

HONORING MR. HAWLEY SMITH

**HON. PHIL GINGREY**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2010

Mr. GINGREY of Georgia. Madam Speaker, I rise today in honor of a long-time friend, Mr. V. Hawley Smith who is celebrating his ninetyeth birthday this month in La Grange, Georgia. For as long as I have known him, Mr. Smith has been tirelessly devoted to his community, church, and family.

Throughout the years, he has served Troup County in many different positions, and I'd like to mention a few that I know are most important to him. Mr. Smith was the first elected Chairman of the Troup County Board of Commissioners, and he remained in that position for twelve years. He helped to shape many other organizations like The Georgia Heart Clinic, West Georgia Tech Foundation, Troup County Chapter of the American Red Cross, and West Georgia Youth Council—just to name a few. Notably, Mr. Smith is the longest continuous member of the Optimist Club in the State of Georgia, and he is still active today. He also served as President of the Association of County Commissioners of Georgia, Chairman of the Georgia Environmental Facilities Authority, Vice-Chairman of the Georgia Chamber of Commerce, and Vice President of the Citizens and Southern National Bank. The list of leadership positions is nearly a page long, which is a testament to how much Mr. Smith cares for his community.

He has likewise given countless hours to First United Methodist Church of LaGrange—

where he was as a member of the Building Committee, the Board of Stewards and served as the Treasurer and Trustee. His kindness and willingness to help others also led him to become the Director of The Harbor Incorporated, a home for the Christian rehabilitation of alcoholics.

He was married to Ercil Trussell Smith for fifty-four years until her death in 1996. They have three children, seven grandchildren, and eight great grandchildren, all of whom he is extremely proud. A constant family man, Mr. Smith has always tried to provide the best educational environment for his children, whether that meant serving as the Neighborhood Commissioner for the Boy Scouts or working on the Board of Trustees for Rosemont Elementary School.

Madam Speaker, as you can see, Mr. Smith is a compassionate and selfless father, husband, and community member. I want to wish him a very happy ninetyeth birthday and thank him for his unwavering service to both Troup County and the great State of Georgia.

**TRAINING AND RESEARCH FOR  
AUTISM IMPROVEMENTS NA-  
TIONWIDE ACT OF 2010**

SPEECH OF

**HON. MICHAEL F. DOYLE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 22, 2010

Mr. DOYLE. Mr. Speaker, I submit for the record the following revised CBO estimate for H.R. 5756.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

H.R. 5756—Training and Research for Autism Improvements Nationwide Act of 2010

SUMMARY

H.R. 5756 would authorize the appropriation of funds for two types of grants. The first type of grant would go to University Centers for Excellence in Developmental Disabilities Education, Research, and Service to provide training, continuing education, technical assistance, and information to children and adults on the autism spectrum, as well as the families of such individuals and the professionals working with those individuals. The goal of the funds would be to improve services provided to individuals on the autism spectrum and their families. The second type of grant would facilitate outreach of University Centers for Excellence to minority institutions.

CBO estimates that implementing the bill would cost \$55 million over the 2011–2015 period, assuming appropriation of the necessary sums. Pay-as-you-go procedures do not apply to this legislation because it would not affect direct spending or revenues.

H.R. 5756 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA).

ESTIMATED COST TO THE FEDERAL GOVERNMENT

The estimated budgetary impact of H.R. 5756 for the 2011–2015 period is shown in the following table. The costs of this legislation fall within budget function 500 (education, training, employment, and social services).

<sup>1</sup> The legislation also would authorize funding for fiscal year 2016.

Note.—\* = less than \$500,000.

BASIS OF ESTIMATE

H.R. 5756 would authorize appropriations for two different grants. The first type of grant would go to University Centers for Excellence. This grant would be used to improve services provided to people on the autism spectrum and their families by providing training, continuing education, technical assistance, and information to those people, as well as to the professionals working with such individuals. The bill would authorize the appropriation of \$17 million per year over the 2012–2016 period.

The second type of grant would go to as many as four University Centers for Excellence. These grants would be used to foster collaboration with minority institutions geared toward providing services for and conducting research and education on racial and ethnic minorities on the autism spectrum, as well as to assist those institutions to establish their own University Centers for Excellence. The bill would authorize the appropriation of \$1 million per year over the 2012–2016 period.

For this estimate, CBO assumes that H.R. 5756 will be enacted this year, that amounts authorized and estimated to be necessary will be appropriated for each fiscal year, and

that outlays will follow historical spending patterns for similar programs.

PAY-AS-YOU-GO CONSIDERATIONS: None.

INTERGOVERNMENTAL AND PRIVATE-SECTOR  
IMPACT

H.R. 5756 contains no intergovernmental or private-sector mandates as defined in UMRA. The bill would benefit public institutions of higher education that provide services and education to individuals with autism spectrum disorders and their families.

Estimate prepared by: Federal Costs: Jonathan Morancy; impact on State, Local, and Tribal Governments: Lisa Ramirez-Branum; impact on the Private Sector: Sarah Axeen.

Estimate approved by: Peter H. Fontaine, Assistant Director for Budget Analysis.

HONORING THE LIFE AND WORK  
OF CIVIL RIGHTS PIONEER CON-  
STANCE BAKER MOTLEY

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2010

Ms. DELAURO. Madam Speaker, I rise to honor the life of achievements of Judge Constance Baker Motley, a passionate and path-breaking heroine of the civil rights movement and a native of my hometown of New Haven.

As my esteemed colleague, Representative JOHN L. LEWIS, remembered her: "In the heart of the American South, during the early days of the Civil Rights Movement in the late 50s and 60s, there were only two lawyers that made white segregationists tremble and gave civil rights workers hope—Constance Baker Motley and Thurgood Marshall." And, indeed, after a youth in New Haven and an education at Fisk University, Motley served as Marshall's right-hand woman, progressing from his law clerk to one of the NAACP's top lawyers, and
