

## WES BANNISTER RECOGNITION

**HON. DANA ROHRBACHER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 16, 2009*

Mr. ROHRBACHER. Madam Speaker, I would like to bring to the attention of my colleagues the following press release, which tells the story of Wes Bannister, who succumbed to cancer earlier this month. As the first Vice President of the Orange County Water District, he advised me on water issues for many years, and gave me his personal direction. He was a leader in the community and the state, and he will be missed. I know firsthand that his contributions will be enjoyed by Orange Countians for generations to come.

## WATER INDUSTRY LOSES A GREAT LEADER

THE ORANGE COUNTY WATER DISTRICT BOARD AND STAFF MOURNS THE UNTIMELY LOSS OF FIRST VICE PRESIDENT, DIRECTOR WES BANNISTER

FOUNTAIN VALLEY, CA (Dec. 11, 2009).—In the late hours of December 10, 2009, the water world and Orange County lost an important trailblazer and public servant, Wesley “Wes” Mastin Bannister lost his battle with cancer. Wes Bannister was elected to the Orange County Water District (OCWD) Board of Directors in 1991 representing Division 6, which includes Fountain Valley, Huntington Beach and parts of Westminster. He was re-elected to four consecutive four-year terms in 1996, 2001, 2004 and 2008. He was elected in 2007 and 2008 by his fellow board members to serve as the District’s 1st Vice President.

“The Board and staff of the Orange County Water District have lost an incredible leader who lived and breathed water,” stated OCWD Board President Stephen R. Sheldon. “Those who had the privilege of working with Wes know that he had the tenacity to get to the core of critical issues and drive and inspire others to do what was right and economically sound. He stood true to his principles and convictions, like no other person. We are truly sorry for his family’s great loss.”

During his tenure as a Board Member, the District celebrated many important achievements including the building and operation of the Groundwater Replenishment (GWR) System, the largest water purification project of its kind in the world, and a state-of-the-art Advanced Water Quality Assurance Laboratory.

In addition to serving on the OCWD Board, in 1993 Director Bannister was appointed Director to the Metropolitan Water District of Southern California (MWD) representing the Municipal Water District of Orange County. In 2004, Director Bannister was elected as Chair of the MWD Board of Directors, for which he served until October 31, 2006.

“Wes was a principled leader and committed advocate for Orange County and its water interests who also worked faithfully to address the water challenges facing the entire southern California region,” said Wayne Clark, President of the Municipal Water District of Orange County (MWDOC). “We were honored to have had Wes represent MWDOC as one of our appointed representatives to the Metropolitan Water District of Southern California and we are going to miss our good friend.”

Director Bannister devoted over 23 years to serving the communities of Orange County. He served on the Huntington Beach City Council from 1986 to 1990, including as Mayor in 1989. “I had the distinct honor of serving with Wes on the City Council”, stated Assemblyman Jim Silva (R-Huntington Beach).

“If it weren’t for his encouragement and support, I would not be serving in the Assembly today. Wes was invaluable to me and many of my colleagues when it came to solving state water issues. He was a mentor and a true friend who genuinely cared about the people in his community and gave of his time and energy to making a difference.”

Director Bannister was also the Republican nominee for California Insurance Commissioner in 1990 and was nominated to the Electoral College by President Bush in that same year. He also served on the West Orange County Board from 1986 to 1990 and on the Orange County Sanitation District Board of Directors, District 11, from 1988 to 1990.

In 1986, Director Bannister was appointed by the Governor to the California FAIR Plan Board of Governors and continued to serve on this Board until his untimely death. Since 1993, Director Bannister had represented OCWD on the Board of Directors of the Association of California Water Agencies Joint Powers Insurance Authority (ACWAPIA). While serving, the Board elected him to the Governing Committee and to serve two years as its Vice President. Following his two-year term, the Board elected him President in 2005 for a three-year term.

Active in local affairs, Director Bannister served on the boards of the Boys and Girls Club and YMCA, as Charter President of the Huntington Beach Sunrise Rotary Club and as an advisor to the Huntington Beach Search and Rescue Post 536.

Director Bannister was born in Houston, Texas in 1936. He and his wife Elizabeth (Betty) Ann Rogers Bannister were married at Fort Sill in Oklahoma in 1959 where he was stationed and recently celebrated their 50th wedding anniversary. Director Bannister and his wife Betty have lived in Huntington Beach since 1969. Together, the Bannisters welcomed three children Catherine (Cathy) Ann, Alice (Lisa) Elizabeth and Douglas (Doug) Mastin.

In addition to devoting much of his time to serving the communities of Orange County, Director Bannister founded Bannister and Associates Insurance Agency in 1974, from which he retired in 2003. The family business continues to flourish under the leadership of his two surviving children Alice (Lisa) Elizabeth Bannister and Douglas (Doug) Mastin Bannister. Director Bannister is also survived by two grandchildren Kaitlyn Michelle and Brent Douglas.

RECOGNIZING AND COMMENDING  
THE 200TH ANNIVERSARY OF  
BIBLICA

**HON. DOUG LAMBORN**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 16, 2009*

Mr. LAMBORN. Madam Speaker, I rise today to recognize and commend Biblica for the contributions they have made to our country and join with them in the celebration of their 200th anniversary.

On December 4, 1809, a small group of concerned citizens met in lower Manhattan to discuss how to make the Bible available to the residents of the city and formed the New York Bible Society, beginning an organization that has been woven into the fabric of United States culture for 200 years.

The New York Bible Society provided Scripture for members of the United States Armed Forces in each conflict, foreign and domestic, since the War of 1812, and in partnership with

the United States military chaplaincy, distributed more than 1,000,000 Bibles to members of the Armed Forces looking for courage, guidance, and comfort.

When the gates of Ellis Island opened in 1890, the New York Bible Society greeted new immigrants with a copy of Scripture in their native language, and over the 60 years that followed, provided an average of 160,000 copies of Scripture each year to immigrants.

In 1962, John Glenn lifted off into space with a Bible he received from the New York Bible Society. In 1968, the New York Bible Society sponsored the Committee on Bible Translation, a group responsible for creating the New International Version, which is now the most widely distributed, contemporary English version in the world, with more than 300,000,000 copies in circulation.

The New York Bible Society moved to Colorado Springs, Colorado in 1988 and became the International Bible Society.

Following the 9/11 terrorist attacks, the International Bible Society distributed more than 800,000 copies of Scripture to those seeking hope and comfort during one of the darkest moments in United States history. The International Bible Society also provided Scripture to disaster survivors worldwide, including victims of Hurricane Katrina and the 2004 Indian Ocean tsunami.

The International Bible Society merged with Living Bibles International and Send the Light and today operates as Biblica.

Biblica is one of the largest distributors of Bibles and biblical resources in the world, operates in 54 countries, and has translated the Bible into more than 100 languages. Biblica is the leading provider of Bible translations on the Internet, providing the Bible in 29 languages to more than 100,000,000 Internet users annually.

It is an honor to recognize Biblica as an integral part of our nation’s history and I commend them for the contributions they have made to the United States and around the world.

HONORING THE LIFE OF MARY  
MADELEINE SEGAL HALL

**HON. RALPH M. HALL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 16, 2009*

Mr. HALL of Texas. Madam Speaker, I rise today to honor the life of Mary Madeleine Segal Hall, a remarkable woman and personal friend who passed away on October 6, 2009 at the age of 85.

Mary was born on July 18, 1924 in Jefferson, Texas to Margaret Manning and Maurice Segal. She graduated from Jefferson High School in 1940 and went on to attend the College of Marshall, now East Texas Baptist University, where she met her future husband of 48 years, the late Sam B. Hall, Jr., a former member of the U.S. House of Representatives and my good friend.

Throughout her 85 years, Mary was a dedicated member of the community. Her civic commitment was evidenced by the many community organizations in which she was involved. She was a charter member of Marshall Symphony League, served on the Boards of Marshall Symphony Society and the Starr

Home, active in Belle Maison, Club 25 and on the advisory board of Historical Commission Advisory Council. During her husband's Congressional years, she was active in the Congressional Wives Club, Texas Breakfast Club, and Texas State Society. She loved her life in Washington where she would give tours of the White House on a regular basis. In 1977, she and her husband were named the first recipients of the J. Wesley Smith Award given annually by East Texas Baptist University for outstanding achievements.

Mary was a devoted Christian and served as a member of Eastern Hills Church of Christ in Marshall. She is survived by three daughters and sons-in-law, Becky and W.F. Palmer, Amanda and Tom Wynn, and Sandra and Don Bodenhamer; five grandchildren, and five great-grandchildren. She was a very loving, wonderful mother, grandmother, and great-grandmother; she was someone you wanted to emulate. Mary was a wonderful wife to her husband and wherever he was, she loved being there.

Madam Speaker, it gives me great pleasure to honor the life, accomplishments, and memory of Mrs. Mary Madeleine Segal Hall. Her contributions will be greatly missed but her kindness and service will not be forgotten.

CONFERENCE REPORT ON H.R. 3288,  
CONSOLIDATED APPROPRIATIONS ACT, 2010

SPEECH OF

**HON. ED PERLMUTTER**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 10, 2009*

Mr. PERLMUTTER. Mr. Speaker, I rise to day to let the CONGRESSIONAL RECORD reflect a clerical error in the Consolidated Appropriations Act for Fiscal Year 2010.

In July of this year, shortly after the Committee on Appropriations made available the appropriations requests included in its Transportation and Housing and Urban Development Appropriations Act, it came to my attention my name was incorrectly placed as a joint sponsor of a project request which provides \$10,312 for the Southeast Corridor Light Rail in Denver, Colorado. While I am supportive of this project and the broader FasTracks mass transit plan of Colorado's Regional Transportation District, RTD, I did not request funding for this project. Upon discovery, my staff informed the Committee on Appropriations of this error and asked that it be corrected.

On December 10, the House passed the Consolidated Appropriations Act for Fiscal Year 2011. In that conference report, my name was again mistakenly attached to this project by committee staff during the filing process. Because both chambers have passed this conference report, there is no method short of a Presidential veto for me to correct this error. Therefore, I would like to let the CONGRESSIONAL RECORD reflect this mistake and my lack of involvement in this project.

To be clear, no official from RTD or any other organization asked me or my staff to request funding for this project. Nor did I submit any material to the Appropriations Committee requesting funding for this project. As such, I did not post information on the process on my

official website. However, for the sake of transparency and public accountability, I have certified in writing that I have no financial interest in this project.

INTRODUCTION OF THE UNITED STATES WAR BONDS ACT OF 2009

**HON. KENDRICK B. MEEK**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 16, 2009*

Mr. MEEK of Florida. Madam Speaker, I rise today to introduce before the House of Representatives, the War Bonds Act of 2009. War bonds are a cost-effective way to reduce our dependence on foreign creditors and create an outlet for Americans to express their patriotism and support for our servicemembers as well as the security mission for which they are deployed.

To be sure, thousands of Americans have made tremendous sacrifices over the course of this war. Members of the military, their families, and their friends have gone above and beyond the call of duty, and we must never take their service for granted. Many of us have begun shopping for our friends and families this holiday season, while a relatively small group of families are preparing to send their loved ones off to battle.

We have an opportunity to bridge that disconnection. We have an opportunity to open our wallets and provide gifts, big or small, to our troops. These funds will go toward more than war machinery, but to clothing, feeding, securing, and providing medical services for our service men and women abroad. It will allow them the means to make quick work of their mission and to return home safely to their families. The War Bonds Act of 2009 will allow Americans to show their support for the troops even if they are wary about the war itself.

We also need to responsibly finance the increase in troop levels rather than continuing deficit spending for the mission. Each soldier, sailor, airman, and marine that we send abroad costs \$1 million per deployment. A 34,000 person troop increase could raise our Afghanistan tab by some \$40 billion per year, affecting our ability to invest domestically and to rebuild our military from the wear of the Iraq war. In past wars, Congress has raised taxes to fund most of our fighting, but since 9/11 the war bills have been piling up. Our engagements in the Middle East have been financed primarily by debt, money borrowed from foreign countries. In fact, nearly \$3.5 trillion—46 percent of U.S. debt—is held by foreign investors.

War bonds allow us to borrow from ourselves, rather than other countries. United States savings bonds are considered some of the safest investments in the world. They are available in predetermined denominations and mature over a period of time while accruing interest. After a number of years, the owner of the bond can collect the face value cost of the bond plus interest. All U.S. savings bonds are backed by the full faith and credit of the United States Government.

The legislation I am introducing today will allow American citizens to do our part without being required to do so through taxation. The legislation will authorize the Treasury to issue and market war bonds to the American people

to help finance the wars in Afghanistan and Iraq.

I believe that we need shared sacrifice and fiscal discipline in financing the war effort. Where we have sacrificed our future with billions of dollars of deficit spending on the war, we can begin bringing down that deficit with much smaller individual sacrifices now.

The U.S. War Bonds Act of 2009 finds a precedent in World War II savings bonds. From May 1, 1941, through December 1945, the War Finance Division and its predecessors were responsible for the sale of nearly \$186 billion worth of government securities. Of this, more than \$54 billion was in the form of war savings bonds.

I believe that the same patriotism is alive and well today, and that as a Nation and a people we have not lost the will to make collective sacrifices for the greater good. The men and women in the U.S. military are fighting year-round in faraway places, with their sacrifices and those of their families beyond comprehension. I believe that in that same spirit, Americans will be able to use war bonds to offer a token of respect, admiration, and support for those in uniform who show the same for us every day of their lives.

A BILL TO DIRECT THE PRESIDENT TO TRANSMIT TO CONGRESS A REPORT ON ANTI-AMERICAN INCITEMENT TO VIOLENCE IN THE MIDDLE EAST

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 16, 2009*

Mr. KUCINICH. Madam Speaker, H.R. 2278 condemns the use by groups designated as Foreign Terrorist Organizations in the Middle East of television programs to incite anti-American violence.

I do not condone the use of television programming to promote anti-American sentiment in the Middle East; I strongly object to it. Similarly, I strongly condemn ongoing policies that seek to punish civilian populations in an effort to undermine political leadership in their respective countries. However, if we want to stop anti-American incitement in the Middle East, we must end our military occupation of Iraq and Afghanistan, we must put an end to the drone attacks in Pakistan and we must end the blockade of Gaza.

Our continued occupation fuels the insurgency in Iraq and the Taliban in Afghanistan. Just this week, over 100 people have been killed and almost 200 wounded in a series of bombings in Baghdad, resulting in one of the deadliest attacks in Iraq this year. President Obama accepted his Nobel Peace Prize as over 16,000 American troops were readying for deployment as part of our military escalation in Afghanistan.

More unmanned drone attacks in Pakistan have been authorized by President Obama during his first three months in office than President Bush ordered during his entire presidency. Predator drones have killed hundreds of innocent civilians and have spurred significant anti-American sentiment. The recent revelations that the C.I.A. is running the predator drone program show that we are deploying an extraordinary use of lethal force in a country we are not at war with.
