

EXTENSIONS OF REMARKS

EXPRESSING SYMPATHY FOR THE CITIZENS OF THE PHILIPPINES DEALING WITH TROPICAL STORM KETSANA AND TYPHOON PARMA

SPEECH OF

HON. DINA TITUS

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 14, 2009

Ms. TITUS. Mr. Speaker, I rise today in support of H.R. 800. I am proud to be a cosponsor of this important resolution which expresses sympathy to the people and communities in the Philippines who are still struggling to recover from Tropical Storm Ketsana and Typhoon Parma. I thank my friend, Congresswoman SPEIER, for introducing this legislation.

I am honored to represent a large and vibrant Filipino community in Southern Nevada, many of whom have families that were impacted by these natural disasters. My thoughts and prayers go out to the Filipino community of Southern Nevada during this time of turmoil.

Today, I am privileged to join with members of the House in solidarity with the people of the Philippines as they begin the process of rebuilding their communities after these horrific events. During these two disasters, Southeast Asia was the victim of some of the worst flooding the world has ever seen. In some areas, 60 percent of the land was completely submerged and entire villages were washed away. As the rebuilding begins, we stand in strength and solidarity with the Philippines.

Unfortunately, these storms have also claimed the lives of hundreds of Filipinos. I send my most sincere condolences to their families. The full effect that these storms have had will not be known for some time, and our prayers for the safety of those affected will continue.

I know that the residents of the Philippines are strong willed and resilient, and will quickly rebuild their communities. I encourage our Department of State to reach out to the Philippine government and offer assistance as needed. I am proud that the United States Armed Forces have been assisting in the recovery and thank them for their vital efforts. It is important that our two nations stand together in efforts to rebuild and stabilize the affected regions.

Today, the United States House of Representatives stands united with the Filipino Community in the Philippines and around the world. I urge adoption of this resolution.

TRIBUTE TO LIEUTENANT COLONEL JOSEPH ZINNO

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 21, 2009

Mr. SKELTON. Madam Speaker, let me take this time to honor a great American serv-

ice member, Lieutenant Colonel Joseph Zinno. During a terrific storm in 1946, Lt. Col. Zinno successfully landed a plane carrying the members of the Sharon Rogers All-Girl Band, a USO sponsored orchestra which performed for American troops serving in East Asia.

Born in Providence, Rhode Island, in 1923, Lt. Col. Zinno developed a fascination with flight as a child and was often seen sketching planes on spare pieces of paper or sneaking to the local airport hangar to watch the occasional take-off. His passion for aviation led him to the Army Air Corps. After earning his wings and bars in 1944, Lt. Col. Zinno began his first assignment with the 63rd Troop Carrier Group in Sedalia, Missouri, part of my home district.

Lt. Col. Zinno's skill as an aviator came to a test on January 20, 1946, when he was ordered to ferry the Sharon Rogers All-Girl Band from Seoul, Korea, to Tokyo, Japan. When Lt. Col. Zinno flew through a treacherous thunderhead, his C-46 dropped 3,500 feet in a matter of seconds. Remaining calm, the courageous pilot navigated the storm with little visibility and safely landed the plane in the Shimonoseki Strait, a strip of water littered with mines and high tension wires. With every passenger and crew member alive and safe, a Japanese fishing boat brought the orchestra and flight crew to safe ground.

Madam Speaker, Lieutenant Colonel Joseph Zinno has distinguished himself throughout his long career as a talented and courageous pilot. His nerves of steel and gutsy determination may well have saved the lives of the Sharon Rogers All-Girl Band. I trust that the Members of the House will join me in honoring this brave pilot for his contributions to our country.

INTRODUCING THE FIRST STATE NATIONAL HISTORICAL PARK ACT

HON. MICHAEL N. CASTLE

OF DELAWARE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 21, 2009

Mr. CASTLE. Madam Speaker, I am pleased to join Senators CARPER and KAUFMAN in introducing the First State National Historical Park Act, which authorizes a National Historical Park in Delaware. The U.S. National Park Service concluded its Special Resource Study in January 2009 and recommended that such a park be created in Delaware. The National Historical Park would be in partnership with the State celebrating Delaware's early Dutch, Swedish and English Settlements and the events leading up to the state's role in the founding of our nation; it will be comprised of sites associated with early settlement and the people and events leading up to the signing of the U.S. Constitution.

From recreation to exploring history and culture, and discovering the natural resources, the benefits of the National Parks Service are many. I have been pleased to work over the last several years with Senator CARPER to ad-

vance Delaware's effort in gaining a National Park. With the introduction of the First State National Historical Park Act, Delaware is one step from realizing this goal. A National Historical Park that takes visitors to sites rich in history throughout Delaware will greatly enhance the public's understanding of all the First State has to offer—putting us firmly on the "park" map once and for all.

I look forward to working with my colleagues in the House and Senate in passing this important legislation.

There is no doubt that you have enriched Jeollabuk-do with your works, speech and spirit. For that reason, the value of such visits is immeasurable and we truly appreciate the opportunity to have you as one of us.

It's only been less than a month since we shared our celebratory nights with Samoan soldiers. We were overwhelmed by their and your spiritual reunion and warm hearts. I was mournful with the latest and yet tragic news of the earthquake and the tsunami. My deepest sympathies are with American Samoans and other Samoans who have lost loved ones, especially with Samoan soldiers in Korea and with you. There is no doubt that you are the sons of warriors. I know you will only be stronger. I hope that Samoa is in good hands and will recover sooner and better. You and Samoa are in my thoughts and prayers.

Sincerely yours,

KIM WAN-JOO,
Governor, Jeollabuk-do Province.

Mr. FORTENBERRY. Madam Speaker, pursuant to the Republican leadership standards on Member requests, I am submitting the following information regarding the earmarks I received as part of the FY10 Agriculture Appropriations Conference Report:

Requesting Member: Congressman JEFF FORTENBERRY

Bill Number: H.R. 2997, FY10 Agriculture Appropriations Conference Report

Project Name: Systems Biology Research Facility, Lincoln, Nebraska

Amount: \$3,760,000

Name and Address of Requesting Entity: University of Nebraska—Lincoln, located at 202 Agricultural Hall, Lincoln, Nebraska 68583.

Description: This funding will be used toward construction of a University of Nebraska—Lincoln, UNL/Agricultural Research Service, ARS, Research Facility. This facility would provide critically needed space for UNL and ARS research addressing two areas of national concern: renewable energy and water resource conservation and management. Agriculture is expected to provide almost 40 percent of the nation's liquid fuels within 30 years. This will further intensify demands on our soil and water resources. UNL and ARS scientists have been collaborating at UNL since the 1930s. Very strong collaborative programs continue today, including the ARS program at UNL that has been developing improved switchgrass varieties for 30 years and is the leading program in the world on the use of switchgrass for cellulosic ethanol. These scientists are scattered across the UNL campus and the proposed building will enable them to share collaborative, cutting-edge research space that will move this important research forward more rapidly. This project would advance major research focused on essential national efforts.
