IN MEMORY OF BYRON ATHAN

**HON. JERRY McNERNEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 26, 2010*

Mr. McNERNEY. Madam Speaker, today Congressman JOHN GARAMENDI and I ask our colleagues to join us in honoring the life of Byron Athan, who passed away at age 91 on November 25, 2009.

Byron Athan was passionate about public service. He dedicated his life to serving his country and community for over 68 years and Byron started his unique and distinguished career by joining the U.S. Army. He later became a fixture in the San Ramon Valley, authoring the City of San Ramon's Charter and later serving in city government in multiple capacities including as Mayor and City Attorney.

Byron Athan joined the Army in 1941 and retired in 1964 at the rank of Lieutenant Colonel. He served during WWII in the Pacific Theater. Other assignments included tours in post war Germany and Japan, as well as assignments in Fort Lee and Fort Belvoir, Virginia, Ft. Leavenworth, Kansas, and at the Pentagon as a member of the Army Staff.

Byron Athan was vital to the incorporation of the City of San Ramon in 1983. He wrote the City Charter and served as San Ramon City

Attorney from 1983 until his election to the City Council in 1995. He was San Ramon Mayor from 1998 to 1999. He returned to the City Attorney post from 2004 until he retired in October of 2009 at age 91 as one of the most experienced practicing attorneys in California.

Byron lived life with a passion for exploration and adventure. Byron finished the marathon in Greece based on the original completed by the ancient Greek Pheidippides, as well as races in San Francisco and Hawaii. His spirit did not diminish with time. He celebrated his 90th birthday with a 100-mile bike ride.

Byron's years of service to his community touched the lives of many and improved the quality of life in San Ramon. He led by example and in the words of former San Ramon Mayor Diane Schinnerer, "he is known and respected for his honesty, integrity, work ethic, and knowledge of the law." Athan Downs Park in San Ramon, is dedicated in Mr. Athan's honor because of his successful advocacy for parkland in the city.

Byron Athan's dedication to public service leaves a legacy that will continue to benefit the people of San Ramon, the state of California and our great nation for generations to come. It is for these reasons that Congressman JOHN GARAMENDI and I ask our colleagues to join us in honoring the memory of Byron Athan and in sending our thoughts and prayers to his beloved family and friends.

Mr. MILLER of Florida. Madam Speaker, it is with great honor that I rise today in recognition of the service of David O. Miller from the Protocol Office of the Air Armament Center, Eglin Air Force Base, Florida. Mr. Miller retires today after 49 years total federal service, 28 years in the United States Air Force and 21 years of Civilian Service. I am proud to recognize his vast contributions to national security through his humble service to this great Nation in the United States Air Force, both as a member of active duty as well as a civil servant.

Mr. Miller is a native of Loris, South Carolina. He graduated from Loris High School in June 1962, and began his military career with the United States Air Force in September, 1962. He later attended the University of Tampa and the El Paso and Pike's Peak community colleges. In his military career, he first served as an Administrative Apprentice and retired as a Senior Master Sergeant in February 1991.

The United States Air Force has been in existence more than six decades and Mr. Miller has been serving her for almost five decades beginning in 1962. He began his protocol career in 1976 when General Chappie James directed the establishment of the first protocol office at Peterson Air Force Base, Colorado. Mr. Miller was one of three people chosen to establish the organization. His outstanding performance in the protocol field eventually led to General Gregory Martin, Commander, Air Force Materiel Command, honoring him for superior performance in his duties by awarding him the Commander's Recognition Award in 2004. Mr. Miller was the second person to receive this award.

After retiring as a Senior Master Sergeant following 28 years of active duty service in the United States Air Force, Mr. Miller began his civilian federal service career in 1991 as a protocol assistant with the Protocol Office of the Air Armament Center at Eglin Air Force Base. Throughout his career, Mr. Miller demonstrated superior performance as a compassionate leader driven by a tremendous sense of purpose. He pursued excellence each day at the Air Armament Center, contributing immensely to its mission success. He consulted on protocol matters to ten Eglin center commanders, all of whom were charged with leading the world's largest Air Force Base.
