HONORING THE MEMORY OF
TERRENCE BARNICH

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 22, 2009

Mr. QUIGLEY. Madam Speaker, I rise today to honor the memory of Terrence (Terry) Barnich and the sacrifice he made for his country. Terrence was serving as the Deputy Director of the Iraq Transition Office in Baghdad when his motorcade was attacked by an improvised explosive device on May 25, 2009. He had dedicated his life to his country, leaving a comfortable life in Chicago and signing on for multiple tours in Iraq where he worked for more than two years.

Terrence was an exemplary and valiant U.S. citizen. Volunteering to serve in Iraq in a time of war attests to his loyalty and dedication to our country. As the Deputy Director of the Iraq Transition Group, he lent his skills to rebuilding and improving Iraq's energy infrastructure in an effort to help build a better future for the people of Iraq. His leadership in Iraq's transition has benefited thousands and will continue to affect generations to come. This is a great

loss not only to the Illinois 5th District, but also to the United States and Iraq.

Terry will be remembered by the American people as a selfless public servant whose memory will live on through his great accomplishments both here and in Iraq. On behalf of my family and the people of the 5th Congressional District of Illinois, I extend my deep condolences to his family. I hope that time and memories will help lessen the burden of their grief.

IRWA has united the efforts of its members toward professional development, improved service to employers and the public, and continues to make advancements within the Right of Way profession.

Infrastructures the country over have benefited from the hard work of IRWA professionals—the highways we drive on, utilities in our homes, and telephone towers that enable us to communicate—have all benefited because a Right of Way professional applied their unique expertise in creating the nation's infrastructure.
