Legal Name of Requesting Entity: Alabama District Attorneys Association, Montgomery, AL

Address of Requesting Entity: Alabama District Attorneys Association, 515 South Perry Street, Montgomery, Alabama 36104

Description of Request: "Alabama Computer Forensics Labs, \$900,000." The funding would be used to expand the computer forensic lab program and to provide cybersafety training. Taxpayer Justification: Since 2006, this program has assisted 75+ outside LEO and analyzed over 2000 pieces of electronic evidence in approximately 851 criminal cases and conducted many cybersafety trainings at schools. This funding will build on this program.

These funds will approximately be used for the following: salaries: \$575,000.00; benefits: \$150,000.00; travel: \$20,000.00; equipment: \$50,000.00; supplies: \$35,000.00; additional operating expenses: \$70,000.00.

Legal Name of Requesting Entity: Auburn University, Auburn, AL

Address of Requesting Entity: Auburn University, 102 Samford Hall Auburn, AL 36849

Description of Request: "Auburn University Canine Program, \$900,000." It is my understanding that the funding would be used for continuing support of a program to provide Alabama (AL) Law Enforcement Organizations (LEO) with state-of-the-art detector-dog team (dog and handler) training for enhancing public and, especially, school safety. The detector-dog and handler team remain the most capable tool for the interdiction of explosive materials and illicit drugs. The capability of such teams is entirely dependent upon the quality of the dog, the dog's training, and instruction of its handler. This program would make available to AL LEO the highest state-of-the-art detector dogs, training, and handler instruction. AU proposes continuation and expansion of the FY09 program to provide AL LEO access to the services of CDTC in order to enhance public and, in particular, school safety in AL communities.

The funds will approximately be used for the following: personnel: \$405,000; equipment costs (including the costs of acquiring canines): \$112,000; in-state travel: \$81,000; administrative costs: \$243,000; and sub-contract support: \$59,000.

Address of Requesting Entity: National District Attorneys Association, 44 Canal Center Plaza, Suite 110, Alexandria, VA 22314

Description of Request: "National Advocacy Center State and Local Prosecutors Training Program, \$150,000." The full amount of this funding would be used to develop the curriculum and training materials used by the National Advocacy Center to effectively train America's prosecutors. This program supports the National District Attorneys Association's participation in legal education training at the National Advocacy Center. Taxpayer Justification: The NDAA's mission at the NAC is to equip the nation's prosecutors with advocacy

skills to effectively represent their communities and constituents in the courtroom in order to ensure community safety.

Address of Requesting Entity: The University of Alabama at Birmingham, 1530 3rd Avenue South, AB 720E, Birmingham, AL 35294

Description of Request: "Model State Partnership for Cybercrime and Security, \$500,000." The funding will be used to increase technology infrastructure to provide technical assistance to government agencies, develop enhancements to existing tools & create new tools to assist law enforcement in the fight against cybercrime and cyberterrorism. Taxpayer Justification: This initiative will raise the value of the Alabama Fusion Center, as a Fusion Center capable of receiving cybercrime cases and working them successfully for the benefit of its citizens, offloading such work from the Federal government.

The funds will approximately be used for the following: personnel: \$250,000; and technology infrastructure: \$250,000.

IN RECOGNITION OF THE PASSING OF CAPTAIN JOHN J. COONAN, JUNIOR

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 16, 2009

Mr. MILLER of Florida. Madam Speaker, I rise to honor retired Navy Captain John J. Coonan, Jr., who passed away on June 12, 2009. Captain Coonan served our nation, our Navy and the people of Northwest Florida with honor and distinction, and I am humbled to recognize him.

Known to his friends as Captain JJ Coonan, John was an American patriot who served over 30 years as a career Naval Officer. He worked as a single-seat jet pilot in carrier aviation and accumulated over 5,000 flight hours and 1,000 carrier landings. JJ's command assignments varied among squadron, Carrier Air Wing, and deep draft ship command. His most notable assignment came in 1988 when he served as Commanding Officer of the USS America, a Kitty Hawk class supercarrier of the U.S. Navy. Captain Coonan's distinguished naval career is a testament to his profound dedication to his country.

Upon his retirement from active duty in 1996, Captain Coonan joined the staff at the Naval Aviation Museum Foundation in Pensacola, Florida. He began as Director of Development and later transitioned to a position as Vice President of Education and Chief Operating Officer. Captain Coonan's leadership at the Foundation had a tremendous impact on all those who visited the museum; however, his most lasting contribution is his stewardship of the National Flight Academy. The academy will be the leading aviation-inspired education program in the country. In a tribute to the life of Captain Coonan, today the National Flight Academy broke ground on the new facility, paving the way for construction and completion of the academy in May of 2011. His dedication to the service of others will live on through the academy long after his passing.

The people of Pensacola and our entire area have many reasons to be proud of Captain Coonan. My wife Vicki and I will keep his entire family, especially his wife, Kathryn, children Michael and Kelly, and grandchildren in our prayers. Northwest Florida will truly miss Captain JJ Coonan.

MR. RONALD E. CHRONISTER, DEPUTY TO THE COMMANDER, U.S. ARMY AVIATION AND MISSILE COMMAND

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 16, 2009

Mr. ORTIZ. Madam Speaker, I rise today to recognize the service and dedication of Mr. Ronald E. Chronister, deputy to the Commander, of the U.S. Army Aviation and Missile Command in Redstone Arsenal, Alabama.

Mr. Chronister's life-time service to the U.S. Army has been an outstanding one. He has served this country with loyalty, dignity and respect, always engaging his active mind to better develop materials needed by our brave service men and women. We are forever in debt to him for all he has done in the name of freedom and our pursuit of happiness. Today, I stand proud as we commemorate his honor and hard work for the more than 25 years he has served this country through the U.S. Army.

Mr. Chronister earned his bachelor's of science degree in civil engineering from The University of Alabama in 1982, and shortly after enrolled at the Army Material Command Intern School of Engineering and Logistics in Texarkana, Texas. In 1983, he went on to be a general engineer in the production engineering division of the U.S. Army's Research Development in Redstone Arsenal, Alabama, where he climbed the ranks from chief to deputy director to acting director.

In 2002, he earned a master's of science in program management from the Naval Post Graduate School and has received throughout his career numerous awards, certifications and has been an active member of professional associations.

His career in the U.S. Army's Research team has grown by leaps and bounds. Since October 2005, Mr. Chronister has been appointed to the Senior Executive Service and served as Executive Director of the Integrated Material Management Center from October 2005 until February 2008. During that time, he established the Prototype Integration Facility, a unique government-owned and government-
