Federal Representative for nearly four decades, and he will be missed by his hometown of Johnstown and residents of the 12th Congressional District.

He served his country as a Marine drill instructor. As an officer, he remained in the Reserves after leaving full-time service in 1955. He volunteered to return to full-time service in 1967, and he served honorably in Vietnam, earning a Bronze Star with Valor and two Purple Hearts.

Even after being elected to the House in Congress, Representative Murtha continued his service in the Reserves, finally retiring as a colonel in 1990. Just a few weeks ago, he became the longest-serving Pennsylvania Member of the House of Representatives.

He will be dearly missed by his wife of 55 years and his children and grandchildren that he leaves behind. I join with my colleagues in the Pennsylvania delegation to extend our condolences to his family and friends.

Tonight, we honor his service.

The SPEAKER. Will all Members please rise for a moment of silence.

MOMENT OF SILENCE IN MEMORY OF REPRESENTATIVE JOHN P. MURTHA OF PENNSYLVANIA

(Mr. KANJORSKI asked and was given permission to address the House for 1 minute.)

Mr. KANJORSKI. As most Members of this Chamber know, we recently lost a dear friend and colleague. Congressman Jack Murtha passed away on February 8 after complications from gallbladder surgery.

Jack recently became the longest-serving Member of Congress from Pennsylvania ever. Jack was dedicated to his country, our military troops, and the people of Pennsylvania that he represented for 36 years. He will be greatly missed by our delegation, our State, and the entire Nation.

On Wednesday, there will be a Special Order following votes in memory of Jack Murtha. Anyone wishing to speak may contact my office for that privilege.

In closing, I respectfully request a moment of silence in memory of our dear friend, Jack Murtha.

I yield to the gentleman from Pennsylvania (Mr. PITTS).

Mr. PITTS. Madam Speaker, I first got to know Jack as a freshman legislator in the Pennsylvania House of 1973-1974, where he and I served together until he was elected to Congress in 1974. We were both Vietnam veterans—the only two in the State house, so we had something in common with that that we chatted about.

Jack served his community in western Pennsylvania as both the State and

Stated for:

Mr. FILNER. Madam Speaker, on rollcall 50, I was away from the Capitol. Had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Mr. GUTIERREZ. Madam Speaker, I was unavoidably absent from the House Chamber today. Had I been present, I would have voted "yea" on rollcall votes 49 and 50.

EXPRESSING THE CONDOLENCES OF THE HOUSE OF REPRESENTATIVES ON THE DEATH OF THE HONORABLE JOHN P. MURTHA, A REPRESENTATIVE FROM THE COMMONWEALTH OF PENNSYLVANIA

Mr. KANJORSKI. Madam Speaker, I offer a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1084

Resolved, That the House has heard with profound sorrow of the death of the Honorable John P. Murtha, a Representative from the Commonwealth of Pennsylvania.

Resolved, That the Clerk communicate these resolutions to the Senate and transmit a copy thereof to the family of the deceased.

Resolved, That when the House adjourns today, it adjourn as a further mark of respect to the memory of the deceased.

The SPEAKER pro tempore. The gentleman from Pennsylvania is recognized for 1 hour.

Mr. KANJORSKI. Madam Speaker and colleagues, it is with great sadness as well as a great deal of honor that I rise this evening to commemorate and to celebrate the life of our friend and colleague, Congressman John Murtha of Pennsylvania's 12th District.

As we mourn the loss of Jack Murtha and remember his life, I pass along my thoughts and prayers to his family and friends. Just days before his passing, Jack became the longest serving Mem-

ber of Congress ever from Pennsylvania.

I am privileged to have had the opportunity to work closely with Jack during our time together in Congress, and I am honored to have called him my friend. I thought the other day, upon returning from Pittsburgh and the funeral in Johnstown, that Jack and I had spent more than 5,000 days together, and more than 2 or 3 hours each day, during our service in Congress together. That is probably longer than most husbands and wives spend together. And maybe that accounts for the fact that I feel such a loss.

I looked up to Jack for his dedication to our country and our military troops, his strength to work in a bipartisan way, and his passion for his work and the Pennsylvanians he represented. Throughout his career in public service, Jack has been a symbol of the hardworking Pennsylvanians throughout the Commonwealth.

Jack dedicated his life to serving our country both in the military, in the halls of Congress, and the State legislature of Pennsylvania. A former Marine, he became the first Vietnam combat veteran elected to the United States Congress.

When he arrived here in 1974, he quickly attracted the attention of then majority leader and future Speaker Tip O'Neill, who became Jack's mentor. Tip taught him that all politics is local, which enabled him to become an effective advocate for his own congressional district and for initiatives throughout our State.

Jack's contributions to Pennsylvania are endless. When Pennsylvania's Children's Health Insurance Program, CHIP, was slated to be eliminated by Federal regulations, Jack convinced the Clinton administration to be more flexible, and ultimately saved the program. When our steel industry was in crisis, he convinced the Reagan administration to impose higher tariffs on foreign steel, giving domestic producers an edge.

When the Philadelphia Shipyard was threatened with closure, he secured funding to keep ship production going. When the United States Army was forming the Stryker Brigades, Jack helped convince Army leaders to field one within the Pennsylvania National Guard, creating the first and only brigade of its kind in the reserve component. When the National Park Service wanted to construct a new museum and visitors center at Gettysburg, he secured funding to make the project possible.

When a decades-long mine fire threatened the residents of Centralia, Pennsylvania, Jack worked to secure funding to buy the town and relocate the residents. When the health care benefits of retired miners were in trouble, he twice secured funding to help save their benefits from termination.

When Flight 93 crashed in Stonycreek Township, Pennsylvania, Jack was there the next day to survey
