Address of Requesting Entity: 5300 International Boulevard, Charleston, SC 29418

Description of Project: This project will have an important impact on the Army as it will contribute greatly to the military efforts our troops are currently engaged in around the world and here at home. HIPER will implement a program which ensures the provision of the best and safest weaponry to the warfighter and in the quickest and most efficient way, by replacing parts and resetting weapons more quickly and at reduced cost. This will help keep our troops safe and fully equipped with the optimum defense mechanisms they need to effectively complete their missions, while using cutting-edge technology to reduce costs and lower wait times. To achieve this goal we will be relying on industrial and government partners in numerous states, resulting in employment sustained and created via manufacturing and research requirements.

IN RECOGNITION OF THE DEDICATION OF A NEW SERVICE AND WORSHIP CENTER AT PINE TERRACE BAPTIST CHURCH

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. MILLER of Florida. Madam Speaker, I rise today to recognize the dedication of a new worship center at Pine Terrace Baptist Church in Milton, Florida. Pine Terrace Baptist has long been a positive force in Northwest Florida, and I am proud of their tremendous contributions to the community.

Pine Terrace Baptist Church began as a mission of another Milton church, Ferris Hill Baptist. In March of 1970, church members of Ferris Hill Baptist set out to create a mission northwest of Milton, and on July 5, 1972, several church families met at a congregant's home. 42 people were present at the first meeting, and continued to meet at members' homes until the church's first building was completed. The first worship service was held in the new building on May 13, 1973, and the mission was officially constituted as Pine Terrace Baptist Church on August 19, 1973 with 48 members.

Since 1973, Pine Terrace has grown to over 1,600 members. A fellowship hall was added in 1976, a children's wing was built in 1978, and a new sanctuary was constructed in 1984. Today the church owns close to 19 acres of land. Seven pastors have served at Pine Terrace since its foundation, and current Pastor Dr. Michael Wiggins has served since 1987. This year the church celebrates the opening of a new worship and service center which will also house administrative facilities and the

music suite. The construction of this new building can be traced directly back to the passion of the congregation and its leaders. The church's motto encompasses what all Americans should strive to achieve: "Loving God. Loving People. Serving the World."

Madam Speaker, on behalf of the United States Congress, I am privileged to honor Pine Terrace Baptist Church upon the dedication of their new worship center. My wife Vicki and I wish the best for continued growth and service to Pastor Wiggins and the entire church family.

RECOGNIZING THE ACCOMPLISHMENTS OF JUNIOR ACHIEVEMENT OF THE MISSISSIPPI RIVER VALLEY

HON. W. TODD AKIN

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 9, 2009

Mr. AKIN. Madam Speaker, I rise today to recognize the accomplishments of Junior Achievement of Mississippi River Valley. In particular, I would like to congratulate the organization's President, Lori Jacob, for winning JA Worldwide's 2009 Karl Flemke Pioneer Achievement Award. This award recognizes significant achievements and contributions of new Junior Achievement USA Member Presidents.

Junior Achievement is the world's largest organization dedicated to teaching students in Kindergarten through 12th grade about the importance of economics, entrepreneurship, and financial literacy. The organization reaches over 9 million students around the world each year, with over 130 local offices in the United States and operations in over 110 countries worldwide. One of the things that makes JA so unique is its use of adult volunteers to bring business to life for students. In the U.S. alone, young people in more than 188,000 classrooms benefit annually from these positive role models.

Ms. Jacob is clearly deserving of receiving this year's Flemke Award.

She began her career with Junior Achievement in 1987, serving in many roles within the Marketing, Education, Development, and Operation departments until she assumed her current position in 2007. Under her leadership, the area reached 127,000 students in over 700 schools this year, on a \$2.7 million budget, making Junior Achievement of Mississippi Valley one of the organization's largest operations in the United States. Ms. Jacobs led the area to become a national two-time winner of JA's most prestigious funding award—the MetLife Entrepreneurial Award. She has been a champion in creating more awareness of JA, and has a volunteer board of directors composed of over 60 leaders of the St. Louis community.

In this current economic climate, teaching students the importance of economics and financial literacy is of the utmost importance, and I congratulate Ms. Jacobs and Junior Achievement of the Mississippi River Valley for their efforts throughout the St. Louis metropolitan area.
