

BRIGHT, ANN KIRKPATRICK, BETSY MARKEY, ALAN GRAYSON, SUZANNE KOSMAS, WALT MINNICK, DEBBIE HALVORSON, FRANK KRATOVL, MARK SCHAUER, DINA TITUS, JOHN ADLER, HARRY TEAGUE, MICHAEL MCMAHON, JOHN BOCCIERI, STEVE DRIEHAUS, MARY JO KILROY, KATHY DAHLKEMPER, GLENN NYE, and TOM PERRIELLO.

Each of these members has been instrumental in formulating and implementing policies that serve the best interests of the country and that will continue to shape our future for generations to come.

These colleagues—while their service, intellect, and companionship will be missed dearly—can look back on these last 2 years in Congress and take pride in the historical legislative achievements of which they were a part. The Class of 2008 can take heart in the knowledge that our legislative achievements helped pull the country through some of its toughest times. You were instrumental in the passage of landmark legislation such as:

Health Care Reform, ensuring that the wealthiest country in the world gives all of its citizens an opportunity to receive decent care and ending the worst insurance industry abuses.

Wall Street Reform, promising the middle class that Wall Street executives will never again jeopardize their savings, retirement, or livelihood.

The Recovery Act, providing the investments necessary for the American economy to create new jobs while saving existing ones, and to spur economic activity while laying the groundwork for long-term growth.

The Congressional class of 2008 can also proudly look back at other important accomplishments such as the: Lilly Ledbetter Fair Pay Act; Credit CARD Act; Children's Health Insurance Program Reauthorization Act; American Clean Energy and Security Act; Student Aid and Fiscal Responsibility Act; Hire Act; Cash for Clunkers; Small Business Jobs and Credit Act; Disclose Act; and Caregivers and Veterans Omnibus Health Services Act.

Congressional scholars have called this Congress "one of the most productive" in history. Thanks to your hard work and vision, for the 2 years, we have been a part of a Congress that has looked forward, rather than backwards, and has always put the middle class first.

In closing, I would like to thank each of these members for their extraordinary commitment to public service and wish them the best of luck in their future endeavors, which I and my Democratic colleagues hope one day includes a return to this body.

IN HONOR OF SALUD PARA LA  
GENTE

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2010*

Mr. FARR. Madam Speaker, I rise today to congratulate Salud Para La Gente on its thirty years of service to the community as a community health clinic, providing high quality, comprehensive and cost-effective health care services to low-income communities of the Monterey Bay Area.

Salud Para La Gente began as a "free clinic" in 1978 in a converted apple shed ware-

house in Watsonville. Gradually it grew and developed, incorporating in 1980, and in the early 1990's was designated as a Federally Qualified Health Center. Salud has now expanded to twelve clinic sites, including seven school-based medical and dental clinics. The staff of 195 saw over 23,000 patients in 2009 and has a budget of \$19.2 million for fiscal year 2010–2011.

Sixteen physicians, nurse practitioners, physician assistants and medical assistants provide general family practice, internal medicine, obstetrics and gynecology, pediatrics, family planning and nutrition. Eleven dentists and dental assistants and an optometrist take care of the needs of patients of all ages. A staff of twenty-two assists elders with their daily living tasks.

With this large array of services, Salud has become a leader in delivering primary care to medically underserved populations in my District. All who seek care are welcome, regardless of ability to pay.

Madam Speaker, I know all my colleagues in the House join me in saluting the success of Salud Para La Gente, and congratulate them on this important milestone anniversary. We wish Salud great success over the course of its next thirty years.

IN REMEMBRANCE OF MS.  
MARCEL ROCAWICH CRACIUN

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2010*

Mr. KUCINICH. Madam Speaker, I rise today in honor and remembrance of Ms. Marcel Rocawich Craciun, a generous community leader and a devoted wife, mother, and friend. Her love for her friends and family inspired her to love all people, and she has left behind a legacy of civic engagement, volunteerism, and cooperation.

A lifelong Ohio resident, Ms. Craciun was born on January 17, 1958 to Robert and Annette Rocawich. She was well known in Cleveland for her professional work as a funeral director for the Craciun Funeral Homes. She was the first Craciun woman to receive a funeral director's license and was known for not turning anyone away for lack of funds. In her eyes, everyone deserved a proper funeral.

Marcel's charitable spirit also found expression in extensive volunteer work on Cleveland's west side. She was an active member of the Our Lady of Mt. Carmel Parish and the OLMC Sacred Heart Sodality. She was the first female president of the Edgewater Homeowner's Association and was often called to meet with Mayor Jackson, Councilmember Westbrook, and Councilmember Matt Zone on local issues. She was also actively involved with Boy Scouts of America and numerous parent groups at St. Ignatius High School. Mrs. Craciun cared deeply about her neighborhood, the broader communities she served, and the future of Cleveland. When people asked her why it mattered so much to her, she'd say, "Cause this is where my kids live!"

While raising her five children, Marcel received a Bachelor of Arts Degree from the Cleveland State University with a focus on Anthropology. Her husband James states that she taught her children about respect for dif-

ferent cultures and inspired them to be active and involved members of society. She was also supportive of her husband's international work on Romanian human rights issues. Neighbors will miss her chats over the fence and will remember her wonderful smile, her kindness to everyone at their time of need, and her abundant love for Jimmy and their five children.

Madam Speaker and colleagues, please join me in honor and remembrance of Ms. Marcel Rocawich Craciun. I offer my condolences to her husband, Jim; to her brothers, Bob and Ed; to her children, Noelle, Jason, Jonathan, Jesse, and Nicholas; to her brothers and sisters-in-law; and to her many friends. Ms. Craciun lived her life with love, generosity, and commitment to the general welfare. She will always be remembered for her good work and her generous spirit.

IN CELEBRATION OF UMICORE  
AUTOCAT USA INC.'S 10 YEAR  
ACHIEVEMENT WITHOUT A LOSS  
TIME ACCIDENT AT ITS AUTO-  
MOTIVE CATALYST TECHNICAL  
CENTER

**HON. GARY C. PETERS**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2010*

Mr. PETERS. Madam Speaker, I rise today to recognize Umicore Autocat USA Inc. of Auburn Hills, Michigan on the occasion of the milestone achievement of 10 years without a loss time accident. As a Member of Congress it is both my honor and privilege to recognize and congratulate Umicore Autocat USA Inc. for its dedication to safety at its Auburn Hills facility.

Established in 1997, the Automotive Catalyst Technical Center in Auburn Hills has since provided catalyst system development and emission testing capabilities to its customer base for a wide range of gasoline and diesel engines as well as alternative powertrains. This 10 year milestone is a tribute to the quality and character of the employees at the technical center. Their safe practices and internal safety programs has made this achievement possible.

Umicore is a materials technology group with an eye fixed on the future of industry in Michigan. The primary focus of its work is materials science, chemistry and metallurgy, with up to 80 percent of its R&D budget devoted to development of clean green technologies. These technologies such as emission control catalysts, materials for rechargeable batteries and photovoltaics, fuel cells, and precious metals recycling are the keys to supporting advanced manufacturing, next-generation vehicle production, and alternative energy development in Southeast Michigan. In its current operations the Umicore Group has industrial operations on all continents and currently employs approximately 14,300 people worldwide, with the potential for more opportunities as Umicore's plans come to fruition and these next-generation technologies are developed.

Madam Speaker, I ask my colleagues to join me today in celebrating the safe work environment Umicore has created in its pursuit of developing technologies for the industries of Michigan and America's future. Ten years of
