HON. PATRICK J. KENNEDY
OF RHODE ISLAND
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 2, 2009

Mr. KENNEDY. Madam Speaker, today I rise to commend Special Olympics, Massachusetts and longtime friend Donald J. Dowd. Both Special Olympics, Massachusetts and Mr. Dowd have put the focus on New England and wonderful contributors to the people and culture of our region.

As my colleagues know, Special Olympics provides year-round sports training, athletic competition and other related programming for athletes with intellectual disabilities. This organization founded by my Aunt Eunice Kennedy Shriver in 1968, contributes to the physical, social, and psychological development of people with intellectual disabilities. It is a global force for change with over 2.5 million athletes participating worldwide representing over 140 countries.

In Massachusetts and Rhode Island, Special Olympics does amazing things for the people of New England. Special Olympics Massachusetts also offers Unified Sports, an initiative that combines approximately equal numbers of Special Olympics athletes and athletes without intellectual disabilities, called Partners, on sports teams for training and competition.

One of Special Olympics’ greatest supporters has been Donald Dowd, or Don as I affectionately call him. He worked for and volunteered for my Father in the Other Body for over 40 years, as well as for my uncles. He was responsible for coordinating the opening of the John F. Kennedy Presidential Library and has served as a member of the John F. Kennedy Library Foundation Board since its inception, helping to found the Friends of the Kennedy Library.

He is a lifelong resident of Springfield, Massachusetts, began his career in public service as President Kennedy’s Assistant Regional Director at the U.S. Postal Service for the six New England States, and was a political advisor to U.S. Senator Robert F. Kennedy. I am proud to call him a friend and to enjoin my colleagues to Special Olympics, to our region and to our country.

HON. NEIL ABERCROMBIE
OF HAWAII
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 2, 2009

Mr. ABERCROMBIE. Madam Speaker, I regret that I missed roll call vote No. 902–904 and vote No. 911–913. Had I been present, I would have voted “yea” on all roll call votes.

HON. CHARLES B. RANGEL
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 2, 2009

Mr. RANGEL. Madam Speaker, I rise today to recognize World AIDS Awareness Day. This awareness initiative started on December 1, 1988 with the purpose of raising money, increasing awareness, fighting prejudice, and improving education on HIV/AIDS topics. The World AIDS Day theme for 2009 is “Universal Access and Human Rights,” serving as an important reminder that HIV/AIDS has not gone away, and that there are many things still to be done.

According to the United Nations Joint Programme on HIV/AIDS, there are 33.4 million cases of HIV/AIDS worldwide. Approximately 1.1 million of these cases are in the United States, according to the Centers for Disease Control and Prevention, and there are more than 50,000 new HIV/AIDS infections reported every year in America. Sadly, minority communities face the brunt of its reach. African American are the most affected, representing half of the total 1.1 million cases in the United States. Blacks are 8 times more likely to have AIDS than their White counterparts. The racial disparities are clear, with HIV being the main cause of death for both Black men and women between the ages of 25 to 44. It is of utmost importance that we take action and stand together to stop this pandemic from spreading further.

Congress has played its part in trying to stop the HIV/AIDS epidemic. I applaud the House for passing the Ryan White HIV/AIDS Treatment Extension Act. The Ryan White program has been serving people with AIDS and HIV for nearly two decades. It provides care, treatment, and support services to nearly half a million people—most of whom are low-income. This bill increases the authorization level for each part of the Ryan White program by 5 percent a year for the next four years, making important investments in care and treatment services to ensure the highest quality of life for HIV/AIDS patients, while also funding prevention and outreach programs. I have myself introduced H.R. 1964, The National Black Clergy for the Elimination of HIV/AIDS Act of 2009, which seeks funds for the prevention, testing, education, treatment and care of HIV/AIDS.

Although great efforts have been made to fight HIV/AIDS, much is left to be done by both the government and citizens. World AIDS Awareness Day is about prevention, education, and increasing awareness of this pandemic that is affecting millions around the globe. This day will bring to many the education necessary to create the awareness necessary to prevent HIV/AIDS, as well as give us a moment to recognize and remember those who have suffered from this disease.

HON. CANDICE S. MILLER
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 2, 2009

Mrs. MILLER of Michigan. Madam Speaker, I rise today to acknowledge the hard work, determination and teamwork displayed by the 2009 North Branch High School Varsity Girls Volleyball Team.

These young women endured a grueling 83 match season and in the end came out on top as the Class B Michigan State Champions! They collected an impressive overall record of 76–5–2. This was a historic accomplishment because it was the first sports title ever in the school’s history.

Coach Jim Fish did a tremendous job leading the team and bringing them together as a political unit to accomplish a common goal—winning a state title. I commend all the assistant coaches, support staff, teachers, parents and fans in the community for their help and making this a season to remember.

However, the road to victory for the state finals at Kellogg Arena in Battle Creek was anything but a walk in the park. Despite graduating eight players from the 2008 squad, the Lady Broncos rolled through the regular season winning the Tri-Valley East Conference Title. Nonetheless, the Lady Broncos did hit a slight speed bump when they fell to Bloomfield Hills Marian. But in all fairness, I must state that Bloomfield did go on to win the Class A State Title. Now some teams might have taken this defeat as a negative experience, but not the Lady Broncs. They learned from this loss and returned to attain a number one ranking for most of the season.

North Branch realized the conference championship brought them just a step closer to their ultimate goal so the team once again pulled up their sleeves, laced up their shoes and got back to work.

The Lady Broncos continued their memorable quest as they picked additional trophies for the school’s display case winning the district title and regional title and an eventual spot in the state quarterfinals.

Here the team faced-off against a feisty Cadillac Team. The Lady Broncs proved their tenacity and resilience as they beat Cadillac in four hard fought sets. Next North Branch was matched up against DeWitt, but unfortunately for Kellogg, it just was not in the cards for them to win on this Saturday because destiny was on the side of the Lady Broncs. There was nothing Kellogg could do on the court to prevent North Branch from raising the championship trophy in glorious triumph. The Lady Broncs were determined to finish what they had started since the first practice of the season. And through all the sweat, injuries and difficult training sessions, the Lady Broncs saw their dreams come to fruition as they were crowned the Michigan Volleyball Class B State Champs!

Teamwork, dedication and friendship all helped deliver this first-ever championship in the schools sports history. The entire North Branch community and Lapeer County should take pride in what these young women accomplished.

I certainly share that pride and want to offer my congratulations to everyone who contributed to this team effort. First starting with the captains Kara Stump and Jordan Fish and team members—Katie Smilie, Danika Racknor, Taylor Wiegele, Layne Molosky, Samantha Garza, Hailey Smilie, Catherine Brusie, Laura Johnson, Macaela Deshetsy, Shanel Johnstone, Katie Owens, Stephenie Marsh, and Angela Ross. You should be extremely proud of this achievement.

In addition, I must mention that not only were these young women champions on the court but in the classroom as well. The volleyball team compiled an outstanding 3.49 GPA and achieved an all-state academic recognition.

My hat also goes off to Head Coach Jim Fish—Assistant Coaches Curt June, Chris
