion and dignity.

The Corps owes a large measure of its success to more than 70 volunteers who selflessly give approximately 8,000 hours of service each year.

Madam Speaker, I ask that my colleagues join me today in congratulating Volunteer Medical Services Corps of Lower Merion, Narberth, Conshohocken and West Conshohocken on its 65th anniversary and acknowledging the tremendous commitment and service of its volunteers and professional staff.

In honor of Coach Bruce Snyder

HON. HARRY E. MITCHELL
OF ARIZONA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 21, 2009

Mr. MITCHELL. Madam Speaker, I rise today to recognize the exemplary and inspirational life of Coach Bruce Snyder. Diagnosed with cancer just last year, Coach Snyder passed away early in the morning on Monday, April 13, 2009. He was 69 years old.

Coach Snyder will always be remembered for his many successes as the head football coach at Arizona State University from 1992–2000, and before that at the University of California. Under his leadership, the Sun Devils won 58 games and made four bowl appearances. More than 40 of Coach Snyder’s players were drafted into the NFL, and he produced over 100 All-Pac-10 honorees.

ASU alumni the world over remember the magical 1996 season. Bruce Snyder coached the Sun Devils to one of their best seasons in history, going 11–1, upsetting many highly ranked championship teams, and coming heartbreakingly close to a NCAA national championship. He was named Coach of the Year, an honor that could not have been more appropriate.

Coach Snyder’s time at ASU is incredibly impressive, and has certainly left a lasting impression on me. But the ultimate record of his work lies in the positive and lasting impact he has made upon the hearts and minds of the people he touched. Players, family and friends recall Coach Snyder as a man of tremendous personal integrity, culture and caring for those around him. He imparted life lessons on his players that went far beyond the field. As one former player so aptly put it upon learning of Coach Snyder’s passing, “He was a good coach, but a better man.”

Madam Speaker, please join me and Bruce’s wife and children in mourning the loss and honoring the legacy of Bruce Snyder.
