ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining on this vote.

□ 1314

Mr. POE of Texas changed his vote from "yea" to "present."

So (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PARLIAMENTARY INQUIRY

Mr. GOHMERT. Parliamentary inquiry, Madam Speaker.

The SPEAKER pro tempore. The gentleman may state his inquiry.

Mr. GOHMERT. Madam Speaker, we just voted on H. Res. 543. I voted present because I was confused. This indicates that we are designating June as Home Safety Month. By designating the month that just passed as Home Safety Month, would this be an ex post facto law that would be prohibited by the Constitution?

The SPEAKER pro tempore. The Chair cannot construe the measure.

Mr. GOHMERT. I understand it is confusing to you as well. But were we designating the month just passed as Home Safety Month?

The SPEAKER pro tempore. That is not a parliamentary inquiry.

Mr. GOHMERT. Well, I thought the question mark on the end might have helped it become one. But anyway, I understand it is confusing to the Chair, so I guess no answer is an answer.

The SPEAKER pro tempore. The Chair thanks the gentleman.

GENERAL LEAVE

Mr. SERRANO. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include tabular and extraneous material on H.R. 3170.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

FINANCIAL SERVICES AND GENERAL GOVERNMENT APPROPRIATIONS ACT, 2010

The SPEAKER pro tempore. Pursuant to House Resolution 644 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 3170.

□ 1316

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 3170) making appropriations for financial services and general government for the fiscal year ending September 30, 2010, and for other purposes, with Mr. HASTINGS of Florida in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from New York (Mr. SERRANO) and the gentlewoman from Missouri (Mrs. EMERSON) each will control 30 minutes.

The Chair recognizes the gentleman from New York.

Mr. SERRANO. Mr. Chairman, I yield myself such time as I may consume.

I am pleased to rise in support of the Financial Services and General Government 2010 appropriations bill, which includes total funding of \$24.150 billion.

This is a bill that we worked on cooperatively with our ranking member, JO ANN EMERSON, and I want to thank her for her work that she has put into this bill, for her friendship and her all around goodwill. We had helpful input from our subcommittee members and a productive full committee markup where all members had an opportunity to offer amendments and to have them debated and considered.

This is a bill that we, as a Congress, can be proud of. The agencies that this
