IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 5822) making appropriations for military construction, the Department of Veterans Affairs, and related agencies for the fiscal year ending September 30, 2011, and for other purposes, with Ms. EDWARDS of Maryland in the chair.

The Clerk read the title of the bill. The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Texas (Mr. EDWARDS) and the gentleman from Florida (Mr. CRENSHAW) each will control 30 minutes.

The Chair recognizes the gentleman from Texas.

Mr. EDWARDS of Texas. Madam Chair, I yield myself such time as I may consume.

Madam Chair, it's a privilege for me to present the fiscal year 2011 Military Construction and Veterans Affairs appropriations bill. I believe this bill and the work we have done since January of 2007 is a work all of us can be very proud of.

In this time of war, we have continued our tradition of a bipartisan Military Construction and Veterans Affairs appropriation bill. It has honored in a meaningful way the service and sacrifice of our servicemen and -women, our veterans and their families.

With passage of this fiscal year 2011 bill, the Congress will have increased veterans health care and benefits funding by 70 percent in the last 3½ years. In addition, we have funded a new 21st century GI education bill that 510,000 servicemen and -women, veterans, and military children have used to further their education. This is an unprecedented increase in Congress' commitment to veterans.

In our book, our veterans have earned every dime of this funding. We have, among other things, increased by 10,200 the number of permanent claims processors in the VA to reduce VA case backlogs, provided an additional 145 community-based outpatient clinics, built 92 new vet centers. This bill will add 30 mobile vet centers to serve rural communities. It allowed the Veterans Health Administration to hire an additional 18,000 new doctors and nurses.

These resources mean that our veterans have better access to the health care they need and deserve, including improved access in rural areas, increased access for VA health care for low- and middle-income vets. Additionally, these resources ensure that our veterans receive, on a more timely basis, the services and benefits that they have earned.

We have also worked hard to make sure that our military knows that the Congress respects the sacrifices that they and their families have made each and every day to keep our great Nation safe. We have heard time and time again in testimony that the best support we can give our military when
