THE FORECLOSURE CRISIS

(Ms. TITUS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TITUS. Mr. Speaker, during the upcoming work session, I will return to southern Nevada, which is ground zero for the foreclosure crisis that triggered our current recession. During my time at home working with constituents who need help with their mortgages, many in homes that are underwater.

Families throughout my district are struggling to make their mortgage payments, and one out of every 16 homeowners in Nevada has faced a foreclosure filing. Folks in District Three clearly need assistance to stay in their homes and avoid foreclosures.

Tonight in kitchens across the country and in every congressional district, families worry about losing the roof over their heads. I’m sure that every family in every congressional district, in their homes and avoid foreclosures.

THE 75TH ANNIVERSARY OF CONTINENTAL AIRLINES

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, tonight I rise to celebrate the 75th anniversary of my hometown airline, Continental Airlines. I would like to thank all of the employees, past and present and those in the future, who have continued to serve our community and the Nation. We thank them for their original beginnings with great history and great leadership.

I’m reminded of one of their transfer names, Eastern Airlines. I’m reminded, of course, of the uniforms and the admiration that children would give the pilots and flight attendants. We still do that today.

Continental Airlines is in my district, and as well the Bush Intercontinental Airport, which is their hub airport.

Let me thank them for the many economic dollars they provide to the fourth largest city in the Nation, Houston, Texas, and as well let me congratulate them as we move toward in a new structure that will allow more diversity, more competition, but stronger airline services and customer relations.

Thank you to the leadership of Continental Airlines and to their CEO, Larry Kellner, and all of their employees. You’ve had 75 years. You should be proud.

IRAN’S MARTYRS OF FREEDOM

(Mr. MCCOTTER asked and was given permission to address the House for 1 minute.)

Mr. MCCOTTER. Mr. Speaker, recently we have seen the end of Islam’s 40-day period of mourning for the martyrs of freedom that were killed on June 20, Neda Soltan, Taraneh Mousavi. And what did the regime do in response? They prevented people from attending their grave sites. They removed people who wanted to lay flowers. And in the end, as reported by many media, Brigadier General Abdullah Araghi warned against any further gatherings: “We are not joking. We will confront those who will fight against the clerical establishment.”
