ELIMINATING TAXPAYER FINANCING OF PRESIDENTIAL ELECTIONS

SPEECH OF

HON. MICHAEL E. CAPUANO

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 26, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 359) to reduce Federal spending and the deficit by terminating taxpayer financing of presidential election campaigns and party conventions:

Mr. CAPUANO. Mr. Chair, I rise today in opposition to H.R. 359. To reduce Federal spending and the deficit by terminating taxpayer financing of presidential election campaigns and party conventions. It is my fervent belief that in this age of increasing corporate donations and outside influence on the American elections process, we need to improve public financing systems, not end them outright.

As we all know, the Presidential Election Campaign Fund was born out of the Watergate scandal as a way to provide transparency and integrity to presidential elections. The tax check off box has given millions of Americans the opportunity to support more open elections for over 30 years, and polling indicates that voters favor a transition to public financing for all federal elections, not just presidential races.

I concede that the system created in the 1970's has not changed much since its incep-

tion and could be greatly improved to better reflect the realities of campaigns today. The solution to this is to fix the Presidential Election Campaign Fund, not end it. I urge defeat of H.R. 359 today and look forward to working with my colleagues to instead improve our options for campaign financing moving forward.

RECOGNIZING THE OPENING OF THE BEDFORD PUBLIC LIBRARY

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 8, 2011

Mr. MARCHANT. Mr. Speaker, I rise today to recognize and celebrate the grand opening of the Bedford Public Library. On February 12, 2011, the library will open its doors to the Bedford community, creating a haven for citizens to learn and have fun.

On June 30, 1964, the first Bedford Public Library opened on Bedford Road located in a small house rented by the city. Four years later the library moved to a larger home on Forest Ridge Drive. In 1972 a new city hall was built, and the library, along with its 19,800 items, opened on the first floor of the new facility. By 1987, the construction of the 17,000 square foot library on L. Don Dodson Drive was completed. In 2001, voters in the city of Bedford approved an \$8.85 million bond package that would allow for the construction of a new library.

The city of Bedford encouraged and incorporated community involvement during the library construction process by hosting Library Design Workshops. These workshops allowed the citizens to offer suggestions about design and layout features of the library that would meet their needs as well as the needs of citizens in the future. In July 2008, a town hall meeting was held and the community voted on their favorite library design.

In February 2010, construction began on the new Bedford Public Library. This facility has been transformed from a one-time grocery store into an educational establishment for Bedford residents. The library is 40,516 square feet, approximately three times larger than the old facility.

The new library utilizes modern technological and design features, which include many energy- and cost-saving elements such as 150 geothermal wells to heat and cool the building, 824 solar panels, reflective roof, added insulation, low E glass and LED ballasted lights with monitors throughout the building. The library contains over 100,000 items including nonfiction and fiction, paperbacks and hardbacks, adult and children's classics, DVDs and CDs, and many more. The new library also has 65 public access computers for Bedford residents to enjoy.

Mr. Speaker, I am honored to recognize the opening of the new Bedford Public Library. This facility exemplifies innovation and education within the 24th congressional district of Texas. The Bedford Public Library is an investment in the future of all citizens by combining cutting-edge technology with hands-on learning. I ask all my distinguished colleagues to join me in recognizing the Bedford Public Library.
