

and busiest burn center in the country. New York Presbyterian is also the first hospital to establish special centers and programs for women's health.

The most important reason for the success of New York Presbyterian Hospital's blood drive is the strong support of senior officials at the hospital. From the lowest clerk to Dr. Pardes himself, blood donation is part of the culture at New York Presbyterian Hospital.

Mr. Speaker, I ask that my colleagues join me in recognizing the New York Blood Center, New York Presbyterian Hospital, Dr. Herbert Pardes and Dr. Christopher Hillyer for their enormous contributions to New York's health care system. Their collaboration has saved innumerable lives. New York Presbyterian Hospital and the New York Blood Center serve as an example of our nation's health care system at its best.

FALL RIVER FIRE CHIEF FORD
DOCUMENTS IMPORTANCE OF
FEDERAL ASSISTANCE

HON. BARNEY FRANK

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 6, 2011

Mr. FRANK of Massachusetts. Mr. Speaker, one of the most important things this Congress should be doing in 2011 is to continue the assistance we have provided to local communities, hard hit by a recession that they had no part in bringing about, so that they can maintain the essential public services necessary for the safety of their citizens.

Earlier this week, I received a letter from the Fire Chief of the City of Fall River, Paul Ford, which explains exactly how important this is. I ask that Chief Ford's eloquent, persuasive letter, noting the lifesaving role played by the SAFER grant, be inserted here, and I hope that our colleagues will be instructed by it.

FIRE DEPARTMENT HEADQUARTERS,
OFFICE OF THE FIRE CHIEF,
Fall River, MA, December 23, 2010.
Congressman BARNEY FRANK,
558 Pleasant Street #309, New Bedford, MA

DEAR CONGRESSMAN FRANK: As you are aware, the Fall River Fire Department has received a SAFER award which has allowed us to rehire laid-off firefighters and hire 46 new firefighters, bringing our compliment up to 2008 levels. This return of staffing levels has allowed us to reopen Engine 6, Engine 9, and Heavy Rescue 1.

The previously laid-off firefighters were assigned to fire companies on September 26, 2010, the start of the SAFER grant performance period. The new firefighters graduated from our training academy on December 17, 2010 and were assigned to individual fire companies on December 19, 2010.

Let me take this opportunity to share with you the following story to illustrate how the SAFER grant has had an immediate impact on protecting property and saving lives as a result of adequate fire staffing:

On the morning of December 21, 2010, a fire was reported in one of the city's congested south-end residential neighborhoods. Upon arrival, Acting District Chief David Levesque was confronted with a six family, brick and wood structure, with fire showing in one first floor apartment. The fire had exited out into the interior stairway and was

traveling upwards toward the second floor. Initial reports indicated that a person was trapped on the third floor.

Taking command of the fire scene, A/DC Levesque initiated a coordinated, combined fire attack and rescue operation. Engine companies were ordered to attack the fire on the first floor and check for extension and protect the second floor. Heavy Rescue 1 was immediately sent to the third floor for rescue operations.

Rescue 1, which had previously been out of service due to reduced staffing, had a crew of three firefighters. This included Acting Lieutenant Matt Camara and Firefighter Mark Medeiros, both of whom were laid-off and returned through the SAFER grant. The third Medeiros, both of whom were laid-off and returned through the SAFER grant. The third member was Probationary Firefighter Glen Edington, also a SAFER awardee, serving his first tour of duty with the Fall River Fire Department.

Upon entering the structure and making their way to the third floor, all three members began a primary search of that floor. PFF Edington, utilizing a thermal imaging camera, located the victim lying on the floor. He and FE Medeiros followed their training, quickly removed the victim from the apartment, and descended down two flights of stairs to awaiting medical rescue crews. At the time of this writing, while in critical condition, the victim is alive.

If this fire had taken place prior to the funding of the SAFER grant, neither they nor any Heavy Rescue crew would have been on scene that morning. The outcome for that victim and her family could have been much different.

Furthermore, the additional staffing afforded to this department allowed us to continue to protect the rest of the city's citizens without calling in emergency overtime firefighters or utilizing the increased mutual aid responses we had come to rely on. This mutual aid, while appreciated, was further reducing the firefighting forces in those communities due to our decreased staffing levels.

This situation is a clear example of why adequate staffing is so vital to the mission of the fire service in general, and specifically to this city and department.

I thank you, on behalf of the citizens of this city and the members of this fire department, for your support with this much needed grant opportunity.

Sincerely,

PAUL D. FORD,
Fire Chief.

IN RECOGNITION OF THE LATE DR.
MARY MARANGOS

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 6, 2011

Mrs. MALONEY. Mr. Speaker, I rise to honor the late Dr. Mary Marangos, a longtime activist in the Hellenic American community and dedicated congressional staff member who passed away last month after a valiant struggle with breast cancer. A career educator and public servant, Mary Marangos touched the hearts and bettered the lives of countless individuals from all walks of life.

As the Member of Congress representing Astoria, New York, home to the largest population of persons of Hellenic descent anywhere

in the United States, I have depended on Mary Marangos to serve as my eyes and ears in that thriving, bustling community for the last seventeen years. In addition, Dr. Marangos represented me at an international conference held in Cyprus and Greece in 2002, which was fitting, as she had been active in the Cyprus Liberation Movement since the island's illegal occupation in 1974.

Mary Marangos was a whirlwind of activity in the Hellenic-American community of our Nation's greatest city, leading me to bestow upon her the nickname "the Greek Cannonball." She was active in and helped organize events for countless organizations such as the Panpaphian Association and the Women's Issues Network of the Pancyprian Association. She worked closely with local organizations such as the Greek-American Homeowners Association, the Cretan Association, and the Federation of Hellenic Societies on important activities such as citizenship and voter registration drives. She proudly accompanied me as we marched each year in the Greek Independence parade on Fifth Avenue in Manhattan, and was deeply involved in every aspect of the life of the Hellenic-American community, from being a booster of Greek-American soccer clubs to supporting arts and the humanities to increasing awareness and appreciation of the splendors of Greek civilization, past and present.

Mary Marangos' dedication to public service and helping others started much earlier than her tenure as a congressional staff member. She was an educator, administrator and coordinator at the vocational/alternative high school level in the New York City public school system, serving as a coordinator of the GED program at the Vocational Training Center at LaGuardia Airport. She coordinated the AIDS Prevention Program on the high school level, training teachers on how to teach HIV prevention and holding conferences on the epidemic. Dr. Marangos also fostered staff development initiatives for elementary school teachers and administrators.

A graduate of New York City public schools, Mary Marangos earned a Bachelor of Science degree from the New York State Education Department, a Master's Degree in high school administration and supervision from Fordham University, and a doctorate in International-Intercultural Developmental Education from Florida State University under a full fellowship from the U.S. Department of Education.

Mary Marangos was the loving and devoted daughter of Pantelis Marangos from Kalavassos, Cyprus and Despina Kyriacou from Lesvos, Greece and Cyprus. She was devoted to them and steadfast in her care of both in their later years.

Dr. Marangos has been an important leader of the Hellenic American community. Her assertiveness, intelligence, willingness to help are only a few of the characteristics that make her such a special person. Time and time again she has gone out of her way to help members of our community in need. She truly epitomizes the spirit of the Hellenic American woman—strength of character, activism, intelligence and compassion.

Mr. Speaker, I request that my esteemed colleagues join me in paying tribute to the late Dr. Mary Marangos for her extraordinary contributions to the civic life of our Nation.
