

HONORING DOLPHAS TROTTER

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. RADANOVICH. Madam Speaker, I rise today to posthumously honor Dolphas Trotter upon being awarded the "Community Health Champions Award" at the 2009 West Fresno Health Care Coalition's 5th annual "This Is Your Life of Service" lunch and awards ceremony. This year the ceremony will be held at the Radisson Hotel Conference Center in Fresno, California on Tuesday, November 3rd.

Mr. Dolphas Trotter was born in 1940 in Idabel, Oklahoma. In 1945 the Trotter family moved cross-country and settled in Southwest Fresno, California. Mr. Trotter attended Washington Union High School where he played football. During his senior year, he participated in the annual Fresno City-County All-Star game, which earned him a football scholarship to College of the Pacific, known today as University of the Pacific. Mr. Trotter graduated in 1962 with a Bachelor's degree and returned to Fresno and began working for Fresno County Department of Social Services.

Shortly after his return to Fresno, Mr. Trotter was drafted into the United States Army and was honorably discharged in 1969. This experience affirmed his belief in the value of education and community. When he returned to Fresno from his military service, he began a career in education. The first of many positions Mr. Trotter held in education was at Franklin Elementary School as a fifth grade teacher. He moved on to teach at Edison High School, where he later became the Vice Principal and the first African American principal of the school. Mr. Trotter had a successful career in the Fresno school system, including serving as Principal at Tioga Middle School and Cooper Middle School. For a brief time he served as the first African American interim superintendent of the Fresno Unified School District and then served as the Superintendent at New Millennium Charter Schools.

Mr. Trotter was also a firm believer in community service. He sat on many boards and worked with many organizations, including the African American Historical and Cultural Museum Board of Directors, the Association of California School Administrators, Cedar Vista Hospital Advisory Board, Channel 24 Portrait of Success Board member, National Alliance of Black School Educators, State Center Community College Foundation and Washington Union School Board. For his service to these organizations Mr. Trotter has received many accolades.

Mr. Trotter and his wife met while working at the Fresno County Department of Social Services. They were married in 1972 and raised four children, including two adopted daughters. Mr. Trotter passed away on March 18, 2009. He was a strong advocate and will be remembered as an inspirational role model for the people of Fresno and the residents of Southwest Fresno.

Madam Speaker, I rise today to honor the life of Dolphas Trotter and recognize him upon being awarded the "Community Health Champions Award." I invite my colleagues to join me in honoring his life and wishing the best for his family.

Wednesday, December 2, 2009

Mr. SHUSTER. Madam Speaker, I rise today to honor and celebrate the Northern Cambria Lady Colts volleyball team for their remarkable season that ended with a Pennsylvania Interscholastic Athletic Association (PIAA) Class A State Championship title.

The Lady Colts, who concluded their season with an impressive 26–1 record, swept the defending champions, Holy Name—25–14, 30–28, and 25–22 in the championship match on November 14, 2009. The State Champions title capped off an extraordinary season, with the Lady Colts also winning their 100th consecutive conference match. Additionally, these young women also posted their sixth consecutive District VI title as the team completed their season without a single conference loss.

Led by Coach Mike Hogan, the new state champs will be graduating four outstanding seniors: Janae Dunchack, Breanna Kochinsky, and cousins Arie & Jess Rocco. However, this tight-knit team will have twenty-two girls returning next season to follow in the footsteps of their leaders.

I am extremely proud of the hard work and dedication that these young women from Northern Cambria have displayed. I would like to extend my most sincere congratulations to the team, the coaching staff, and their fans on a fantastic season. I wish them the best of luck in all of their future endeavors.

IN RECOGNITION OF FREIGHT-
LINER CUSTOM CHASSIS CORPO-
RATION**HON. JOHN M. SPRATT, JR.**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. SPRATT. Madam Speaker, I am proud to claim Freightliner Custom Chassis Corporation (FCCC) as a corporate constituent. On October 29, 2009, Freightliner hosted a plant-wide celebration to announce that its facility in Gaffney, South Carolina is now operating as a Zero-Waste-to-Landfill manufacturing plant. FCCC has been working diligently for years to achieve this goal, which underscores its strong commitment to a better environment. Freightliner is the first company in the trucking industry to achieve Zero-Waste-to-Landfill status.

Before undertaking this initiative, FCCC disposed of some 250,000 pounds of solid waste every month. It now disposes of zero pounds. FCCC's parent company, Daimler Trucks North America LLC, began the Zero-Waste-to-Landfill program as a means of reducing the carbon footprint of its manufacturing facilities. FCCC's facility in Gaffney was selected as the pilot site beginning in September 2007 and will now serve as an example for other facilities to emulate.

FCCC's move to the forefront environmentally reflects well on it, and shows that other manufacturers can do the same.

HONORING JEANNE-CLAUDE

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Ms. WOOLSEY. Madam Speaker, I rise with sadness today to honor my friend Jeanne-Claude, who passed away November 18 at the age of 74. In partnership with her husband Christo, she created some of the most exciting art projects of our time. The couple is known for large-scale temporary environmental works of stunning beauty that transform our perceptions of building and landscapes, while creating community dialogue.

I was fortunate to meet the couple in connection with The Running Fence, one of their most spectacular projects that snaked through 24 miles of my district in California's Sonoma and Marin Counties. Installed in 1976, The Running Fence featured over two million square feet of billowing nylon across the golden brown hills of 59 ranches to the Pacific Ocean. The sheer logistics of the endeavor became part of the artistic process as Jeanne-Claude and Christo brought disparate members of the local community together over four-and-a-half years of planning and prodding to bring it to fruition.

The pair returned to Sonoma County in September for a reunion event where I saw that Jeanne-Claude exhibited the same flamboyant, warm style that won her friends and
