H.R. 1625, the Equity and Access for Pediatric Physicians Under Medicaid Act, would classify pediatricians as physicians for purposes of direct reimbursement through the Medicaid program. Pediatric care is critical to the treatment and understanding of diabetes.

The Medicare Diabetes Self-Management Training Act, H.R. 2425, would make a technical clarification to recognize certified diabetes educators (CDE) as providers for Medicare diabetes outpatient self-management training services (DSMT). CDEs are the only health professionals who are specially trained and uniquely qualified to teach patients with diabetes how to improve their health and avoid serious diabetes-related complications. The 1997 authorizing DSMT statute did not include CDEs as Medicare providers. This exclusion has made it increasingly difficult to ensure that DSMT is available to patients who need these services, particularly those with unique cultural needs or who reside in rural areas.

Another bill that is a priority of the caucus is the Preventing Diabetes in Medicare Act, H.R. 2590. This bill would extend Medicare coverage for medical nutrition therapy (MNT) services for people with pre-diabetes and other risk factors for developing type 2 diabetes. Under current law, Medicare pays for MNT provided by a Registered Dietitian for beneficiaries with diabetes and renal diseases. Unfortunately, Medicare does not cover MNT for beneficiaries diagnosed with pre-diabetes. Nutrition therapy services have proven very effective in preventing diabetes by providing access to the best possible nutritional advice about how to handle their condition. By helping people with pre-diabetes manage their condition, Medicare will avoid having to pay for the much more expensive treatment of diabetes.

In addition, we are working hard to pass, H.R. 3668, and reauthorize the Special Diabetes Programs for Type I Diabetes and Indians. This program provides federal funding for the Special Statutory Funding Program for Type 1 Diabetes Research at the National Institutes of Health and the Special Diabetes Program for Indians at the Indian Health Service. H.R. 3668 would extend these critical programs through 2016 and increase funding for both programs to $200 million a year.

I want to thank my colleague, Congressman Mike Castle, for his many years of leadership working together with me as Co Chair of the Diabetes Caucus. I also want to thank the many Members who are supporting this effort and both sides of the House leadership for their bipartisan support of diabetes issues. I look forward to working with the Congressional Diabetes Caucus to pass the important legislation we are promoting and continuing to further the goals of National Diabetes Month.

HON. GEORGE RADANOVICH
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 2, 2009

Mr. RADANOVICH. Madam Speaker, I rise today to commend and congratulate Earl Hall upon being awarded with the “Community Health Champions Award” at the 2009 West Fresno Health Care Coalition’s 5th annual “This is Your Life of Service” lunch and awards ceremony. This year the ceremony will be held at the Radisson Hotel Conference Center in Fresno, California on Tuesday, November 3rd.

Mr. Earl Hall was born in Oklahoma. When he was just six months old, the 1940’s “Dust Bowl” hit his family’s farm and they were forced to leave the area. Upon migrating to California, his family settled in Wasco, California. Mr. Hall’s father was finally able to find employment as a farm manager for a family farm. Mr. Hall graduated from Wasco High School then attended Bakersfield Junior College and Fresno City College, where he earned his Associates degree. He transferred to California State University, Fresno and graduated with a Bachelor’s degree in Agricultural Business in 1964.

Mr. Hall has dedicated his career to establishing and developing his business, Hall Ag
Enterprises. For the past forty-four years he has provided labor services with a safe and secure environment for his employees. During periods of water shortages, he has searched for other opportunities to place his workers to ensure that they are able to work and are able to provide services to his community. Mr. Hall holds licenses that allow him to provide farm labor in twenty-nine countries. His business provides services to more than three hundred thousand acres and employs nearly thirty thousand people throughout the state of California.

Beyond his generosity to his employees, Mr. Hall is dedicated to his community. He has provided financial assistance to various causes including health care, charitable organizations and child services. Mr. Hall is part of the Farm Labor Contractors Alliance, the California Association of Agricultural Labor and an active member of Ag SAFE. He is currently serving as the Chairperson for the Fresno County Farm Bureau Labor Committee and the Rural Health and Safety Committee. In 2003, Mr. Hall was awarded the “Central California Excellence in Business Award” by The Fresno Bee.

As a young man, Mr. Hall was turned pro in the rodeo circuit; he is a lifetime member of the Professional Rodeo Cowboy’s Association and is a “gold card” holder which allows him to compete in the over-fifty age group. He is involved in rodeo events by assisting and providing advice and mentorship to youth preparing for rodeo events.

Madam Speaker, I rise today to commend and congratulate Earl Hall upon being awarded with the “Community Health Champions Award.” I invite my colleagues to join me in wishing Mr. Hall many years of continued success.

IN RECOGNITION OF STRAFFORD HIGH SCHOOL FLAMING ARROW INDIAN PRIDE MARCHING BAND

HON. ROY BLUNT
OF MISSOURI
IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. BLUNT. Madam Speaker, I rise today with pleasure and pride to pay tribute to the achievements of the Music Department at Strafford High School in Strafford, Missouri. The Strafford High Flaming Arrow Indian Pride Marching Band and choir will participate in the events surrounding the December 31, 2009, Chick-fil-A Bowl in Atlanta, Georgia. A long-standing event at the bowl game is the National Chick-fil-A Bowl Parade in downtown Atlanta on New Year’s Eve. Game day, the Strafford band will participate in a pre-game and halftime massed band “extravaganza” of 2,000 members performing in the Georgia Dome Olympic Stadium.

Strafford, Missouri, is my hometown. Today, Strafford has a population of 1,848 citizens, and the high school has approximately 400 students. The band and choir are made up of 55 motivated, hardworking teens in concert and marching band, 20 students in jazz band and 36 students in choir. The music department is under the direction of Shane Harmon. The Strafford High Flaming Arrow Indian Pride Marching Band consistently ranks among the best bands in Missouri, earning first place at six judged events this year. At the 2009 Outback Bowl in Tampa, Florida, the Strafford concert band, jazz band and marching band each earned a 1st place Silver rating, and the concert choir earned a 1st place Gold rating. These achievements led to the invitation to participate at the bowl festival at the Chick-fil-A Bowl. This recognition is the result of dedication and hard work, and dedication to excellence by Strafford students, faculty and their families.
