IN REMEMBRANCE OF DAVE
NEWMAN

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 15, 2010

Mr. KUCINICH. Madam Speaker, I rise to remember Dave Newman who died on September 2, 2010. Most people in the Cleveland area will remember him as Cousin Dave Wilson, the host of the long-running show "When the Roses Bloom Again" every Thursday night on WRUW, 91.1 FM in Cleveland, the radio station of Case Western Reserve University.

Cousin Dave has hosted the country music show since 1975 which has featured all manner of American roots music, including folk, blues, bluegrass, country & western, rockabilly, twang and many other similar genres. Cousin Dave was not only popular with college music listeners, but he also had a wide and diverse global audience which grew from the early days when WRUW operated around the campus at 10 watts, through power increases to 1000 watts and 15,000 watts, and in recent years as the station webcast at www.wruw.org. Cousin Dave, along with deejays Dan Ewry and Jim Gilliland who adopted the names Cousin Dan and Cousin Jimmie, took on the "Wilson" surname to honor and remember one of their early listeners and supporters, Rose Wilson, who could not find other sources in Cleveland for the beloved music of her native West Virginia. Cousin Dave changed the name of his show from "Mather Jamboree" to "When the Roses Bloom Again" after Rose Wilson died. Besides playing the music from vinyl and CDs, Cousin Dave featured live performers on an almost weekly basis with the help of his assistant James E. Guyette, also known as Mr. JG. Together, Cousin Dave and Mr. JG featured little-known performers who later developed large local, regional and national followings, such as Stacie Collins, Colette, David Childers, Charlie Christopherson, Hillbilly Idol, Al's Fast Freight, and Crossties, to name just a few.

Dave Newman, Dave was his given name, David was a nickname, was born in Dayton and moved to the Cleveland area as a child. He graduated from Warrensville Heights High

School in 1962 and Kent State University with a degree in Sociology in 1968. In 1969 he began his career as a caseworker for the Cuyahoga County welfare department and went on to become a casework supervisor before he retired in 2003. In his retirement, he started working at Sokolowski's University Inn in Cleveland's Tremont neighborhood until he was diagnosed with cancer in 2005. Surviving the cancer, Dave went on to serve as a liaison between the welfare department and the county Bureau of Developmental Disability, running a successful experimental program which enabled clients with disabilities to receive all the services and benefits to which they were entitled.

Dave married Denise Kassoff in 1970 and they celebrated their 40th wedding anniversary on June 14 of this year. Together they had 3 children, Amanda, Zachary, and Benjamin Adon, who survive him. He is also survived by his mother Mary Newman and sister Joyce Norman. Madam Speaker and colleagues, please join me in remembering Cousin Dave and giving our condolences to his family and his many friends in the Greater Cleveland community and beyond.

HONORING THE 100-YEAR ANNIVERSARY OF THE NANTICOKE CITY FIRE DEPARTMENT STATION NO. 4

HON. PAUL E. KANJORSKI

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 15, 2010

Mr. KANJORSKI. Madam Speaker, I rise today to ask you and my esteemed colleagues in the House of Representatives to pay tribute to the 100-year anniversary of the Nanticoke City Fire Department Station No. 4.

The Station is located at 108 Espy Street in the Hanover section of Nanticoke, Pennsylvania and is home to the Hanover Hose Company, Engine No. 4 of the Nanticoke City Fire Department.

The Nanticoke City Fire Department is comprised of seven volunteer fire companies operating out of two fire stations. The Department serves a population of over 10,000 Nanticoke residents, including myself and my wife, and responds not only to fire calls but also EMS calls, motor vehicle accidents, and mutual aid calls with neighboring townships.

In 2010, they have responded to over 500 incidents throughout the community.

The Hanover Hose Company was originally organized in 1895, making it one of the oldest of the seven volunteer fire companies of the Nanticoke City Fire Department.

In 1897, the Hanover Hose Company purchased property at 108 Espy Street in Nanticoke, and donated the property to the local area government—at that time the Nanticoke Borough.

Shortly after its donation, the Borough erected an original frame structure on the property where the Company held some of its earliest meetings.

In 1910, the Borough replaced the original structure with a brick building, which celebrates its 100-year anniversary this year.

The current structure was first home to the Company's hose and chemical truck and horses until 1924. Since then, the building has

housed the Company's upgraded fire equipment, including first a Reo Hose and Chemical Truck from 1924 to 1927, and its replacement, an American LaFrance triple combination truck.

Since its construction in 1910, the building has also been used as a police station, a jury room, and a library, and has hosted a countless number of community gatherings.

Currently, the building at 108 Espy Street in Nanticoke serves as one of two fire stations of the Nanticoke City Fire Department, and currently houses the Hanover Hose Company's 1974 Hahn Pumper.

Madam Speaker, please join me in recognizing this local milestone. Over the past 100 years, 108 Espy Street in Nanticoke has become a symbol of community pride and service.

Mr. FALEOMAVAEGA. Madam Speaker, I rise today to pay tribute to Mr. D.J. Pandian, Principal Secretary of Energy and Petrochemicals of the Government of Gujarat.

Mr. Pandian, who has 30 years of experience in public policy and administration, is leading a high-level business delegation from Gujarat, India to the U.S. to promote and strengthen U.S.-India trade. The Gujarat delegation is on a four-city visit to the U.S. to showcase investment opportunities.

In cooperation with the Alliance for U.S.-India Business, AUSIB, the Congressional Taskforce on U.S.-India Trade and Investment Relations welcomed the Gujarat delegation at a meeting held in the U.S. Capitol on September 15, 2010.

The taskforce and the Gujarat delegation discussed ways in which they could collaborate, particularly in the fields of healthcare, IT, renewable energy, and the oil and gas sectors. On behalf of the delegation, Mr. Pandian extended invitations to Members of Congress to attend the Vibrant Gujarat 2011 Summit to be held on January 12–13, 2011, in Gandhinagar, Gujarat.

The Gujarat delegation received an overwhelming response of support from Members of Congress and I want to personally thank Mr. Pandian for his leadership in bringing key stakeholders together and, once more, I commend Mr. Sanjay Puri, President of AUSIB, for highlighting the importance of this delegation's visit to Washington, D.C.

Prior to his current assignment, Mr. Pandian served as the Chief Executive Officer of Gujarat State Petroleum Corporation, GSPC, and its group companies for 8 years. During his tenure, he converted the minuscule GSPC into a giant oil and gas company with presence in the entire Value Chain of Hydro Carbon Sector.
