RECOGNITION OF MADLYN AND
JAMES AARON

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 10, 2010

Mr. PALLONE. Madam Speaker, I rise today in recognition of James and Madlyn Aaron's long-standing dedication to their community and to applaud their many contributions to the public. I hope that their faithful devotion to the State of New Jersey may serve as an example to us all.

James Aaron has been practicing law for 41 years and is a member of the New Jersey State Bar and Monmouth Bar Association. He is currently partner at the distinguished firm of Ansell Grimm & Aaron, based in Ocean, New Jersey. Jim has been able to connect his professional career with his desire to contribute to his community. He has served as a panelist for the Monmouth University Real Estate Institute and has lectured for the Institute of Continuing Legal Education. In addition, Jim has been the City of Long Branch's City Attorney since 1994, has served as the municipal prosecutor and attorney for the zoning board for the City of Long Branch, and has held the position of Asbury Park's City Attorney. In fact, he is the only City Attorney in the history of New Jersey to serve these cities at the same time. Jim's impressive legal career includes practicing before the United States Supreme Court, the United States Court of Appeals, and the United States Court of Claims.

Mr. Aaron's active participation in New Jersey civic life extends to a variety of other spheres as well. In 2006, Jim was appointed the Commissioner of the New Jersey Racing Commission. He also sits on the Board of Trustees of the Hollywood Golf Club. In addition, because religion is important to him, Jim has attended Temple Beth Miriam for his entire life. He is now a member of the Temple's Board of Trustees.

Jim's wife Madlyn Aaron was a school teacher in the Long Branch school system for over 33 years. She holds a BA and an MBA from Monmouth University, and her commitment to education has continued even after retirement. Madlyn and Jim sponsor the Leslie B. Aaron Scholarship Fund which provides a scholarship to a deserving Long Branch High School senior every year. They also sponsor the Heimlich-Aaron Scholarship Fund which provides a scholarship for a worthy graduate of Temple Beth Miriam's Hebrew high school. The couple supports Monmouth University and the Monmouth Medical Center, and their contributions to civic life also include their active membership in the Long Branch Chamber of Commerce. Perhaps most notably, Jim and Madlyn recently served as co-chairs of the Temple Beth Miriam's "Capital Campaign." The campaign successfully raised over \$2.5 million dollars for the Temple.

Madam Speaker, please join me in leading this body in acknowledgement of the dedica-

tion of James and Madlyn Aaron to their community. Their contributions to civic life and charitable and religious organizations make them tremendously valued citizens of my district and the state of New Jersey.

IN RECOGNITION OF THE 63RD AN-
NIVERSARY OF PAKISTAN INDE-
PENDENCE

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 10, 2010

Mr. CONNOLLY of Virginia. Madam Speaker, I rise today to recognize the 63rd Anniversary of Pakistan independence. The 11th Congressional District of Virginia has benefited from being home to a diverse range of ethnic and religious peoples from all over the world. Northern Virginia as a whole is strengthened by this diversity. One community I wish to recognize today is the Pakistani community, which is an integral part of the makeup of Northern Virginia.

I am honored to represent a district with such diversity and prosperity. The Pakistani community has been vital to that success, contributing expertise and hard work in some of our fastest growing industries. The work ethic displayed is consistent with so many immigrant groups who have come before and who have contributed to building the United States of America into a great nation. By celebrating our respective traditions and heritage, we reaffirm our identity as Americans.

Pakistan Independence Day celebrates the end of British rule in the region and the founding of Pakistan as a sovereign nation by Muhammad Ali Jinnah. August 14, 1947, is officially recognized as the day that Pakistan won independence, and it is celebrated with lights, fireworks, and displays of national pride. The Pakistan Festival USA was originally held at the Lincoln Memorial in 1987, and has grown into a must attend event for the Pakistani community. Pakistan Festival USA has since moved to Lorton, VA, in the heart of the 11th Congressional District, in order to meet the needs of the growing attendance and demand of the Washington area Pakistani community. Today, this is one of the largest celebrations in the country celebrating the independence of Pakistan and recognizing the contributions of the Pakistani-American community.

Madam Speaker, I ask that my colleagues join me in celebrating the 63rd Anniversary of Pakistan's Independence, and in recognizing the many contributions of Pakistani-Americans to our country and wishing them Yaum-e-Azad Mubarak (Happy Independence Day).

GOVERNMENT MOTORS AND
MEXICO

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 10, 2010

Mr. POE of Texas. Madam Speaker, Government Motors is investing \$500 million to re-

build an old manufacturing plant. GM is going to make a whole new line of engines at the new plant. And a whole new line of cars.

This GM investment of taxpayer bailout dollars will bring hundreds of new jobs!

The problem is the shiny new GM plant is in Mexico.

The Ramos Arizpe plant in northern Mexico will get a hefty half-billion dollar makeover.

Mexico will get the 390 new jobs that go along with it.

I thought the GM bailout was to "save or create" American jobs?

The American taxpayers bailed out GM. Its taxpayer money. Why isn't Government Motors investing a half billion dollars in an American Plant?

American jobs are going to Mexico. And Mexicans are coming to the United States to take American jobs.

Would these 390 new Mexican jobs be saved or created?

And that's just the way it is.

HONORING ROGER T. BOBB

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 10, 2010

Mr. KILDEE. Madam Speaker, the Genesee Charter Township Fire Department will honor Chief Roger T. Bobb for 45 years of service to the community at their 7th Annual Picnic. The Picnic will be held at the Township Fire Station Number 1.

After graduating from Kearsley High School in 1959 and attending Michigan State University, Chief Bobb was hired as a firefighter on June 7, 1965.
