ENHANCED OVERSIGHT OF STATE AND LOCAL ECONOMIC RECOVERY ACT

(Mr. CONNOLLY of Virginia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise to thank my colleagues for favorable consideration of H.R. 2182, the Enhanced Oversight of State and Local Economic Recovery Act. I was pleased to cosponsor this legislation, which was introduced by the chairman of the Oversight and Government Reform Committee.

At a hearing of that committee, we learned that dedicated oversight funding for State and local governments could improve oversight of money appropriated through the American Recovery and Reinvestment Act. Subsequently, I introduced legislation, H.R. 1911, which would provide for that oversight funding within the Recovery Act.

H.R. 2182 incorporates the objectives of that bill and will provide additional certainty that money spent through the economic stimulus is spent wisely. This local and State funding represents some of the most important stimulus funding, because it is protecting the jobs of teachers, firefighters, police officers, as well as essential human services, across the country.

I commend Chairman TOWNS for his leadership and commend my colleagues for the passage of H.R. 2182.

DON'T SACRIFICE TWO GOOD-PAYING AMERICAN MANUFACTURING JOBS TO CREATE ONE "GREEN" JOB

(Mr. ROE of Tennessee asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROE of Tennessee. Mr. Speaker, this week the House Democrats on the Energy and Commerce Committee are marking up a more aggressive cap-and-tax bill than what even the President had proposed. On the campaign trail last year, the President said his plan would cause electric rates to skyrocket, and the bill being considered this week will cause electric utilities even more disruption than what the President proposed.

Individuals and businesses everywhere need to start paying attention to the threat this bill poses. The non-

partisan Congressional Budget Office estimated such a plan would increase the average household's electric bill by \$1,600 per year.

Since the bill requires no concessions from developing countries, businesses like Eastman in Kingsport, Tennessee, who are engaged in a tooth-and-nail competition with China, can't pass increased energy costs on to consumers and maintain their market share, which means that employees could lose their jobs if this bill passes.

I urge those on the other side of the aisle not to sacrifice two good-paying American manufacturing jobs to create one "green" job.

PASSAGE OF HELPING FAMILIES SAVE THEIR HOMES ACT

(Ms. MOORE of Wisconsin asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MOORE of Wisconsin. Mr. Speaker, I am so pleased that Senate bill S. 896 included the first major reauthorization of the McKinney-Vento homelessness bill. I have worked diligently on this bill with Representative WATERS for over a year, particularly on provisions that would expand the definition of homelessness and give agencies more flexibility so that they could assist folks who are at risk of becoming homeless within 14 days.

I want to thank Congresswoman WATERS, Congressman FRANK for their leadership, also to thank Representative BIGGERT, Representative JEFF DAVIS and Representative ANDRE CARSON.

Too many families in today's recession are just one paycheck away from making their rent, and we have seen hundreds of thousands of foreclosures, many more expected this year. These families are also at grave risk of becoming homeless.

This provision also will serve victims of domestic violence trying to flee their abusers. It will allow families to seek emergency shelter due to the imminent loss of their housing. It gives local homeless agencies greater resources and flexibility.

REMEMBERING THE LIFE OF COACH CHUCK DALY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today I honor a man who held his first position as a head coach at Punxsutawney High School in my district, coaching the Chucks. You will recognize the name of this coach, Chuck Daly, and realize some of his fame came much later when he led the Detroit Pistons to two National Basketball Association titles.

This is a man who was voted one of the 10 greatest coaches of the NBA's first half century in 1996, 2 years after
