GIVING BACK TO OUR VETERANS AND THEIR FAMILIES

(Mr. SCHIFF asked and was given permission to address the House for 1 minute.)

Mr. SCHIFF. Mr. Speaker, I rise in strong support of the Caregivers and Veterans Omnibus Health Services Act. Day in and day out our soldiers, sailors, airmen, marines and the Coast Guard put their lives on the line to protect our own.

Our men and women in uniform are the bravest among us, making unparalleled sacrifices to protect our precious liberties and freedoms, and we must do everything in our power to support them. This legislation is an important component of our ongoing effort to give back to our veterans and their families.

It will provide long overdue support to those who care for the disabled, ill and injured veterans. It will enhance health services for 1.8 million women veterans, including care for newborns for the first time in history. It will expand mental health services for veterans and health care access for veterans in rural areas. It will end co-pays for veterans who are catastrophically disabled.

Today we have an opportunity to provide for our veterans and families the valuable benefits they need, have earned and deserve. On behalf of our brave men and women in uniform, as well as their friends and family, I join my colleagues in strong support of the bill.
