HONORING OPERATION TRIBUTE

HON. MICHAEL H. MICHAUD

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 2010

Mr. MICHAUD. Madam Speaker, I rise today to recognize Operation Tribute for its substantial impact in spreading holiday joy to the children of military families.

Operation Tribute donates gifts to thousands of children in military families during the holiday season. Beginning just 4 months before Christmas 2007, founder Marc Badeau and his "Operation Holiday Cheer" raised more than \$100,000, translating into 9,000 gifts that were given to 2,500 children across Maine.

One year later, the organization changed its name to Operation Tribute and expanded to over 800 communities throughout New England and New York. That year, \$650,000 was raised to purchase 23,000 gifts. Marc has continued to expand the program along the East Coast and is aiming to reach all 50 States within the next 5 years.

For many military families, the holiday season can be a time of great sadness as children miss one or more parents stationed overseas. Through the giving of these gifts, Operation Tribute provides these brave children with an important measure of joy and hope. No one has had to make greater sacrifices in defense of our Nation than our armed forces and their families, and this is just one small way that we can give back to them.

The value of this program cannot be overestimated, and I wish Mr. Badeau and Operation Tribute the very best of luck going forward.

Madam Speaker, please join me in recognizing Operation Tribute and its founder Marc R. Badeau.

RECOGNIZING THE ACHIEVEMENTS OF PUGET SOUND NAVAL SHIPYARD AND INTERMEDIATE MAINTENANCE FACILITY IN ENGAGING AND HIRING WOUNDED WARRIORS AND VETERANS

HON. NORMAN D. DICKS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 2010

Mr. DICKS. Madam Speaker, I rise today to pay tribute to an outstanding organization located in my district, the Puget Sound Naval Shipyard and Intermediate Maintenance Facility (PSNS & IMF). PSNS & IMF, commanded by Captain Mark Whitney, leads Naval Sea Systems Command in engaging and hiring our nation's veterans and wounded warriors. In Fiscal Year 2010 PSNS & IMF hired 56 Disabled Veterans with a disability of 30 percent or greater, providing them with the opportunity to productively continue to contribute to our nation's security through the critical work of maintaining our Navy.

The debt of gratitude the nation owes our veterans is immeasurable, but this is one effort which has had a substantial and meaningful impact towards our responsibilities for these men and women. I submit this letter from Vice Admiral Kevin M. McCoy, Commander of Naval Sea Systems Command, as testimony to the leadership and achievements of Captain Whitney and Puget Sound Naval Shipyard and Intermediate Maintenance Facility.

DEPARTMENT OF THE NAVY,
NAVAL SEA SYSTEMS COMMAND,
Washington Navy Yard, DC, October 22, 2010.
Congressman NORM DICKS,
Rayburn House Office Building,
Washington, DC.

DEAR CONGRESSMAN DICKS: During my visit to Bremerton for Armed Forces Day 2010, you had some very encouraging comments about the great work of Puget Sound Naval Shipyard and Intermediate Maintenance Facility (PSNS & IMF) in taking care of our Nation's Veterans and in particular our Wounded Warriors. We also discussed NAVSEA initiatives in support of these very important programs as I had recently returned from the Wounded Warrior Olympics in Colorado. Captain Mark Whitney continues to lead NAVSEA activities in hiring and reaching out to our veterans and wounded warriors. For Fiscal Year 2010, PSNS & IMF has hired 56 Disabled Veterans with 30 percent or greater disability.

This past year, they participated in many significant events to hire veterans and wounded warriors. They strengthened their partnership with agencies that support Wounded Warriors by hosting a familiarization visit of the shipyard with Career Counselors, Employment Specialists, and Vocational Rehabilitation Counselors from Warrior Transition Command, Phoenix Battalion, Fort Lewis; Seattle and Bremerton Veterans Affairs Vocational Rehabilitation/Education Office. The visit provided information that improved awareness of the career and development opportunities available for Wounded Warriors and Disabled Veterans at naval shipyards.

Most recently the shipyard entered into a partnership with the Navy Safe Harbor Program at Bremerton Naval Hospital to provide internship opportunities for active duty service members who are seriously wounded, injured, or ill. This is a terrific opportunity for service members to productively apply
