AMERICANS NEED HEALTH CARE FACTS FROM DEMOCRAT-MEDIA ALLIANCE

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I agree with President Obama when he says there’s a need for affordable health care.

Mr. Speaker, a trillion-dollar plan is not affordable, particularly when it leaves millions of Americans without insurance.

The Republican health care plan offers a solution for all Americans for health care access, affordability, quality, and choice. Under the GOP plan, medical decisions will be made by patients and their doctors, not a government bureaucrat such as the Democrat-proposed Health Insurance Commissioner.
