

The funding would be used for reconstruction of the storm water conveyance system to reduce flooding, meet storm water management standards, and to enhance storm water quality in the Borough of Califon, New Jersey.

Much of the historic core of the Borough of Califon was developed during the mid-late 19th century. Drainage systems were constructed to collect and deliver stormwater to waterpower sites. Considerable segments of the original drainage infrastructure remain and are antiquated. The current drainage ways are susceptible to frequent flooding. During flooding events, recharge to groundwater is reduced, suspended solids and floatables bypass normal catchments, and septic systems are inundated. The quality of receiving waters is degraded.

A reoccurring flooding problem exists along an unnamed tributary which traverses a natural, wooded area between Academy Street and Main St. Severe flooding occurs as flows overtop the existing channel and then sheet overland along Railroad Avenue and Main Street. Flooding along the area reoccurs on a regular basis and results in the degradation of water quality of the downstream receiving watercourses.

In general, the problem is inadequate capacity of the conveyance system of open channels, pipes and culverts. Reconstruction of the system is needed to reduce flooding, meet current stormwater management standards and to enhance stormwater quality.

This project is consistent with environmental criteria established by the State of New Jersey to improve stormwater systems and water quality. Since the stormwater from the area of this project enters the South Branch of the Raritan River, which flows directly through the center of the Borough of Califon, the benefits of this project are far reaching.

IN REMEMBRANCE AND RECOGNITION OF TIMOTHY MICHAEL ELLIOTT

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 25, 2009

Mr. KUCINICH. Madam Speaker, I rise today in remembrance of Timothy Michael Elliott and in recognition of his service to our country and his dedication to the City of Cleveland, Ohio. Tim lived and worked in the Detroit-Shoreway neighborhood of Cleveland's west side in my district. He sought to preserve Cleveland's historic housing one house at a time and devoted his time to ensuring the historic integrity of each home he restored.

As a young man, Tim served in the U.S. Army and worked as a draftsman for Hauserman Inc., and B.F. Goodrich. He also worked for Century 21 Real Estate and led the Nolasco Housing Corporation, a non-profit development organization affiliated with the neighborhood Catholic Church, Our Lady of Mount Carmel. In addition to his work, he dedicated his life to the City of Cleveland. He was proud of the west side neighborhood in which he lived and became concerned about deteriorating conditions. He began to buy and repair neighboring homes to improve the housing of the neighborhood. He rarely worked on houses he could not walk to from

his Herman Avenue home. "He could walk into a place that was falling apart and not see it as it was but what it could be," said Judge Ray Pianka, a neighbor and friend as well as Cleveland's municipal housing judge. "He has taken some homes that appeared to be beyond saving and made them showplaces."

Also within walking distance of their home was Edgewater State Park, a beautiful park along the Lake Erie shore with beaches, boating, picnic areas, and other recreational activities. Tim and his wife Mimi, along with other neighbors and local officials, started the Friends of Edgewater Park to promote and preserve this wonderful amenity in their neighborhood. Tim is survived by his wife Mimi, his son Timothy Michael Jr., his granddaughter Brooke Elliott, and his many friends.

Madam Speaker and colleagues, please join me in celebrating the life of Tim Elliott, and in recognizing his dedication to the betterment of our community. His service and leadership in the west side neighborhood of Cleveland inspired us all to work toward neighborhood preservation.

TIMOTHY ELLIOTT, 63, FIXED UP OLD HOMES ON THE WEST SIDE—OBITUARY
(By Grant Segall)

Tim Elliott helped to turn around the West Side. The painstaking renovator and Realtor helped revive Ohio City and Detroit-Shoreway in the past four decades, boosting a couple of hundred properties and winning over skeptical investors, bankers and officials.

Elliott died Friday in his West Side home, one of his pet projects, a 3,200-square-foot Italianate from the 1860s. He was 63 and had struggled for several years with strokes.

"He could walk into a place that was falling apart and not see it as it was but what it could be," said Raymond Pianka, Cleveland's housing judge, a neighbor and the employer of Elliott's widow, Mimi. "He has taken some homes that appeared to be beyond saving and made them showplaces."

Elliott liked not just walking into a place but walking to it. He'd turn down a project if he and his small crew couldn't walk there from their homes.

He hoped each project would ripple through the neighborhood. He preferred corner homes, helping two blocks instead of one.

He liked to install modern conveniences such as whirlpools while highlighting history.

"There's not a newer old house in the city," he boasted about one salvage job.

He bought homes suffering from water, waste and vandals and sold them for several times his purchase price. He'd comb rural Ohio for replacement parts or make them himself, from tiles to spindles.

Elliott said he'd decided at age 7 to spruce up old homes. He was born on the East Side, the seventh of eight children. His father was an engineer, and several brothers followed suit.

He left Cleveland at 12 and graduated from Willoughby South High School. He enlisted in the U.S. Army, making photographs and maps, serving partly in South Korea.

Elliott returned to Cleveland in the early 1970s and helped Hauserman Inc. draft work for projects such as the Americana high-rise in Euclid. He later drafted pipes and buildings for Goodrich in Solon.

On the side, he got an associate's degree in arts at Cuyahoga Community College.

He started renovating West Side homes about 1978. He owned about 16 buildings over the years and handled many others as well.

He worked for Century 21 and led Nolasco Housing Corp., a development group affili-

ated with Our Lady of Mt. Carmel Church, in the 1980s.

Elliott was honored by Cleveland Magazine and the Cleveland Restoration Society.

On the side, he liked to bicycle, raise terriers and sail. He put together a 27-foot boat from a kit.

EARMARK DECLARATION

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 25, 2009

Mr. MILLER of Florida. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of the Fiscal Year 2010 Department of Interior and Environment Appropriations request.

Requesting Member: Congressman JEFF MILLER

Project Name: Santa Rosa County for Navarre Beach water clarifier
Account: STAG Water and Wastewater Infrastructure Project

Legal Name of Requesting Entity: Santa Rosa County, FL

Address of Requesting Entity: 6495 Caroline Street, Milton, FL 32570

Description of Request: \$220,000—Santa Rosa County for Navarre Beach Water Clarifier, Milton, Florida. I requested these funds to allow for Navarre Beach residents to have a safe and reliable source of water. Currently there is no reliable backup beyond three days for citizens. It would also increase compliance with both State and Federal regulations. The entity to receive funding for this project is Santa Rosa County, Florida, located at 6495 Caroline Street, Milton, FL 32570. The funding would be used to complete the Navarre Beach Water Reclamation Facility clarifiers to protect the area's water quality. I certify that this project does have a direct and foreseeable effect on the pecuniary interest of my spouse or me. Consistent with the Republican Leadership's policy on earmarks, I hereby certify that this request (1) is not directed to any entity or program named after a sitting Member of Congress; (2) is not intended for a "front" or "pass through" entity; and (3) meets or exceeds all statutory requirements for matching funds where applicable.
