

Recipient: Idaho State Police

Recipient's Street Address: 700 South Stratford, Meridian, Idaho 83642

Description: In 2006, the Idaho State Police (ISP) developed and deployed, on a limited basis, a web-based Case Investigative System (CIS). This tool allows investigators to collect, use and share critical law enforcement information across the state. CISAnet provides a bi-directional information-sharing network within and between state and local law enforcement agencies. CISAnet provides ISP and law enforcement across Idaho with real time access to criminal intelligence information shared by law enforcement partner agencies within the states of Alabama, Arizona, California, Georgia, Louisiana, Mississippi, New Mexico, Oklahoma and Texas. This ten state area is regarded as one of the most vulnerable to our nation's security—a 'soft spot' through which illegal Mexican immigrants filter, illegal drug trafficking passes and terrorists move freely. It is believed that securing this porous border with Mexico is an effective way to protect American citizens. The CISAnet system provides an effective means for law enforcement agencies to share information across state lines on known or suspected criminal activity. Together, access to CISAnet, Idaho's Fusion Center and remote access to CIS will ensure that Idaho state and local law enforcement officers have the best information available in a timely manner. In today's environment, these systems are an effective way to monitor illegal drug and terrorist activity and identify, target and locate potential terrorists. These systems are important components of an overall prevention strategy and are crucial to protecting the citizens of Idaho and the United States' homeland security. The Criminal Information Sharing Alliance network (CISAnet) FY2010 federal funding will be used to continue the integration of CIS into the CISAnet infrastructure, to expand its capabilities by adding a Geo coding module and by integrating CIS, RMS and CISAnet into Idaho's Criminal Intelligence Center.

Mr. POE of Texas. Madam Speaker, I would like to recognize and thank Kenneth Wayne Hudson for his service in the United States Navy. The hard work and devotion he has demonstrated through out his career serves as an example to us all. Kenny has served our country with courage and honor both at home and abroad.

After the war, he began his career and was never able to return to school to obtain his high school diploma. It is with great pleasure that I am today congratulating Kenny on his most deserved accomplishment of receiving his high school diploma from Humble High School. I know all his family and friends are very proud.

Kenny has recently retired from the workforce and I know he will enjoy the company of his wife Becky and three children, Michelle, Chad and Todd.

This great country will forever be in Kenny's debt. I wish him the best of luck in his future endeavors. He will continue to reach new levels of accomplishment.

We appreciate his service to America and his commitment to keeping our nation the "Land of the Free and the Home of the Brave."
