Tuesday, July 28, 2009

Mr. HASTINGS of Florida. Madam Speaker, as a member of Kappa Alpha Psi Fraternity, Inc., I rise today to pay homage to my fraternity brothers. On July 17, 2009, I introduced House Resolution 659 along with Representatives JOHN CONYERS, JR., SANFORD D. BISHOP, JR., WM. LACY CLAY, and BENNIE G. THOMPSON congratulating Kappa Alpha Psi Fraternity, Inc. on 98 years of community service. Kappa Alpha Psi Fraternity, Inc. (KAPΨ) is a collegiate Greek-letter fraternity founded on January 5, 1911 by ten distinguished African-American gentlemen on the campus of Indiana University in Bloomington, Indiana. The vision of the God-fearing men was to foster leadership through fraternal brotherhood and Christian ideals.

Kappa Alpha Psi Fraternity, Inc. has been a significant contributor to our society. Through its Kappa League and National Guide Right programs, Kappa Alpha Psi has provided thousands of at-risk youth in communities throughout the Nation with role models and mentors that encourage them to make positive contributions to, and to take leadership roles in, their communities. Among so many other notable accomplishments from my brotherhood, I am honored to continue serving Kappa Alpha Psi alongside our other brothers in Congress. Each day in Congress, we strive to ensure that our brotherhood continues to exemplify achievement in every field of human endeavor.

Kappa Alpha Psi Fraternity, Inc. is celebrating its 79th Grand Chapter Meeting in Washington, DC from August 4 to 9, 2009. With anticipation of the Golden (100th) Anniversary in 2011 at Indiana University, the

Washington, DC Conclave of Kappa Alpha Psi Fraternity is projected to be one of the largest and most celebrated "homecomings" within the Kappa's conclave history. Madam Speaker, I ask that you join me in welcoming the brothers of Kappa Alpha Psi Fraternity, Inc. and, their families to our Nation's "Kapitol" for this significant occasion of unity and achievement.

I urge my colleagues to join me in support of this important resolution honoring my great fraternity Kappa Alpha Psi Fraternity, Inc.

HONORING CHEYENNE BRUGH FOR HER WORK WITH EMERGENCY ANIMAL RESCUE

HON. DUNCAN HUNTER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2009

Mr. HUNTER. Madam Speaker, today I rise in recognition of Cheyenne Brugh of Ramona, CA. Cheyenne is a 13-year old young woman who has committed her time and energy to the Emergency Animal Rescue group. This non-profit organization located in my district is made up of volunteers, like Cheyenne, who are committed to rescuing and housing animals from life threatening situations. Today, I am honored to recognize this young lady for her outstanding achievements and superior quality of character.

Cheyenne is the youngest of three children and the daughter of a single, working mother. She is involved with Big Brothers and Big Sisters of America and works with her Big Sister at the Emergency Animal Rescue organization. When Cheyenne is not helping rescued animals, she continues volunteering her time at promotional events to raise money for Emergency Animal Rescue. In addition to her involvement with the rescue group, she is a hardworking and dedicated student, receiving excellent grades in school. Her dedication to such a demanding organization while balancing schoolwork is truly remarkable.

Along with all of her achievements, Cheyenne took the Large Animal Rescue course in California to further expand her knowledge of animal rescue. This rigorous 2-day training program teaches ways to extract animals from multiple dangerous and life threatening situations. At 12 years old, she was awarded the certification for Large Animal Rescue by the California State Fire Marshal, making her the youngest person to ever receive these qualifications.

Madam Speaker, this is an extraordinary young lady whose actions and accomplishments directly reflect the type of person she is and will be. Individuals like Cheyenne, who volunteer their time, are at the heart of this great nation. The next time there is a wildfire in Southern California, you can rest assured that Cheyenne will be there rescuing animals. Her selfless dedication to saving animals' lives at such a young age is something we can all emulate. Cheyenne, thank you for your incredible work, you are an inspiration to us all.

HONORING THE LIFE OF FRAN GREENSPAN

HON. STEVE ISRAEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2009

Mr. ISRAEL. Madam Speaker, I rise today to pay tribute to the life of Fran Greenspan. If we are lucky in our lives, we will have come across someone who inspires us to be better citizens, someone who we hold out as a role model for our children, someone who makes it her life's work to improve the community in which she lives. Thankfully, there are hundreds of students in a town I represent who can say that their lives were touched by Fran Greenspan.

For over twenty years, Fran has been involved in the education of students in the Half Hollow Hills School District. After she gave up teaching to raise her family, she joined the Parent Teacher Association, then the district's school board and ultimately became the district's President. She was a passionate advocate for child safety, expansion of the district's gifted students program and improvement in the drug and alcohol awareness programs. Her list of accomplishments is lengthy, but does not fully express the measure of her impact because woven into each one is a caring and warmth unique to Fran. For example, she founded and hosted a small program in the district for families with working parents who left for work before the start of the school day that needed a place for their children. At the elementary school each morning, Fran served those kids breakfast. For years, The Breakfast Club eased the burden on working families, and each child that passed through it became one of Fran's children. In this and a thousand other ways, the community came to know and cherish Fran Greenspan. In honor of her years of dedication and service, the district's central administrative building now bears her name. Her memory is an inspiration to all who work there that we can in our own lives make the lives of others better through community service and an unending kindness.
