At this point, we would ask that a clean CR be moved forward and, therefore, it would not be attached to the Legislative Branch bill.

#### EASTERN EUROPEAN ALLY, POLAND

(Mr. QUIGLEY asked and was given permission to address the House for 1 minute.)

Mr. QUIGLEY. Madam Speaker, last week marked the 70th anniversary of the attack on Poland, helping to launch the Second World War.

Last week was also marked by an announcement that the administration plans to scrap a planned missile defense system in Poland and the Czech Republic and refocus its missile defense program on protecting against short-range Iranian missiles.

This realignment of priorities reflects the new threats we face. However, as we shift our focus, we must not forget the vital role played by our European ally, Poland. Poland has always stood by the United States with support dating back to the Revolutionary War where Polish heroes like Casimir Pulaski fought to help America achieve independence.

Poland unilaterally repealed the visa requirement for United States citizens traveling to Poland. Indeed, Poland has always stood by us. Though I would like to say we have returned that favor, unfortunately, we have not.
