

Niu Valley also has a strong language immersion program, allowing students to learn Mandarin or Japanese. On a personal note, I also attended Niu Valley Middle School.

Great principals tremendously improve the outcomes of our Nation's youth and play a critical role in a school's success or failure. National Principals Month is an opportunity for us all to recognize this important role and to honor the work of all our Nation's principals.

Mr. Speaker, once again, I express my support for National Principals Month, and I hope this resolution serves as a thank you to our Nation's principals. I want to thank Representative SUSAN DAVIS for bringing this resolution to the floor and urge my colleagues to join me in support of House Resolution 1652.

I reserve the balance of my time. Mr. THOMPSON of Pennsylvania. I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of House Resolution 1652, expressing support for designation of the month of October 2010 as National Principals Month.

Anyone who has visited a successful school or who has watched their children progress through their education knows a good principal is vital to a successful school. A good principal sets the tone for the school and encourages teachers and students alike to do their best each day. Principals are also the people who know the school's needs best as they are in the building talking to the teachers and talking to the students on a regular basis.

Unfortunately, all too often principals are prevented from doing what they need to do in terms of selecting the best teachers for their school. Earlier this year, committee Republicans developed four key principles on education reform. One of those principles, restoring local control, highlights the importance of ensuring principals have the flexibility they need to help their students and teachers succeed in the classroom.

Principals are key to ensuring that every child excels in the classroom. For that reason, I support this resolution and ask my colleagues to do the same.

I yield back the balance of my time. Ms. HIRONO. Once again, Mr. Speaker, I urge my colleagues to support the recognition of all of the hardworking principals throughout our country, and with that, I yield the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Hawaii (Ms. HIRONO) that the House suspend the rules and agree to the resolution, H. Res. 1652, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

A motion to reconsider was laid on the table.
