PERSONAL EXPLANATION

Mr. BECERRA. Madam Speaker, earlier today I was unavoidably detained and missed rollcall votes 402 and 408. If present, I would have voted “yea” on rollcall votes 402 and 408.

PROVIDING FOR CONSIDERATION OF CONFERENCE REPORT ON H.R. 4173, DODD-FRANK WALL STREET REFORM AND CONSUMER PROTECTION ACT

Mr. PERLMUTTER. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 1490 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1490

Resolved, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (H.R. 4173) to provide for financial regulatory reform, to protect consumers and investors, to enhance Federal understanding of insurance issues, to regulate the over-the-counter derivatives markets, and for other purposes. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read. The previous question shall be considered as ordered on the conference report to its adoption without intervening motion except: (1) two hours of debate; and (2) one motion to recommit if applicable.

The SPEAKER pro tempore. The gentleman from Colorado is recognized for 1 hour.

Mr. PERLMUTTER. Madam Speaker, for purposes of debate only, I yield the customary 30 minutes to my friend from Texas (Mr. SESSIONS), and I yield myself such time as I may consume.

GENERAL LEAVE

Mr. PERLMUTTER. I ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 1490.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. PERLMUTTER. Madam Speaker, House Resolution 1490 provides for consideration of the conference report to H.R. 4173, the Dodd-Frank Wall Street Reform and Consumer Protection Act. This rule provides for 2 hours of debate on the conference report, it waives all points of order, and, further, the rule provides for one motion to recommit, with or without instructions.

Madam Speaker, today we will take an historic vote on the most significant reform to our financial industry since the New Deal. These comprehensive reforms will reduce threats to our financial system, increase oversight and prevent future bailouts. The bill strikes a responsible balance, ending the “wild west” era on Wall Street, while laying a new regulatory foundation for long-term growth which is stable and secure.

In the fall of 2008, this country was brought to its knees by a financial crisis, the likes of which I hope we never experience again. A crisis of this magnitude calls for reforms of similar proportion. Many elements on and off Wall Street contributed to the meltdown, and this bill carefully crafts responsible solutions in each area. The bill
