In the 1980s, Aliviane created the first nationally recognized program designed to keep a mother and her child together during treatment. This program has been recognized as a national model by the Office of National Drug Control Policy. In addition, Aliviane has developed the only behavioral health trauma unit in West Texas.

I commend Aliviane for their continued leadership in the behavioral health field and their dedication to further improving the national and international standards for behavioral health care. The hard working employees of Aliviane provide invaluable services within our community and it is with deep gratitude that I applaud their accomplishments.

RECOGNIZING LOUISE JOHNSON

**HON. TOM LATHAM**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 10, 2009*

Mr. LATHAM. Madam Speaker, I rise today to celebrate and congratulate Louise Johnson on the occasion of her 100th birthday on December 24th, 2009.

Louise was born in Esmund, South Dakota in 1909. While growing up in South Dakota, she met and married Lars Vierson Teigland, and the two moved to Iowa in 1939, happily raising two sons, Lowell and Owen, who later served in the U.S. Army. After Lars passed away she married Haakin Johnson, who she also spent many happy years with.

Louise has lived on and managed the family farm in Emmetsburg, Iowa for forty-four years until November of this year when she moved to Lakeside Nursing Home. She's enjoyed being a member of the Emmetsburg flower club, collecting dolls, making corn husk dolls and being passionate about politics.

There have been many changes that have occurred during the past one hundred years. Since Louise's birth we have revolutionized air travel and walked on the moon. We have invented the television and the Internet. We have fought in wars overseas, seen the rise and fall of Soviet communism and the birth of new democracies. Louise has also seen the leadership of eighteen United States Presidents and twenty-three Governors of Iowa. In her lifetime the population of the United States has more than tripled.

I congratulate Louise Johnson for reaching this milestone of a birthday. I am extremely honored to represent Louise in Congress and I wish her happiness and health in her future years.

#### SUPPORT OUR BORDER COMMUNITIES

### HON. BOB FILNER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 10, 2009*

Mr. FILNER. Madam Speaker, I rise today to introduce H.R. 4251, legislation to include certain Department of Homeland Security facilities, such as ports of entry, under the Payments in Lieu of Taxes (PILT) program.

Since 1976, communities have received payments from the Interior Department's PILT program to help offset losses in property taxes due to nontaxable Federal lands administered by the BLM, the National Park Service, the U.S. Fish and Wildlife Service, and the U.S. Forest Service.

However, all along our Border, communities are not reimbursed for land that the Department of Homeland Security uses for ports of entry. The community often provides resources and services to these facilities without reimbursement from the government. My bill, H.R. 4251 provides support for these communities.

H.R. 4251 amends existing law to include certain Department of Homeland Security facilities, such as ports of entry, under the PILT program. Providing access to these payments will help these communities with the important work they provide along our borders.

Mr. SCHOCK. Madam Speaker, I rise today to honor the First United Methodist Church of Peoria.
