

history and special education teacher at Molokai High School in my district. Mr. Ornellas's students are in Washington this week for the Close Up Washington Civic Education Program. The Close Up Foundation is presenting Mr. Ornellas with an award for his dedication to the program over many years.

I visited Molokai High School in 2008 for a discussion on teacher effectiveness. The group's participants shared their views that an effective teacher is one who is experienced, "helps you understand," and "makes it fun." Mr. Ornellas helped organize his Close Up students to raise funds for the trip by writing fundraising letters and selling plate lunches and food at the Molokai Hoe race. His students have even been blogging about their trip on the school website! For getting his students so excited to learn about our nation's history first-hand, I would definitely call Mr. Ornellas an effective teacher.

Mr. Ornellas is a strong supporter of this program, which gives students a first-hand experience with democracy in our nation's capital. Using the Close Up curriculum—tied to state history standards—Mr. Ornellas helps his students understand how our democracy works and inspires them to become more active in their school and community.

Over 95 percent of the program's 500,000 participants have reported that the program helped them better understand their roles as citizens.

I salute Mr. Ornellas for his dedication to providing a well-rounded civic education for his students. I am presenting him with a flag that flew over the U.S. Capitol in his honor.

Congratulations to Mr. Ornellas and the many students he has helped influence over the years.

IN RECOGNITION OF THE 150TH ANNIVERSARY OF MT. MORIAH BAPTIST CHURCH

**HON. MIKE ROGERS**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 16, 2011*

Mr. ROGERS of Alabama. Mr. Speaker, I would like to pay tribute to a very special occasion today—the 150th anniversary of the Mt. Moriah Baptist Church in Delta, Alabama.

The first mention of Mt. Moriah Baptist Church was on October 21, 1859. Mt. Moriah along with eight other churches met and organized what was then called the Boiling Springs Association.

According to Baptist Archives, Mt. Moriah Baptist Church was established by 1860. The First pastor was Hiram J. Hickey, First Deacon ordained was John Garrett and First Clerk was Eli Frost.

On May 3, 1890, church minutes state the previous conference minutes were destroyed by fire and could not be read. On September 1, 1890, membership consisted of 37 men and 65 women. Total funds were \$2.85, but Amazing Grace could still be heard through the church doors despite the hardships endured.

The church has been in three associations of the Southern Baptist Conference for a total of 150 years. When the Boiling Springs Association dissolved in October of 1898, after convening for 39 years, each church was granted a letter to join the Calhoun, Cleburne or Coosa River Association.

One month later 10 churches met at Ramah (now known as Delta Baptist Church) for the purpose of forming the Clay Association which Mt. Moriah became a part of. Association records show the Clay Association was founded on November 25, 1898. Mt. Moriah was recognized as one of two churches that were chartered founders of the Clay Association and were honored at the association meeting for the 100th Anniversary of the Founding of the Clay County Baptist Association in 1998. When the Clay and Carey Association voted to break joint partnership Mt. Moriah became part of the Carey Association.

The present church was erected in 1957. Mr. Earnest R. Clarke, Sr. and Mrs. Irene Sprayberry Daughterty have been members of Mt. Moriah for over 75 years. Since 1957 the church has gone through several remodeling projects and has added a fellowship hall.

I congratulate Mt. Moriah Baptist Church on their 150th anniversary and wish their congregation the best.

NATIONAL AREA HEALTH EDUCATION CENTERS (AHEC) WEEK

**HON. C. W. BILL YOUNG**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 16, 2011*

Mr. YOUNG of Florida. Mr. Speaker, I rise to pay tribute to our nation's Area Health Education Centers (AHEC) as we commemorate National AHEC week.

As a member of the House Appropriations Committee, I have strongly supported the expansion of the AHEC program, which was created by Congress in 1971 to recruit, train and retain a health professions workforce. Today, there are 56 AHEC programs with more than 235 centers that operate in almost every state and the District of Columbia.

The first Florida AHEC program was started in 1985 at NOVA Southeastern University College of Osteopathic Medicine. Florida now has 5 program offices with 10 area health centers working in all 67 of the state's counties. These centers house 600 full-time healthcare professionals and provide more than 1.2 million hours of care to the people of Florida. They also work with over 2,000 medical, dental, nursing, and other health professions students.

The AHEC program addresses the imbalances in our healthcare system and inequities in access to and quality of healthcare. Nearly 8,000 AHEC community based training sites are located in underserved areas, including 3,500 in designated health professions shortage areas, training a workforce committed to serving underserved populations. This is accomplished by forming academic and community partnerships that link the resources of academic health centers with the needs of the communities.

AHEC has continually exceeded the Health Resources Services Administration's performance measure targets in terms of the percentage of program participants who are underrepresented minorities and from disadvantaged backgrounds; the proportion of participants that train in medically underserved communities; and the percentage of health professionals entering practice in underserved areas.

Mr. Speaker, it is my hope that our colleagues will join us in celebrating the goals

and ideals of the AHEC program as well as its immeasurable contributions to the advancement of healthcare in our most underserved communities. Thank you to all the AHEC professionals for a job well done.

HONORING MAJOR ROBERT CAMINA

**HON. HENRY CUELLAR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 16, 2011*

Mr. CUELLAR. Mr. Speaker, I rise today to recognize the late Major Robert Camina for his dedication and contributions to the United States Army and the Army Texas National Guard.

Major Camina started his military career on November 10, 1939 in San Antonio, Texas. He joined with the Mechanized Group Troop of the 124th Cavalry of the 56th Cavalry Brigade. Major Camina originally joined to ride horses, but when WWII broke he was given overseas orders and his unit became the last Cavalry Regiment to be dismounted. During his tour in the China-Burma-India Theatre, Major Camina served as a M.G. Squad Leader and fought alongside 1st Lieutenant Jack L. Knight, who received the Congressional Medal of Honor. For his service in the tour, Major Camina received the Bronze Star Medal and the Combat Infantry Badge.

After the war, Major Camina was discharged from military service, but rejoined in the Army Texas National Guard for 1 year. After Major Camina's military term, the U.S. Department of Agriculture hired him for the next 5 years to aid in their campaign to eradicate Hoof and Mouth Disease from Mexico. Later, Major Camina returned to Brownsville, Texas and joined the A/112th Armored Cavalry Regiment. He served in the 112th until the 49th Armored Division was activated into Federal Service by President Kennedy due to the Berlin Crisis. In 1966, Major Camina served as a Mess Steward for the next 15 years. In 1981, Major Camina retired from the Army Texas National Guard and was commissioned as a Captain in the Texas State Guard. He served as Company Commander, S-3 and S-4 in the 304th Military Police Battalion in Brownsville, Texas. He retired on October 29, 1989—almost 50 years to the date of his enlistment of the Texas National Guard.

During his time in military service, Major Camina was a highly decorated soldier. The Major received the Bronze Star, Combat Infantry Badge, Army Commendation Medal, Texas Outstanding Medal, Meritorious Service Medal, Texas Faithful Service Medal and the Texas State Guard Service Medal. He also received many awards as a Mess Steward and helped his company win the Eisenhower Trophy twice.

Military service runs in his family, as four of his brothers also served in military branches. Armando Camina served in the United States Army, was considered for up to six Congressional Medals of Honor, and received a silver medal. Tino Camina served in the United States Navy and Ernest Camino served in the Air Force. Major Camina and his brothers fought for the United States and served to protect this great nation.

Mr. Speaker, I am honored to have had the time to recognize the dedication, accomplishments, and commitment of the late Major Robert Camina.

RECOGNIZING THE 19TH ANNIVERSARY OF THE KHOJALY TRAGEDY

**HON. TIM HOLDEN**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 16, 2011*

Mr. HOLDEN. Mr. Speaker, I rise today to recognize the Khojaly tragedy that occurred 19 years ago in Azerbaijan. Over the night from February 25th to February 26th, an unprecedented massacre was committed against the Azerbaijani people in the town of Khojaly.

Azerbaijan has been a longtime ally and friend of the United States. On Christmas Day in 1991, President George H.W. Bush announced the recognition of Azerbaijan independence along with other former Soviet Republics. Azerbaijan has been involved in NATO's Partnership for Peace program and has participated in U.S.-led military missions in Kosovo, Afghanistan, and Iraq. During this time of unrest in the Middle East, the peaceful alliance with Azerbaijan is more important than ever.

Mr. Speaker, the tragedy of Khojaly was a grim and horrific event and I ask my colleagues to join me in remembering the people of Azerbaijan on this tragic anniversary.

TRIBUTE TO ADRIENNE THOMAS

**HON. STENY H. HOYER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 16, 2011*

Mr. HOYER. Mr. Speaker, I rise today to pay tribute to Adrienne Thomas, the Deputy Archivist of the United States who is retiring after 41 years of distinguished service with the National Archives and Records Administration (NARA). Ms. Thomas began her career of federal service straight out of Iowa State University as an archivist trainee in the Office of Presidential Libraries. Since then, she has held a number of important policy and administrative positions. Early in her career, she was instrumental in transforming the Archives into an institution at the forefront of a revolution in public access to records, following the enactment of the Freedom of Information Act and the Privacy Act. During the 1980s, she served as the Director of Planning and Analysis and, in 1985, she was instrumental in putting in place the structure that allowed the Archives to operate as a newly created independent agency, no longer under the direction of the General Services Administration.

Perhaps her most celebrated contributions to this nation are the magnificent public spaces where she was intimately involved in overseeing construction and renovation during her time as NARA's head of Administration and Chief Financial Officer. Her vision has shown the world that archives don't have to be dark dusty repositories. This year alone, one million people will see her attention to detail and love of history when they visit the historic National Archives Building in Washington, DC to view the Charters of Freedom and other American milestone documents, respectfully and accessibly displayed following a building renovation in 2003. Another place where her dedication to excellence for the American people can be seen is just up the road in College Park, Maryland, home to NARA's state-of-the-art facility known as "Archives II," which opened in 1994. Ms. Thomas oversaw Archives II from concept to ribbon cutting. It stands today as the premier archival research center in the world—the gold standard—and a great source of pride in my congressional district.

From archivist trainee to Deputy Archivist of the United States, Ms. Thomas has mentored hundreds of employees and inspired millions of people who visit our National Archives buildings across the country. It is truly my honor to pay tribute today to Ms. Adrienne Thomas, a real "National Treasure" who worked for the American people for 41 years.

SAN DIEGO COUNTY REGIONAL AIRPORT AUTHORITY AND AIRPORT WORKERS: SOL PRICE SPIRIT OF COOPERATION OF THE YEAR AWARD

**HON. BOB FILNER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 16, 2011*

Mr. FILNER. Mr. Speaker, I rise today to proclaim that organized labor is often the sole force fighting for the rights of not just union members, but all workers.

This was seen this past fall when union workers at the airport stood up for the rights of all concession, parking and restaurant workers by bringing forward a worker retention policy at the San Diego Regional Airport Authority.

Up until then, workers had no job protections in the event of new contractors taking over business at the airport. If a shop or restaurant lost its lease, every employee working there could lose their job.

Led by Airport Authority chairman Robert Gleason, the agency brought workers into the search for a solution. Workers were not only given a voice in the process, but their opinions and concerns were valued as expert testimony on the importance of the Airport Authority providing a sense of job security for workers with as many as 35 years of experience.

Even when delays in the process occurred, it was due to Airport Authority commissioners believing that they could accomplish even more through their policy.

By a final vote of 7-to-1, the Airport Authority eventually passed a worker retention policy that will protect airport workers. The vote proved that all parties can win when the voices of workers are taken into consideration.

It gives me a great honor Mr. Speaker, that in light of their passage of a worker retention policy, I join with the Executive Board of the San Diego-Imperial Counties Labor Council in honoring the San Diego Regional Airport Authority and Airport Workers with the 2010–2011, "Sol Price Spirit of Cooperation Award."

**HON. EDOLPHUS TOWNS**

Mr. TOWNS. Mr. Speaker, I rise today to recognize the achievements of Yolande Nicholson.

Ms. Nicholson has been a member of the New York State Bar for more than 20 years. She earned her J.D. from Columbia University School of Law in 1989. As a young lawyer, Ms. Nicholson had the opportunity to work with multinational corporations, international financial institutions, sovereign governments and their agencies, as well as domestic corporations and financial institutions. At Cleary, she developed her craft as a securities lawyer. From 1997 to 2003,
